(Thousands of unnamed children the System Considered Expendable).

5) I testify that in 1981-1984 I witnessed the grotesque abuse of the hierarchy children named under section 4 as well as the ritual abuse and murder of hundreds of thousands of children the System considered expendable at Cathedral of St Peter and the above-named Government facilities and Community Facilities.

1. I testify that Clara Odelia Acker Church murdered 1000 children a month in front of my face because I refused to participate in ritual killings from age 4 ½ till age 7. My coping and grace was to count each one and keep a tally. The majority of these deaths occurred on the property or in the tunnel ritual areas under Cathedral of St Peter.

a) Out of those 1000 deaths a month, this one was the most impactful. We were at a Feast Ritual in the spring of 1984 at St Peter's Rockford Church in the main Underground Ritual area. I was 6 ½ years old. They had a huge 15 foot or longer thick wood table set up to feast at. They brought out several children around age 8-10, boys and girls and laid them with their hands and feet tied across the table width wise. Their heads were on top table and their feet hanging over. I was standing at the head of the table on the left side with my Proctor, Clara Odelia Acker Church.

I remember there were Elite men who came into the ritual room from the tunnel system underneath the sanctuary with white chef like coats and hats. They were laughing and joking. Some of the faces I remember in the white coats were George H. Bush, George W. Bush, and Bill Clinton. They were some of the High Priests presiding over the ceremony. Men who were their Protectors/Assassins in the System

had secured the children by rope to the table. I remember Clara Odelia Acker Church and the Mothers of darkness dressed in their black ceremonial robes. Clara had a ceremonial Sunburst head dress that was made of aborted fetus skulls that she wore every year for the Marion Feast May 1<sup>st</sup> to celebrate the Queen of Heaven. That head dress was kept under the altar in the main sanctuary at the Cathedral of St Peter in Rockford, IL along with the five Books of the Mothers. These books are preserved for specific end time rituals and are made of human skin with human hair binding. All the pages are blank but when the right person's blood is applied the spell on the pages shows up. My blood is linked to one of those books. (See Exhibits C & D)

Returning to memory, Clara Odelia Acker approached George H. Bush with a box that contained what I can best describe as three ancient surgical tools sitting in what looked like red velvet. George H. Bush took the tools that looked like a curved machete, the length was about half an adult's arm length. I submit for the record that these children are not given pain meds. They did have a paralyzing drug. They are fully conscious. The tool was displayed above the children's faces so they could see what was coming. Then they were told they would be dinner. Women in the group began to gather plates and set the table around the children just on the one long side. There were some other tables present that the lower members sat at. I believe there were about 10 people sitting at the long table I was at.

After the table was set and the taunting was finished George cut the top of the skull off the first child and using a different tool that was kind of like a melon baller, served pieces of his brain slowly so the child knew he was being eaten alive. George H. Bush, served other members at the table, including Bill Clinton, George W. Bush, Archbishop Timothy M. Dolan, Msg Thomas Brady, the Cheney's, the Pence's, and the Kerry's. George H. Bush moved from one child to the next as High priests and Priestesses from the surrounding tables began to line up and he served the children's brains and other body parts like a Holiday meal.

When they were done, I had not eaten. Clara Odelia Acker Church commanded one more little girl to be brought out. She was about 8 years old. She was naked and was pulled by a rope around her hands into the room. Her feet were tied together giving her just enough room to take close steps. Clara got into my face and said, "You shall make a mighty queen." She took the scalping tool and held it up to my face, turning it sideways and rubbing blood from the blade across my face. When I refused to take it, she grabbed my wrist harshly pressing her nails until they cut into my skin trying to force my hand open so she could put the tool in my hand. I still would not take it. She threw me on the ground in front of the little girl. I was kneeling. Then standing behind her with the girl's head in a vice grip she began to cut the girl's scalp. The girl fought. So did Clara. James Volpe (Beatice Hellenbrand's Protector) stood right behind me holding my head (His hands were basically wrapped around my chin, so that his thumbs were at the base of my head so I could not tilt my neck and his hands under my chin so I could not turn my head.) He told me I had to look and could not turn away. He threatened that if I did, more children would die.

Forgive me, I can't share all the details of this memory. All I can say is several of the adults with white coats present with Clara Odelia Acker Church secured that girl to the floor with railroad pegs to finish the job of taking the top of her skull off. They are skilled at all forms of witchcraft and medical torture techniques. So they knew exactly where to cut so she remained alive for longer time. They ate small pieces of her brain but did not fully consume her to death. Then they ripped her body up through the railroad ties and threw her on her back before me. The blood was all over me and the surrounding areas. Clara Odelia Acker Church came over. James Volpe released my head and Clara took my chin in her bloody hand. She looked me in the eyes and said, "You will sacrifice." I shook my head loose and then Clara turned and with all those present left me in the room with the bodies and kneeling in a pool of blood.

For the sake of my own healing in this memory, I pause to share that I still feel that warm blood under my hands. My soul still bears the responsibility for the death of

this little girl. And my heart hears the blood still crying out unto the Lord. I heard the little girl whimper. She could not speak because they had ripped her tongue out of her mouth. My heart was so moved I lifted her head with brain exposed into my lap and sat in the blood with her, looking in her eyes till her soul left. There are no words for what I saw in her eyes. As I looked the Lord said to me, "Do not turn your eyes away from your own flesh and blood."

2. I testify that many of the items the Mothers and other members of the Luciferian Brotherhood used for training children in Luciferianism and ritual were kept at the Cathedral of St Peter. In the beginning of September 1981, the Mothers of Darkness (Clara Church, Maggie Acker, and Valeria Church) came to my Kindergarten class (School Unknown).

a) There were about 20 children that were present. Only children from section 4 present were Jessie Marie Czebotar and Douglas John Killrush Mysecko. I testify that the Mothers have a box with occultic items. These items are used to discern which elemental magik children are drawn to. This box of items was stored at Cathedral of St. Peter in 1981. This box contained items such as: a black candle, a tarot card, a raven feather, a constellation map, a little golden handheld mirror, a shawl, to name a few.

3. In September of 1981, myself and Douglas John Killrush Mysecko began our training in the Luciferian Brotherhood. I testify for the record that Cathedral of St Peter was our main training center along with the Government and Organizational Facilities listed. Our attendance to public school was marked present, even though we were not there. Training began around 8am CT and concluded around 2:30pm CT. Then we went home and our nighttime training began. I testify that my teachers at that school were part of the System and were involved in the cover up of my absence from school. In October 1984, the System faked the death of Douglas John Killrush Mysecko because I tried to tell someone outside of the System about the occult activities. They burned his house with Nazi Michael Karkoc down. The entire neighborhood had gathered and saw the fire, heard Karkoc, Douglas, and his 2-year-old brother Peter screaming for help. Douglas appeared in the 2<sup>nd</sup> story window and was pounding on it saying he could not get out. The firefighters present were not able to put the fire out and I watched along with the neighbors until there was no chance, they were alive. Later that morning, I got up at 7am like usual, when I

ran outside, there were no remnants of the burned home. The neighbors looked like they had an extra big yard with a lawn extension. The grass was fresh and no sign of a fire was present. From that day forward, the entire neighborhood acted as though this family never existed. There was no mention or talk of them ever. I went to school the next week after Douglas had died (I believed he had died but later found the System had separated us and moved him.) At school I began crying and my teacher asked, "Why are you crying?" I replied, "Because Douglas is dead." She looked at me sternly and said, "There is no one here by that name and there never has been." That was their approved narrative.

As I said, 34 years later, I found that they separated us all. They put Douglas John Killrush Mysecko in foster care in Detroit, MI under the name Douglas Mesner. Nazi Michael Karkoc was moved back home to St Cloud, MN. I have not located Peter yet. Douglas John Killrush Mysecko continued his training to run the entire Protector System for the Brotherhood. I know he had further training under the supervision of Col. Michael Aquino.

I testify that Cathedral of St Peter and all the adults named in Section 3 knowingly were connected to individuals of the Nazi Regime and knowingly were using the Church and Government Facilities to hide these individuals and to allow them to continue their New World Order Agenda which included training, procuring, mild control, and crimes against children.

4. I testify that there are tunnel systems underneath the Cathedral of St. Peter in Rockford, IL. These tunnel systems connect the Church (which is considered a main Training Center) to the Chicago and other hidden Northern Quadrant Military DUMB bases and other Facilities in the MidWest area where Satanic Ritual Abuse is happening to children and trafficked individuals.

5. Under the Training Centers and in the Tunnel Systems there are WALLS which the System calls Ritual Walls to Molech or Baal. These WALLS contain the handprints of over 200 years of individuals who are involved in the System. When a child born into the System turns age 5, they participate in a ritual where they dip their hand in blood and put their handprint on the wall. There is preparation that goes into this ritual. Before the ritual time, (those preparing the children, called teachers) will take the children into the Tunnel System or places where

children's handprints are displayed like Art, in small groups and they will have the children practice putting their hands on the wall in a way that ensures the full handprint is captured.

- a) In September of 1981, Jessie Marie Czebotar and Douglas John Killrush Mysecko were taken before the WALL in Rockford, IL that is underneath Cathedral of St Peter.

I testify that our handprints are on that WALL and also on the following walls:

- 1) Ashton, WI under St Peter Church
  - 2) Neuschwanstein Castle in Schwangau Germany
  - 3) Frankfurt Germany
  - 4) Emerald City under Pentagon
  - 5) Underground City of Tsion/Mars under Area 51
- b) The purpose of the wall is two-fold. In the System it is considered a Vow or comparable to a contract made between the humans and the demonic entities who have dominion over those areas. The demonic entities believe it gives them "Soul Rights" or "Soul Ties". It is considered a quantum genetic and blood signature unique to each individual. The System sees each of these quantum signatures as being comparable to a "Seal". Therefore, if one possesses the seal, they are able to use it in the spiritual and physical fight for dominion rights, power, and territory authority. They base these rights on the Universal Law of God, "Wherever the soul of your feet tread, I shall give that land to you." Joshua 1:3
- c) The System uses these "Soul Ties" or "Soul Seals" in connection to:
- 1) Birth Footprints (Tie is to physical earth and land rights)
  - 2) Handprints (Tie is to unique fingerprint and connected to the work of our hands the Lord has ordained for us to do)
  - 3) Birth Certificates (Tie is to individuals name and breaths or sounds their name makes, the sound of our name is our quantum spiritual identifier)
  - 4) Social Security Number (Tie is to the numerical value of individuals identity)
  - 5) Egg and Sperm Vaults (Tie is to our unborn descendants)
  - 6) Blood (Tie is to the glory or life of God in the blood and DNA)

All of these different Quantum Signatures of a person's identity are considered Universal currency. They are bought, sold, and traded in the Global Black Soul Market Exchanges.

- d) During ritual or ceremonial magik, whomever is summoning or invoking a demonic spirit to aid them in that magik can also access energy, power, and authority of all demons associated with each quantum signature that they have access to. To explain this concept further. The reason locations like Cathedral of St Peter have a ritual WALL underneath them is so that any human or demonic spirit coming onto the location can access mass amounts of spiritual and dominion rights, authority, and power that is outside of their own. This is considered "Ritual Ground". Larger ritual ground areas such as Disney Land and Neuschwanstein Castle will be made tourist sites. That ensures that many people are coming on a regular basis, touching things, leaving their handprints and other signature identifiers "willingly" on the land and giving high level witches and warlocks access to their "soul seals".
- e) Ritual ground needs to be connected to the land, such as a WALL which literally touches the ground. Ritual Ground is identified or "marked" by handprints. These handprints do not need to be in blood. Ritual ground can be mobile. For instance, the Shriners will put painted children's handprints on the side walls of their vehicles or banners attached to these side walls.
- f) There are many Ritual Ground locations. The BIG WALLS that are used by the Highest Level Elite in the Luciferian System are located underground throughout the World. I do not have exact coordinates, but I grew up aware that some of the major locations include Rockford, IL; Ashton, WI; The Castle Neuschwanstein in Germany; The Chateau Amorois in Barvaria; Stonehenge in UK; the Georgia Guidestones; St Lucia Catholic Church in Port Isabella, TX; House on the Rocks in Spring Green, WI; Tsion/Mars under Area 51; Chicago DUMB base; NORAD & Telluride in CO; CERN; Alpha Training Center in Australia; Disney Land in CA and FL; Emerald City under the Pentagon; Shamballa in Tibet Mountains; Ragnarök in Norway and

Northern DUMB in Alaska by same name; Vatican City; City of London; WA DC; Kuwait, IRAQ, Babylon, Jerusalem in Israel and Yellowstone National Park to name a few.

- g) I testify for the record that some of the mobile WALLS are put into the cement of hospitals, subways systems, public buildings, casinos, or airports. They can be displayed above ground as well. I have seen such walls at the EPIC Headquarters out of Verona, WI. (See Exhibit E) I testify that the founders of EPIC are out of Ashton, WI which is a very high level occultic town. St. Peter's Church in Ashton, WI was one of the Mothers of Darkness's hidden ritual grounds. The WALL in the building for the EPIC Headquarters in Verona, WI is an extension to the Ashton WALL, which means all dominion rights, power, and authority from Ashton can be accessed by humans and demons in the EPIC Headquarter grounds. EPIC is connected to Hospitals because they supply the computer charting System in the majority of hospitals in the US. This gives the Mothers and Elite members access to any individuals "Soul Ties" or "Soul Seals" at a Quantum level through the EPIC Hospital Charting System.

5. I testify that Jessie Marie Czebotar and Douglas John Killrush Mysecko's main teachers and instructors at Cathedral of St Peter were:

- a) Nazi Ukrainian Legion of Defense Leader Michael Karkoc: He was our instructor in Black Magik, Defense Magik, Soul Tie Connections, and Interfacing with the Spiritual Gates.
- b) Laurie Cabot Kent: She taught us the art and practice of magik and how to make tinctures and procure and preserve adrenochrome along with Algorian witchcraft, and witchcraft application.
- c) Clara Odelia Acker Church: She taught us how to govern and rule the Luciferian Brotherhood System through policies, procedures, and in practice.
- d) Callista Gingrich: As a sister of light, she taught us how to communicate with celestial beings considered as Light energy workers and to utilize energy for healing.

6) I testify for the record that Callista Gingrich was present on several occasions at Luciferian Underground Cities. I testify that Callista is a worker of Light Energy and White Magik witchcraft. I testify that her ritual name is Clandestine. I testify that she was around ages 16-20 when I encountered her and experienced her using this magik. I testify that she was aware of the Dark side workers of the System that commits crimes against children. I testify to times in my life where she used her white magik to cover up the wounds and injuries caused by Dark Side of the System Members to me.

a) I witnessed her in Emerald City which is under the Pentagon. I witnessed her being present at Tsion/Mars under Area 51 present for the end time ritual involving the Paladians and that area. I witnessed her at the Protector Battle in the Arena under Neuschwanstein Castle in March of 1982. I also encountered her several times in the Madison and various WI areas to receive healing from injuries I procured.

From my memory, The underground city Tsion has 3 pyramids. This is a significant End Time ritual area. There is a huge spiritual gate with ancient writing lying on the floor. The ritual prep we did entailed linking our blood to some of the occultic objects to be used. I remember those objects being five Nephilim skulls. As our bloody handprint is added to top of skull the prophecies written on it open and can be read. Around the sides of the room there are arch ways built into the walls. These archways are where I saw sisters of Light standing. The Sisters of Light are like the spiritual bodyguard and security team for Elite Members. I remember Callista was in one of these archway coves during the Ritual Prep.

b) I witnessed her teaching younger sisters of light such as (Amy Coney Barrett) how to interact, speak, and connect with fallen angels they called Paladians to capitalize on energy use in white magik. This occurred in Emerald City under the Pentagon and in various areas around Madison and WI area including Blue Mounds and Baraboo, WI. Callista was between ages of 16-20 and Amy was ages 8-12.

c) I testify for the record that Callista Gingrich and her husband Newt were present at some of the events I experienced through the Luciferian Brotherhood System that caused harm and injury to children in Government Experiments, Projects, Programs and in End Time Ritual Preparations. Newt Gingrich was present at some of the

Looking Glass, Star Wars Now, Genesis 6, Phoenix and Voice of God Project Sessions with Colin A. Ross and Bennett Braun.

d) I testify for the record that Callista Gingrich was present for the healing of wounds caused to me in Government Experiments, Projects, Programs and in End Time Ritual Preparations and that she used White Magik to cover it up and hide the crimes committed against me.

- 1) During one such instance Callista was at the DUMB base in Chicago, IL. I believe this incidence was in 1983. At this DUMB base I witnessed rooms with children being hung from the ceilings on wood pallets. The pallets were hung from thick metal chains from the ceiling and were tilted at a angle. Children were strapped to them with thick material straps securing their head, chest, arms, abdomen, and each leg. The children would be strapped in so that their heads tilted down at an angle. For the ancient method of procuring penial gland hormone, long metal skewers would be inserted through the nasal cavity and up behind eye to penial gland. Clara Church, Michael Karkoc, and Laurie Cabot Kent were all teachers in this ancient procurement method. There would be glass vials under the child that the metal tap would leak the hormone into. This hormone would be procured or collected and mixed with adrenochrome and formaldehyde or vodka to make a hybrid drug the Elites use daily to heighten their spiritual acuity. Most of the time, the special hybrid Adreno was only mixed with vodka. The vodka base vials were the ones the Elites used daily to function at a higher spiritual acuity. The formaldehyde vials were used during ritual times or special occasions when they wanted to experience the adrenochrome psychosis.
- 2) During this incident, My Proctor, Clara Odelia Acker Church had gotten angry that I would not take the long medal tap they use to procure hormones out of the penial gland of children. In her anger, Clara, took two of the long tap skewers and struck me and Douglas John Killrush Mysecko in our right abdominal sides inserting the skewers deeply. After the incident, Nazi Michael Karkoc subdued Clara Church. Laurie Cabot Kent called in Callista and several unknown sisters of light. They hovered their hands over us and began singing and chanting in a foreign tongue to move energy. The wounds were immediately healed and no

sign of them remains outwardly. Since that time, I have had issues with that side. One of them being my gall bladder which I had to have removed in 2011.

- 3) Callista Gingrich was also called in after some training session injuries which Nazi Michael Karkoc had caused. When he taught Defense Magik, Douglas Mysecko and I would literally have to battle and physically engage with Karkoc. During one of the sessions at Cathedral of St Peter, Karkoc had snapped the left arm of my training partner Douglas, as Douglas was trying to get up, Karkoc came for me and threw me so hard against the cement wall that it knocked my breath out and as my head hit against the wall I went unconscious. I woke lying flat on the ground and seeing Callista and others hovering their hands over my face and chanting over me.
- 4) In 1983, I went through my Satanic Baptism. Clara Church, Thomas Brady, Beatrice Hellenbrand, Maggie Acker, Valeria Church, Michael Aquino, John O. Brennan, Hillary Clinton, Jacob Rothschild, and many unknown faces were present at my Satanic Baptism at Cathedral of St Peter. Thomas Brady threw me in a coffin. I remember it having about a 2-inch-thick plastic tubing and it went up thru the top of the coffin. I could hear the Satanic Psalms being chanted. I felt when the coffin hit the ground as they dropped it into an open grave. I remember I felt a thick warm fluid down by my feet start to flood the coffin. It ended up being blood and the tube was the only way I could breathe until they pulled me out of the coffin. As they pulled me out, I remember hearing them shouting and exuberant as they proclaimed, "She has risen indeed." My hair was matty and in my eyes dripping with blood so I could not see. I remember Cisco Wheeler (who was one who got me ready or cleaned up after rituals and ritual prep) grabbed me by the sides of the arm and led me into the parish house next to the Church. She took me up to the bathroom. Cisco was someone stuck in the System but she had become a Christian. She violently scrubbed the blood off me and out of my hair, then she dunked me in the water and baptized me in the name of Jesus Christ and told me to never forget that I belonged to Jesus.
- 5) Later that evening, I was engaging in nighttime training with Clara. Our nighttime sessions began around 8pm every night. She would put drugs in my family

members food so they would be asleep every night while we did training. That night, it was around 2am CT and we had just finished our nighttime session. During the entire session she was fuming and angry. She had found out Cisco had re-baptized me and she was mad about that. I went to bed as I normally did and as I got into my bed I remember pausing and questioning why I heard bath water being run in the bathroom. Usually when sessions were over, Clara and I would go straight to bed. As I stretched out my feet in the bed, I suddenly pricked my foot on a needle that had been placed at the foot of the bed and knew I was in trouble. Clara had put a paralyzing drug on it.

My saving grace was that Douglas Mysecko had been sneaking into my room for over a year. He would remain hidden until I came in from training, closed the door and crawled into bed. I would set up traps outside and on the inside of the door that would give him time to hide if Clara woke up and came to the room. We usually would hold each other, cuddle and cry as we tried to sleep the three hours of down time we got between training sessions. When I struck my foot on the needle and suddenly could not move, he slipped out my bedroom window and started running down the street to go get Karkoc because we knew Clara was going to attempt to kill me and we knew that Douglas could not fight her and save me at the same time.

As I lay in bed paralyzed, Clara came in, pulling me off the top bunk she put me over her shoulder like a sack of potatoes. Then she carried me into the bathroom. She slung me hard against the bottom of the tub which was filled with water knocking my breath out of me. Then before I could surface, she placed her hands on my chest and proceeded to hold me under the water.

Next thing I remember is that I wake and Karkoc is hitting my back hard. I heard Douglas in a panicked voiced saying, "Breathe, just breathe, come on...breathe". After I was coughing. I saw Karkoc stand up and he said, "Clara, this time you have gone too far." He grabbed her by the arm and escorted her to her bedroom.

The door closed and he was in there for what seemed like a long time. During that time, Douglas helped me up and into my top bunk. He knew I was enraged at Clara. He said to me, "Just sleep" and then put his hands over my ears and held me. From that night on Karkoc knew Douglas was sleeping over. He never stopped him nor prevented him after that night. It was against System rules for him to be at my home but Karkoc never said a thing. Clara woke in the morning like usual and I do not know what Karkoc did to her, but it was as if she had no memory of the event.

A few nights later, I started having a cough. One evening, after my training session ended, Karkoc came to the house after everyone was asleep and took me to an unknown place where we met up with Callista. I had pneumonia from water still in the lungs and she healed that.

7. I observed or experienced the following Virtue Squad committing the Silent Treatment. Callista Gingrich, the Light side of the System wives (Karen Pence, Lynne Cheney, Marilyn Quale, Theresa Kerry) Nuns, Sisters of Light, and many Catholic Women at Cathedral of St Peters. I consider The Virtue Squad. This was one of the Luciferian Brotherhood's greatest weapons against children and those being abused by the System.

a) Many times, I rebelled against the abuses I was observing or experiencing. I would violently fight and resist refusing to engage. I would be subdued by multiple men and restrained. After I calmed, I would have to endure The Virtue Squad. The System considered any form of resistance or rebellion as a sin. So, the treatment was to teach you to correct your sin. The correction was twofold. First, they would give me silent treatment. This treatment occurred in basements, old dry wells, open graves, rooms under stair wells, closets with locks, or in locked cupboards. When Ritual Prep was done if I had sinned then they locked me for hours in one of these areas and I would have to sit in silence.

b) This abuse also occurred at my home with Clara Church. When she chose to use the Silent Treatment, it usually was in our home basement in Madison, WI area, and she would put

dead bodies, animals, and bloody feminine products around in the dark basement. There were times she pushed me down the stairs after asking me to go to the cellar and retrieve jarred goods. Other times, she would drag me through the house and down the stairs and leave me in the cellar. She would leave the basement and because she had used some sort of drug on me I could not fully function and get up. When the drug wore off, the basement would be pitch dark. I would have to walk through the dark toward the stairs. On my way through the dark I would stumble over dead bodies, animals, or feminine products hanging from the ceiling or on the ground. Once I got to stairs, I would sit at the top of the stairs till she opened the door and let me out.

Once I got out the narrative would be spoken to me. This was the story that I had to go by, rebelling came at the price of death. So, I would hear the door unlock. I would get up and come out of the basement. Clara Church would be sitting at the kitchen table with my siblings. She would have a large butcher knife in front of her and would be tapping it with her nails. She would say to me, "What have I told you about hiding from me. We will have to talk to your mother about that." When my mother got home, I would get in trouble for not listening or being obedient while she and my father were gone to work.

I would see other children go through this same torture. At the school on the same grounds of Cathedral of St Peter, on the third floor there was a room that used to go down into the courtyard behind the church. That room also had an old laundry chute that was on the outside of the window and went down to the basement of that building. That room was small. It only had a large white cupboard that was empty with doors they put a chain lock on. Across from the cupboard was the window with the laundry chute. To the right of the window was a picture of one of the old nuns who had since passed away. That cupboard was one of the places Karkoc would lock us after our initial adrenochrome test series.

Before they put a hierarchy child into the Military Experiments or Projects, they test them to see what their functioning levels of adrenochrome are. My testing period (along with Douglas Mysecko) included observations by Karkoc, Col. Michael Aquino, and John O. Brennan. The men subdued us one at a time in the long hallway between the Church and the School. There were three rooms off this hallway that they used for training on the right-hand side. And a fourth

at the end of the hallway, which was our main Defense and Magik Training room with Karkoc. After restraining me to the ground they put me in a strait jacket. I wrestled with one of them and watched as the other two put Douglas into a strait jacket. Then using a syringe, they injected each of us with a dose of adrenochrome. They were testing to see how much we could take without experiencing a psychosis. They knew that first time that we would go into a psychosis. They put me and Douglas into the room. They had padded the walls and I remember at the far end there were about 10 young children ages ranging from 4-6. The children had their feet chained to the floor and their hands and elbows tied up high behind their backs.

The adrenochrome makes it so you cannot think and an uncontrollable intense feeling of rage washes over you. You are so mad that all you want to do is rip things apart. You also get an urge to consume flesh. Douglas and I started fighting. He was kicking me hard as he maneuvered closer to the children. I care not to share too much detail to this memory. We only had our teeth and legs to fight with. So all I care to share is that the children were killed by biting and ripping the jugular veins at their necks. All ten children died. And then Douglas and I went after each other.

There was a point where the three men came back into the room. They grabbed us and carried us biting and kicking up to the third-floor room of the school and locked us in the large white cupboard. Douglas and I continued to fight each other in the strait jackets in the cupboard. At one point, he kicked me down on the floor of the cupboard and kicked his heel repeatedly into the top of my right shoulder. (I have continued through out the years to have issues with that shoulders rotator cuff, labrum and structure of the shoulder). As the adrenochrome wears off we would get violently sick and start throwing up. I remember that time, I fell with my head against Douglas's lap, and I threw up on his pants pocket. In his pocket on his right side is where he would keep the golden mirror, he stole from the Mother's Box of Testing Objects. Karkoc and Brennan came and pulled us out of the cupboard and carried us down to another room.

This room had a defector of the System in it. Douglas and I were sick but had to learn to fight and protect ourselves even when we did not feel well. Karkoc and Brennan took us out of the

strait jackets and threw us in the room and Karkoc yelled his and Clara Church's favorite line, "Kill or die!" The rules of these exercises were that either the defectors lived, or we did. The defectors fought to the death, so we had no option but to fight and kill once thrown in the room.

Later in similar trials, Karkoc, Aquino, and Brennan would put me in the strait jacket and give me injections that made my potassium levels quickly drop causing my heart to race. I believe it was tetracycline. They would kneel over me and tell me I was going to die. This was how they caused some fear based built in body triggers. As a child they had me on a regiment of 10 bananas a day. Clara Church, Jeanne Wagnor, or Julie Cato would serve them to me in a bowl mashed up. We called it banana soup. If I did not eat that many every day, I would get really bad leg cramps and spasms at night. I later found that when they made this soup, they put powdered adrenochrome in it. That was how they got me my daily dose for spiritual acuity. The powdered adreno would turn the bananas a brown color almost immediately. The cover story my whole family knew was that I loved bananas. Today my body has issues keeping and retaining potassium. It is quickly used up in my body and if I do not consume 80 MEQs a day I get very bad heart palpitations which trigger the deep seeded fear that I am going to die.

8. I attest that the Military members named in Section 3 used children from the Rockford Cathedral of St Peter training centers at the Chicago Military Base for government funded experiments and projects, along with members of MIT, Aspen Foundation, and Stanford Research Institute. These programs generated from Tavistock out of Hampstead, UK. Nazi Michael Karkoc was the connection between the UK and US programs. I grew up training under him and was aware Karkoc had been the trainer in the System for Col. Michael Aquino and John O. Brennan. Karkoc had taught them how to run the different programs. Karkoc set Col. Michael Aquino in charge of the programs in the Western quadrants from in the US and internationally. John Brennan was in charge of the programs in the Eastern quadrants in the US and internationally. All three men were involved in the creation of a Tavistock Record keeping headquarters called "The Transformation Project" in San Francisco, CA. Because they named this Government Records headquarters as a Project, it bypassed all federal auditing regulations, and this was how they were able to keep all the unredacted Reports for the Experiments, Projects

and Programs the DOD and others were involved in with children from being declassified or audited. All the pictures, and reports are stored there.

- a) Individuals I witnessed being directly involved with these Experiments, Projects, and Programs are: Nazi Michael Karkoc, Col. Michael Aquino, John O. Brennan, President Ronald Reagan, Gen. Paul Vallely, Col John B. Alexander, Colin A. Ross, Bennet Braun, Neil Brick, Eilene Avetti, Newt Gingrich, Sen. John Kerry, The Wizard aka Allan Parrot, James Volpe, Sen. John McCain, Isaac Asimov, Oliver Stone.
- b) In September of 1981, Nazi Michael Karkoc, Col. Michael Aquino, and John O. Brennan chose Douglas John Killrush Mysecko and myself to begin training in Government Experiments, Projects, and Programs that were used to prosper the End-Time One World Agenda. We were chosen by Elite Members of the Satanic Council of 9. They discerned through Tarot Card Reading and Occultic Prophecies that Douglas and I were the sun and moon that would bring forth the Anti-Christ. Thus, they did a ritual and gave Douglas the ritual name "Moonlight" and I the ritual name "Sunshine".
- c) The individuals named in Section "a" were involved in our training for this End Time Agenda. Col. Michael Aquino oversaw the work with CERN and DARPA with the Spiritual Gates. The main project was called Scanate originally. When I went through it, I experienced a three-step program beginning with The Looking Glass project, then graduating to Star Wars Now, and Eventually being operational spiritual Warriors through The Voice of God project.

Gen. Paul Vallely was the first individual who taught Douglas and I to interact with the Star Gates. He is part of the First Earth Battalion which operates under the Galactic Federation or the World Governing Council. I never saw Gen. Vallely participate in any evil. But I would like to bring out that he was aware the Government was using children in these experiments and projects. He interfaced directly with me and the spiritual gates and escorted me on initial missions. He was

present when the Government did an AUSA event where they displayed Douglas, I, and other children as weapons with Nations bidding on Soul Tie rights to us.

I witnessed Col. Michael Aquino and Gen. John B. Alexander rape and murder children that were 4 or 5 years old in these projects. What they were doing was considered a form of Black Sex Magik. The spiritual gates open through frequency, resonance, and light. Scripture tells us, "Enter His gates with Thanksgiving." Psalm 100:4. The Elite know that "Thanksgiving" or the frequency/vibration of thanksgiving opens the spiritual gates. The Elite Luciferians cannot truly be thankful to God. But they found that the vibration of "ecstasy" resonates at the same frequency as "thanksgiving". Young children emit this frequency during sex magik. The children I saw raped at the Chicago DUMB to open the spiritual gate did not live through the process.

- d) During the Experiments and Projects at the Chicago DUMB, I saw Isaac Asimov present as a writer and recorder. I saw Oliver Stone present working on documentaries.
- e) I experienced Colin A. Ross, Bennett Braun, and Eilene Avetti involved in the Underground Breeder Programs connected to Cathedral of St. Peter and The Chicago DUMB. They were in charge of the mental health of girls subjected to the programs. (More will be explained about this in future Affidavit). I knew their job was to aid in the cover up of the crimes committed to survivors of SRA. They provided the mental health analysis, evaluations, interrogations, and biofeedback sessions of subjects under these Programs, including for Douglas and myself.

In 1984 Colin A. Ross, Bennett Braun, and Eilene Avetti formed the ISSTD (International Society for the Study of Trauma and Dissociation). I see these individuals as Gatekeepers. Their job is to make sure that only certain amounts of information get out about Satanic Ritual Abuse. I see the captives still held in captivity and not healed. These Gatekeepers, manage SRA victims' programs. Their

first meeting to work with girls to open the spiritual gates was during the spring equinox in 1984. Since that time, they have their conferences around the Spring and Fall equinox every year. In March of 2017, ISSTD returned the Conference to Chicago, IL. It was the first time since 1984 they had the conference there. It was during the time of The Bride of Satan Ceremony. It was exactly 34 years since they had been there, and if you counted the first conference in Chicago, it was the 35<sup>th</sup> Conference. This timing had significant occultic meaning. When you add 3 plus 4 you get 7, which is the number of completion. When you add 3 plus 5 you get 8 which is the number for the New World Order.

- f) In 1981-1984 I witnessed several of the above-named individuals. They participated in the Chicago Mackinac Boat Races and the Milwaukee Boaters Club with my grandfather (Thomas Orrin Church, A high level Mason) whose cover was a Sailor and Engineer.
- 1) Those who I witnessed at various times and knew as “One of his boating buddies” were: Barak Obama/Barry Santanos, Bill Clinton, Hillary Clinton, Oprah Winfrey, Dick Cheney, Lynne Cheney, Liz Cheney, Mike Pence, Mit Romney (Only saw once), Rahm Emanuel (Saw at Mackinac race once with these individuals), Craig Sawyer (knew him as Tom Carruthers) Dan Quale, John Kerry, Ken Geier (my Grandfathers best friend), Jere Sullivan (Milwaukee Boater Club member). Two random child victims I saw several times on these excursions were Corey Feldman and Corey Heim. There also were several prominent Chicago politicians, businessmen, members of the boating Clubs that I never knew names of.
  - 2) I remember several of the occasions I saw the individuals named in 1) they were involved in rewarding kids that had won “Charters” through the University of Chicago or University of Madison special scholarship programs. Each time (I witnessed at least 4 times a summer), thus said individuals would gather on my grandfather’s boat with children. (Need to explain that it was not all these individuals named at one time. Usually there would be about six of them at a time with about 10 children. The boat would leave the dock full and would return

with only one or two of the children. When I inquired about the whereabouts of the children, I would be told that their parents had picked them up off other docks along the way.

9. I testify that Johnny Gosch was being held by the Northern Quadrant members and used at the Chicago and Madison Military DUMBS from 1984-1989. In 1988, I had personal encounters over a few months period of time where he would follow me and my sibling and friend on our way home through the park from school. He would do so on windy days. There was a path through the park we had to walk on. Right next to the path was a very deep ditch with cattails. Beyond the cattails was a cornfield. Johnny would follow and make noises by stomping his feet but when we turned around, he would jump into the cattails. Finally, I timed it so I turned around right when the wind stopped and saw him jumping into the cattails. I called him out. He came out and was wearing a black ski mask. He also had his pants legs like someone who rides a bicycle. One leg was rubber band tight. When he came out, we ran home and called the Madison police.

After hearing my description, the police told us that an investigator was going to come interview me. That investigator was Ted Gunderson. His first question to me about the description of the man was, "How did you know he had a mole under his right eye?" That is when I explained I knew him. I told Ted Gunderson I had seen Johnny at Satanic Rituals and that my family were the Mothers of Darkness. I continued to share with him about the occult in the Chicago and Wisconsin areas. Nothing further ever came of that conversation that I am aware of.

Exhibit B: A complaint against Msgr Thomas Brady: "The Diocese of Brooklyn was recently informed that the grand jury reviewing the complaints against Monsignor Thomas Brady has decided not to pursue a criminal indictment against him. In light of this, and following the directions of the Congregation for the Doctrine of the Faith in Rome, Monsignor Brady has been

removed from administrative leave. Taking into consideration his diminishing health, however, he remains restricted from public ministry.

As a Diocese, we remain concerned for the well-being of those who made the allegations against Monsignor Brady, and request that they be treated with dignity and respect. This has indeed been a challenging time for everyone involved, the young boys who presented the allegations, their families, Monsignor Brady and the entire Good Shepherd community. Most Reverend Nicholas DiMarzio, Bishop of Brooklyn, is committed to the protection of our youth, and takes seriously all allegations of sexual misconduct by a member of the clergy with minors, in full compliance with the United States Conference of Bishops' Charter for the Protection of Children and Young People. Let us reach out in compassion to all involved and pray for the healing of this parish community”

Exhibit C: Picture showing the altar at St Peter Catholic Church before renovation and it's name change to Cathedral of St Peter, Rockford, IL. Under this altar is where the Queen Mother of Darkness various head dresses were kept; particularly the one made from fetus skulls. The 5 Books of the Mothers of Darkness are also kept there for End Time Rituals. The 5 Books are made of human skin and human hair binding. They have blank pages until the individual who is linked spiritually to that book applies their blood to it. Then the words of prophesy appear.
