

Truthful Testimony of Jessie Marie Czebotar

1) I (Jessie Marie Czebotar) sworn under the pains and penalty of perjury claim the following facts to be the truth. And that I am of age, of sound mind, and competent to put these facts upon the record.

2) I would like to submit upon the record the knowledge that the Luciferian Brotherhood works in conjunction with the US Postal System to provide retired Elite Members of the System with children for consumption. In the early 1980s I was present and witnessed that the majority of Luciferian Brotherhood High Priests and Priestesses I experienced in rituals from 1981-1987 retrieved in nursing homes in the Peoria, IL; Middleton, WI; Stoughton, WI; Verona, WI areas. These nursing homes are marked with the French Symbol, the Masonic Compass, or a variation of the Male Symbol of the Compass or the receiving female Chalice or V symbol. These facilities supply children for consumption to the Elite through:

1. The United States Postal Office
2. Hand Delivery from local Human Farmers

3) I testify that during the years 1981-1987 I visited many of these nursing facilities with Clara Odelia Acker Church. During our visits I witnessed infants and children being delivered both by hand and by regular US Postal mail to the facilities for the purpose of consumption by the retired Elite.

a) If they came by hand, it meant that someone who looked like a nanny or babysitter would bring the baby or child by and hand them off to the person they were to deliver to. The story was always the same, "They were the babysitter who was helping the child to visit their grandparent." The first few times I witnessed this, I noticed that I never saw the child leave the facility.

b) When by mail, the children came with a sedative and were sleeping. There were times they were shipped with just string tied around them and their mouths gagged. When we started visiting the cooks in Peoria, IL; or Madison/Middleton, WI area nursing facilities, I saw children arriving in mailboxes or crates in what looked like plastic wrap. I have

horrific memories of people being suffocated with plastic bags over the head. When I saw the children in plastic wrap, I would start to panic.

Several of the larger nursing facilities had large refrigeration units. I saw children hung in these refrigeration units. Some of the “meat factory” supply also came from nearby farms with large barns. Because the areas had high Norwegian and Swedish cultures, they use the old procurement methods for meat. I saw bodies hung with salt, smoked, or cured into sausages and blood sausages. At one of the Peoria Nursing facilities, I would see the retired nuns working in the kitchen areas with old meat grinders grinding up the human meat.

c) I also saw children come in with crates of iced fish and would watch them get chopped up, baked, and cooked. The ovens at these facilities at the time were the older large brick ovens or big fireplaces. Several times during holidays I did see people roasted on spitfires like a pig roast, they were served like a turkey for holiday meals.

d) As a child there were several special occasions that Clara Odelia Acker Church made her “Special Pot Roast”. If you ask her why its so special, she will say it is because her secret ingredient is Cordial Brandy. The truth is that this pot roast is made usually with human meat or a few times it was our pets or neighbors’ pets. I witnessed her prep this roast several times. In my younger years, I saw her put my cousin Amanda (Freye) Schroader in a large turkey roaster. She would then have me help her peel carrots, potatoes, celery, ect. At first, she made it seem like a game. Amanda would sit still and play with the food being put into the pot with her. When Clara took out the oven racks and started the oven I was terrified. I started fighting Clara. She looked at me and said, “We have to have dinner.” I begged and pleaded for Amanda. The catch was that Amanda’s life was spared but then a child was delivered to the door and that child became dinner. What the family got that night was not a whole child roasted. The meat had been shredded off bones, all evidence tossed and just meat served with juices.

In June 24 2018 (Exhibit B), I witnessed what we call Command Structure going out among 9th Circle and Order of Melchizedek Masonic Members starting from Clara Church. When commands go out, they will be initiated by a Higher Elite member such as a Mother of Darkness or a Satanic Councilman. From there they will go down the chain through the Grand High Priests/Priestesses, High Priests/Priestesses, to those who run the Systems business matters. Those involved in this chain are:

- a) Clara Church (Queen Mother of Darkness) with assistance from Julie Cato (Church).
- b) Brian Cain (High Priest of the East/Southern Quadrants under Laurie Cabot Kent)
- c) Christian Day (High Priest of the East/South Quadrants under Laurie Cabot Kent)
- d) Lanzifer Eligos Longinus (Head of Sovereign Military Order of Satanic Templars in TX)
- e) Lucien Greaves (Head Protector for the Luciferian Brotherhood System. Lucien has direct contact with Clara Church and answers to no one but the Mothers of Darkness.)

4) The Lucifer Sigil shown on page 1 of Exhibit B, is the old guard seal or mark of a Protector in the System. They would have it tattooed on their upper arm, back shoulder blade, front peck, or back of neck. If the Serpent circle is going around the sigil, it is a sign that they are a 9th circle member.

On June 24th the commands went out from Illuminati Hierarchy...You want to know how many on the last route I sent...Double the number being disposed of...half live and join, half used sexually or ritually and die...

This was the first post that alerted me and caused concern. The Queen of Heaven or head mother of darkness of the Illuminati C. Church (woman front right) does not cook. I lived with her and food was always prepared and in fridge but my occultic training was day and night so I knew she did not cook and never observed her doing so. Other concern: had this roast, last time I knew she made it was over 20 years ago...and the meat was no animal that I knew...Other thing it was being served with desert...she never served desert with this roast...after this post...saw others that went along with what this roast was:

If you click on this pic on Lucien Greaves Twitter it shows whole pic which includes a cat...cats have 9 lives.

This symbol in the middle is the tattoo of the 9th circle members...they are the elite protectors of the hierarchy...Lucien Greaves has this tattoo on his upper right bicep. This is a call for the 9th circle members to assemble because the elite in the occult will be eating flesh. Picture below is only one Lucien has ever shown this tattoo in...

Black Mass is a sex and sacrifice ritual. The Morgue reference also a que that they are doing a mass dump (use and then destroy by burning.) Usually incineration in the basements of the Catholic Churches in the cities where sacrifices happening. The well is often used as a form of punishment or holding place for those who don't participate in the sacrifices. It is a form of punishment for occult members. Those who don't eat flesh get thrown in here. Posts like this will go up not because of location...they are a reminder to those who follow the High priests: "If you aren't in line with the main group, this is what will happen."

Lucien puts up a post today about bees being killed...the site he references saying, "Mindless vandals have killed 120,000 bees after destroying two hives in Northumberland...look at the link name :tribal 2 orgy OJ.....And why Lucien's strange question... "Is there a point at which the quantity of bees killed due to negligence or malice can or should be prosecuted with the same severity as manslaughter?"

Bees killed were worker bees...is he talking about children or sex slaves being dumped...or is he saying that those who destroyed the hives and caused the occult to dump those bees and kill them should be prosecuted with the same severity as manslaughter? (I believe the second because information about the Northern area, which is their top trafficking area and most secretive, was just turned in.) What were the two hives destroyed?

You should really read some of Lucien's earlier tweets...

The screenshot shows a Twitter profile for Lucien Greaves (@LucienGreaves) with 4,321 tweets, 198 following, 10.2K followers, and 7,382 likes. A tweet from June 18, 2018, is highlighted, titled "The Satanic Temple & Free Speech". The tweet content includes a video thumbnail and the text: "Lucien Greaves on The Satanic Temple and Free ... There can be no dialog on beliefs and the effects of those beliefs without the conceit that all ideas, provided they do not threaten or seek to impinge on [. . .]". Below the tweet is a quote from "The Satanic Temple and Free Speech" posted by Lucien Greaves: "American Catholics protesting against the activities of The Satanic Temple have often given me opportunity to comment upon shifting power dy...". A 2001 Supreme Court decision allowed Good News Club, an after school Christian club, to continue to operate in schools, and the Satanic Temple, which has 20 chapters across the US, says this is indoctrinating children into evangelicalism.

The temple's co-founder Doug Mesner, who goes by the name of Lucien Greaves, says: 'It's critical that children understand that there are multiple perspectives on all issues, and that they have a choice in how they think.'

Again, I ask, coincidence?????

Notice the names on the books...this post put up on June 24th....Books are titled: June Fine, Cook Anytime, How to draw, 2000...Tope book across called "home Rou ent", vertical book called Kid Fun. Notice the Satanic Bible is central...these Satanists claim to NOT be LaVey Satanists but just athiests. Hmmmmm? And the comment is interesting...why a free library near somewhere you are living?

All this has been months in planning...Do you think it was a coincidence that before the prosecution of HRC and others that Kim Kardashian (A high level Illuminati member) met with Trump to discuss prison and sentencing...All this has to do with the trafficking and what is kept going and what is given up...the Illuminati are making HRC the scapegoat so the rest of the system and trafficking not discovered, especially the Northern quadrant (Wisconsin) and Austin & San Antonio TX areas...they will protect these areas at all cost...
