

Testimony of Jessie Marie Czebotar

1) I (Jessie Marie Czebotar) sworn under the pains and penalty of perjury claim the following facts to be the truth. And that I am of age, of sound mind, and competent to put these facts upon the record.

2) I would like to submit upon the record that Carlsbad, CA and Tillamook, OR are long use ritual areas of the Brotherhood Illuminati System. I also submit for the record knowledge of the following individuals' connections to the Luciferian System in those areas and what I witnessed or experienced that support my belief that child trafficking, ritual practices and killing are occurring in these areas.

I testify that it is my full belief that the following individuals named or organizations being used are members of the Brotherhood System and part of child trafficking in the Oregon, CA, WA, Canada, and UK areas.

A) I first heard of ritual abuse in the area of Carlsbad from Tammy Reif, the mother of CPS kidnapped hierarchy child Jonah Reif in 2016. (Tammy Reif's testimony of Jonah's kidnapping and abuse chronicled in Right On Radio Episodes: Jonah and Belly of Whale and Tea Time: See Exhibit D) As I began to come forward and share my testimony of abuse in the Luciferian System I had Cheryl Hersh (aka C.A Beck) share her testimony of childhood abuse that occurred in the Carlsbad, CA area. There is almost a 40-year difference between the time C.A Beck was abused in the area and Jonah, yet she named same locations such as the Military Bases in Carlsbad, CA area and in Colorado, Magnolia School and the Churches. This tells me the area is a long time Ritual area and supports a group of organized Luciferians.

1) An individual of great concern in this testimony is Charlie Bower whose full name is an Elite hierarchy family name, Charles Estmond Sindercombe Bulmer Bower (Son of the Bulmer family who own Orchards out of Herefordshire, UK). There is a military base underground in the caves not far from there in Scurry, UK. The Arachnid Society has purchased the land above the base and has classified it as "Protected Species" land. (See Exhibit E)

a) I testify that "Bower" is one of the Bloodline hidden family names. In this Brotherhood System every generation has had five women chosen to serve at the very top. They are called the Mothers of Darkness. These women report to no one but Lucifer. Their job is to oversee the running of

the entire System and to govern the Satanic Council (aka The World Governing Council, aka the World Governing Federation Alliance, aka The Galactic Federation, aka The New World Order, aka The 10<sup>th</sup> Reich, aka the Druidic Council) and all the sub Councils that fall under their jurisdiction.

Before my Proctor Clara Odelia Acker Church took her position as the Queen Mother of Darkness in Fall of 1981, one of the Mothers running the System was Meryl Bowers (a Rothchild out of CA, relative of H.P Palmer Sindercombe Bower Bulmer Herefordshire, UK. Charlie is H.P's grandson. His full name is Charles Estmond Sindercombe Bower Bulmer aka Charlie Bower-I believe he is implicated in the kidnapping of his wife Tiffany (Reif) Bower's nephew Jonah Rief because Jonah is considered a hierarchy child in the System.)

b) I also testify that the Bowers (aka Bauers) come from a Bloodline that stems from the Russian Rasputin line. In the System these individuals are long term families whose service to the System is taken with great honor. Like gypsies, some of the individuals in this line inherit certain demonic spirits that make lifelong contracts with the family. These spirits allow physical body changes to occur in the individuals they make the contracts with. So many of the Bowers are known as Wolves. The majority of those who have this spirit take vows in the System to serve as Protectors/Assassins or Guardians of an Elite member in the System that is assigned to them.

I testify that there is a picture I saw of a home Charlie owns in the UK. When I saw it, I recognized it as a place I had been in childhood called the Chateau de Pac. I knew it as a place where wolves gathered to have meetings under the Head of the Wolf Protector Department of the System in the 80s, William Belenoff (The ex-husband of Somerset Belenoff). I knew William by the Russian form of his name "Vlad". Those in this

Department are Scottish Rite Masons and take their Wolf vows beginning at age 5. At age 5, they contract to receive the demonic spirit. At age 21 they take their Scottish Rite Vow during a blue moon ceremony and devote lifelong service to protecting and serving the Elite individual and their family they are assigned to.

c) Tammy Reif has verbally verified to me that Charlie owns the Chateau de Pac. I knew that previously those who own the home are connected to the wolves. I have unnamed individuals who are wolves who have defected from the System. I showed a picture of Charlie to one such individual and he identified Charlie in connection with the Patrick Brown wolf clan who also are Bower bloodline. This clan operates under the name The Wild Highlanders (<https://www.wildhighlanders.com>) who travel and do Scottish clan fairs and events. The Unnamed Identifier is a direct relative to Patrick Brown and testifies those leading this group are all wolves. As I looked at their tours I realized their tours lined up with the Military AUSA tours.

d) Charlie is Carlsbad Law Enforcement and connected to several military bases out of CA, CO, WA, OR, and the UK and Canada. (Tammy has also reported to me that Charlie is MI 6 and works under Interpol British Immunity). As I looked at the way the tours lined up, I believe that the Wolves were providing the Military with perimeter protection as they traveled for tours. I believe that these tours involve the movement of children from one location to another both in the US as well as Internationally. My information I had showing how these tours were lining up was scrubbed off my computer in June of 2019. This was the same summer Charlie moved to Tillamook, OR and I believe was involved in the child trafficking event that occurred.

2) Charlie lives and works in both the Carlsbad areas and my former area of residence Tillamook, OR. Charlie moved to the Tillamook, OR area around

August 2019 after I sent in a report in July 2019 to (unnamed Government Contacts) about connections between Charlie and things about the System that I was aware of that affected Jonah's case.

The report gave information that identified Charlie's connections to possible child trafficking between Tillamook, OR and Carlsbad, CA and to certain regions of the UK thru AUSA and information about the Wild Highlanders. I had gotten several Federal Data Base Lists (from contacts) and was asked to identify information on it. (These lists provided through contacts were given from George Nassif and Tina Menlo, Nassif was said to be working under Willaim Barr at the DOJ. Nassif requested all Advocates against child trafficking go through these lists and identify any Government individuals directly involved with the child cases of trafficking they were aware of. Nassif was aware that I identified Charlie and the connections I identified him with.)

One of the Lists provided by George Nassif was titled Blood and Honor Data Base (<https://file.wikileaks.org/file/blood-and-honor-database-2009/list.html>) I identified that many names on here were wolf bloodline family names and were connected to a Werewolf Live Role Playing Game where the individuals who interact in it really live the life of a wolf. There is a game like this for those in the System called Vampires also. That game is called Vampire Masquerade.

(See Exhibit C) Emails with pics and info about Charlie and the Wild High Landers)

f) From the beginning I was hesitant to do any research or provide any information to George Nassif. I was told it would get to William Barr and that Barr would be the one to get it to Donald J. Trump. I did not believe this to be so. A huge red flag for me was that Nassif requested all the names of the Advocates, the names of the child cases they represented, and the mothers of those children. I felt this could be used as a hit list to take out mothers and advocates for children the System wanted.

My fears seemed to be validated around September and October of 2020. Tammy Reif and those working with her had been discussing starting an Advocacy Agency. They said that they had gotten in with the Flynn Family. Tammy's team asked if I would be part of the Board for the organization Mary and Joseph Flynn were starting. I agreed. I was asked to do a write up of operational costs for my team and asked to calculate Full-time salary positions for each member on my Team who would be involved. When I got the operational costs complete, I submitted to Team. Then we had several events that occurred that made me very hesitant.

First, I was told that Mary and her daughter (who currently was fighting for her children, and evidently had Luciferians in the System involved) were privy to see our operational costs write up, which gave names of all my Team Members under my ministry Illuminate The Darkness. (Jodi LoDolce, Dennis and Reggie Fashbaugh were three of those Team members listed. In September 2020, they betrayed me with operatives. I have shared in my Affidavit against Bishop Larry Gaiters. Jodi LoDolce has always been the direct connection on our team to Gen. Michael Flynn and Field McConnell.) (See Exhibit H) During that meeting, Mary and her daughter received a text from a Rothchild. I was shown a screen shot of the text on zoom. I was not able to get a picture of it to document. I testify it was to Mary Flynn's daughter and that it was indeed from a Rothchild. It was at this point I also saw that the individual who was showing the text also had George Nassif and Tina Menlo as contacts. I inquired if George and Tina were also a part of this Board with the Flynns. I was told yes. It was at that point that I asked Jodi to inquire of Gen. Michael Flynn. We asked if he was aware his brother and sister were starting an organization to Advocate against child trafficking and if he had any hesitancy about it. Jodi said she heard back from him, and the message was to not get involved. It was at that point that I made the choice to pull my Team out. All contact was immediately discontinued.

f) During the time I resided in Tillamook, OR, I spotted Charlie at least 5 times sitting in front of my house with binoculars in a black rented van after I had been notified that he had moved to Netarts, OR which is 5 minutes from the Tillamook area.

(See Exhibit B)

g) I also believe Charlie is behind the assassins bag I found in August 2019 behind my bedroom window. It contained items such as a drone controller, 2 bottles of perfume that contained liquid REM (Radiation), screw drivers, razor blades, a dildo, and other items. I had pictures of the items but (unknown individuals) hacked my computer system I had them on and deleted them. A week before I had the bag with these items appear under my bedroom window, Charlie and his wife Tiffany (maiden Reif) had visited Tiffany's parents (Jonah's grandparents) and had given them a bottle of perfume. Cherie Reif (Tiffany's mother) manifested signs of radiation poison from liquid REM and ended up being treated through private natural doctors due to the security risk and danger level. I contacted Chief Terry Wright of Tillamook, OR to come and pick up the items in the assassin's bag warning him to dispose carefully of the perfume bottles because others had recently experienced REM poisoning. He took the license plate numbers of the vehicle I had seen in front of my house. Nothing further was done in this matter.

B) C.A Beck identifies the Carlsbad, CA area as the place where the majority of her childhood Satanic Ritual Abuse occurred. C.A Beck identifies the area has underground tunnels that connect to different public service buildings (such as the Police Station, Magnolia Elementary School, and the Lutheran Church). You can hear some of CA Beck's testimony. (See Exhibit F)

CA Beck was one of the expendable children trafficked through the Carlsbad area. You can read more of her story on Cathy Fox's Blog: Cheryl Beck an Illuminati Survivor and Whistleblower: <https://cathyfox.wordpress.com/2020/05/16/cheryl-beck-illuminati->

When discussing her past with me CA Beck shared with me as a Mandated Report, "Magnolia in my day. There was a house directly across from the cafeteria windows with Magnolia School on the front that was owned by the Frum(m) Family in our \*ahem church. Juanita Frum was a "Sister of Light". They would drive "service vehicles" to the cafeteria with trafficked children in them. So, the house directly across from the cafeteria, that has? had a theater stage at the south end inside that cafeteria, was used for rituals. The Frums would, thus, not report any "suspicious vehicles". They used the outdoor amphitheater at Valley Jr. High right down the street from Magnolia for my marriage ritual with the Sisters of Light in attendance....(Frum's Pastored the Lutheran Church in town and I believe she has said her Pastor was connected to the Masonic Lodge and Military Base there as well.)

CA Beck continued, "The School District headquarters on Pine St. had a basement level that tied into the tunnel system. We are talking the old part of Carlsbad along the Train Tracks, \*ahem, of course. The City Water Dept. was located right next to the RR tracks. That is where the Hub of water pipe tunnels began. The Boy's Club was either on the same street or one over, but they had a basement level too that connected in. What they need to have heads up on are any City of Carlsbad vehicles OR School District vehicles, but, esp. at Magnolia the food delivery trucks. Back in my day, private vehicles under the cover of night would carry the trafficked kids in and out in their trunks...or, the dead. They would use the school cafeteria kitchen to cut up and process the dead as well. Strong commercial equipment. Packaged and taken out from there to destination... Oh, there is a "storage room" under the theater stage at Magnolia Cafeteria, a place they hide children. At least, there used to be."

C) CA Beck's sharing about the Packaging Plants for the dead aligned with some information I experienced in the Tillamook, OR area. While serving as a Chaplain there, I volunteered in the community with the Homeless and did processing classes with Veterans and Homeless out at the old Naval Officer Head Quarters that had been turned

into Helping Hands Homeless Shelter. I had several homeless individuals who confided in me the occultic activity occurring down the long wooded Kilchis Rd and Trask River Roads. They reported seeing dumping grounds with dead bodies down by the rivers that run along both woods. As I looked further into this, I began to believe there was a 9<sup>th</sup> Circle Luciferian group in the area. The 9<sup>th</sup> Circle are Luciferian members who partake in the consumption of flesh. They prefer live flesh and will do hunting parties to hunt their prey.

D) In 2019 I went with a friend to St Mary's By The Sea Catholic Church in Rockaway, OR. My friend was going to share her testimony at a Celebrate Recovery group that was meeting at the Church. We attended the meeting and as we went to leave, Father Larry Gooley came out of no where and started speaking to me in Brotherhood code. He recited a Buddhist poem. It is traditionally used to identify oneself to another member in the System. I responded with the appropriate response letting him know I understood what he was communicating. He then proceeded in Brotherhood code to identify himself to me as the head of the 9<sup>th</sup> Circle in that area and he gave me a warning to stop all identifying procedures I was doing of members in that area.

Warning: "He who turns over every stone finds he has no stones to walk upon."

E) In fall of 2019 Michael Santos came into my work at the Tillamook Pharmacy. Our conversation led to Michael sharing about his desire to get out of the System in the Tillamook, OR area. He feared for his life. He began to open up over several meetings we had and shared the workings of the Brotherhood Leaders in that area and the 12 child trafficking rings in the Tillamook area that circulated along the coast. He shared that he was the former head of the Filipino Gangs out of NY and he had been transferred to the area to help run the trafficking trails. He identified Chief Terry Wrights and the Tillamook Law Enforcements involvement, along with the Catholic Churches. This included both Sacred Heart Catholic Church and St Mary's By The Sea Catholic Church. There were several events I witnessed that confirmed his information.

- Around the Spring of 2019 Sacred Heart Catholic Church hired a man to “build up” the Church’s children’s program. Unnamed individuals at the Church shared this with me. They were concerned because this man grew the program from about 10 children to over 100. Those reporting told me that none of the children were from our area. They were all Mexican and none of them spoke English. About a week before Charlie moved to Tillamook, the Church laid off this man and brought on a new one. The same week Charlie moved into town, all the children mysteriously disappeared. No news of this came forward. I reported to (Unnamed Gov. Contacts) and feel no one looked into it.
- In 2020, I went to the Tillamook Theatre with my children. While in line to buy tickets, there was a younger skinny man with two children around age 10 standing near us. One child was a girl, the other a boy. After we had our tickets and went to sit down, I noticed the boy had disappeared. I had not seen him go out the front door and he was not in the bathroom. The Theatre had one bathroom and the door was wide open with no one in it.

As we sat through the trailers, the girl and (her dad) got up over 20 times. I thought this was very odd. At first, I thought maybe she was a child with some sort of disabilities but the situation got stranger. Finally, I got up to see if he kept taking her to the bathroom, but they were not in the bathroom or the front of the theatre. I saw the theatre staff looking concerned. So, I began talking to them and asked where the girl and her dad had gone. They said they thought it was the empty building next door. They told me the little boy had come in and ran through the theatre to the back door and had gone out that door. That door was the only way to access the back door to the building next door. That building to the right of the theatre is one of 5 entrances in the basement to the tunnel System under Tillamook. The Theatre staff informed me that they had contacted the Tillamook Counseling Center and that someone from there was on their way. As I walked outside, I looked toward the building next door and

outside the front door, hunched down was a man in a long leather trench coat smoking a cigarette. This man was not a member of our small-town community. He is what the System calls a wolf. Someone used to sit at a certain location and to watch and provide look out services.

In my conversations with Michael Santos, I had made an agreement that if I had a problem, I would go directly to him to deal with it. I went to his shop the next morning and he hid and refused to come out to speak with me. He locked his business, the Voo Doo Vapor Shop, door behind me and from that day forward would not have any contact. As I walked home, I had three police cars and several men from the local bar who kept a look out on the Voo Doo Vapor Shop follow me home to make sure I went home.

C) PARTNERS Current believed trafficking connections. I testify that in 2018 I began to see information connecting that led me to evidence and supports that show the following individuals working together for the purposes of Child Trafficking and use in Government Experimentation. In the Luciferian Brotherhood System, there are two types of children. The first they call "Expendables". These are the children that make the System money through sex trafficking, ritual killing, becoming diamonds, and eventually their remains end up being sold to Food Companies to go into our food products. The second set of children are the hierarchy children. These are children chosen for specific positions within the System to keep it running and operating. These children usually are born into Bloodline families and go through a series of programming, grooming, and apprenticeship relationships with adult Brotherhood members to be trained for their specific positions. I believe the connections in this Affidavit support the trafficking of hierarchy children.

Notice financial officer...Charles Best....hmmmm.... any relation to Daniel Best, or alias for Charles Esmund Bulmer aka Charles Bower aka of the Herefordshire Bulmers in the UK and part of British Embassy

Remember, Donorchose.org connected to Bright Space, connected to Sullivan Solar Companies and Climate Action, Connected to Global Action Climate, connected to Gores and Clintons. Charlie Bowers and his wife Tifany are Co-Owners with Brian Sullivan in the Sullivan Solar Companies. I believe that they also have a headquarters in Barbados. Barbados is about 40 minutes away from St Lucia Catholic Church off the Padre Islands in TX and just over 2 hours from Haiti. This area off Port Isabella, TX is one of the key areas and Churches used by the former Queen Mother of Darkness, Clara Odelia Acker Church.

This is important because this is part of the illegal abduction cases thru CPS in USA and England and other countries for kids being sold to Illuminati/Cabal/Brotherhood occult.

Anyway, one more thing about all this...I had shared how Howard Palmer Bulmer was a big financial backer for many medical centers and many of these Global energy programs...anyway, I have a source that says the Bulmers also are relocating to Barbados this week...going to try to get some evidence that says that...otherwise source is a personal contact individual who is family with them both the Bowers and Bulmers. We have been gathering evidence that these Illuminati individuals are involved in a trafficking ring out of Carlsbad CA, using the Sullivan Solar Energy Company and their connections to Herefordshire UK and the British Embassy.

- Sullivan Solar: (Exert from my research into my own family history and connections I was finding with those I believe are part of the Luciferian Brotherhood in Carlsbad, CA and Tillamook, OR.

"Look into Sullivan Solar Energy and Climate Action (which used to be named Global Warming Foundation with Al Gore) That will take you to an event they just had last month in Herefordshire UK (Search Herefordshire Orchard

financials....and Howard Palmer Bulmer Foundation or Howard Palmer Charitable Trust.) How many hospitals does the HP Bulmer Foundation or other support in the USA and internationally? (Hospitals use EPIC charting program out of Ashton WI to do DNA testing for spiritual gifts....if child has high gifts CPS and Bright Space Foundation used to do medical kidnapping)....All this will lead you to a school in Carlsbad CA called Magnolia Elementary...Charles Bower is co-owner with the Sullivan's and also owns a law firm and other businesses...his real name is Charles Bulmer....school just got space donated by Donorchose.org which is connected to Bright Space Foundation which is connected to Bill Gates and Clinton Foundations and to DARPA. Charles Bower/ Bulmer and Sullivan's have complete immunity from British Embassy...travel doing their solar conferences from USA to UK and Australia. Believe these are really child auctioning and trafficking events... Look up Rainbow Bridge....[alumni.gcc.edu](http://alumni.gcc.edu). Rainbow Bridge and Crimson and Wolf are terms used by traffickers...these alumni of Grove City College also highly involved families in Illuminati...(Church, Miller, Acker, Wagner, Sullivan, Cooper, Mueller, Huber). How many are there?

Event this weekend that needs prayer: Sullivan Solar Power Oct 20th 11am-12pm at Magnolia Elementary 1905 Magnolia Ave Carlsbad CA 92008

Why I think this is a trafficking event:

There are a whole bunch of interconnections between this school, individuals directly connected to it and the city of Carlsbad, and information that is already established as being linked to trafficking. So here are the connections....

Sullivan Solar Power is affiliated with Climate Action....many of their events are hosted together. Climate Action is also known as US Climate Action Partnership an offshoot company of Global Climate Coalition. The company is owned by Daniel Sullivan who

also is cousins with Brian Sullivan (who has over 33 aliases) and has been connected not only to Jonah Rief Kidnapping but multiple DF Title IV -D cases. Daniel and Brian Sullivan own Jane Wesley Brooks Law Firm in San Diego CA. Daniel Sullivan also has an offshoot of his company called Chabad Solor program (see Sullivan solar [power.com](http://power.com)). Chabad Solar is also connected to Climate Action and Global Climate Coalition and Al Gore and Clintons who are financial investors in Sullivans companies.

This school also recently had an outdoor space completely funded thru Donorschose.org. This group is sponsored and connected to not only the Bill Gates Foundation but also the Clinton Foundation and DARPA. The company originally stems from NY. Now why would a nonprofit that raises money for schools to have whatever they ask for be connected with DARPA?

I believe the connecting piece lies with one of the Carlsbad PD Seargent Charles Bower aka Charles SinderCombe Blumer. Not only is he a brother-in-law to Tammy Rief whose child Jonah Rief was kidnapped thru DHS system three times and then sold to Illuminati, but he also is a business partner with the Sullivans. He also is very connected and active with hosting events at Magnolia Elementary in Carlsbad. Charles formerly worked with ex Disinformation Special Agent Bill Heam and Joseph Trevors and has connections to GCHQ and Timothy Sullivan who works for British Embassy. Also connected to H.P Blumer or Howard Blumer and the Howard Blumer Trust Fund.

The Howard Blumer Trust Fund is one of the major sponsors for the Bright Space Foundation also known as the Bright Horizons Foundation. These foundations work directly with DHS, prisons, hospitals, Head Start, and homeless shelters to create what they call bright spaces or learning environments for children. Magnolia Elementary's fifth grade class just got their requested outdoor Bright Space at the beginning of this month.

On Oct 13th and 14th 2018 Bright Space Foundation in conjunction with other Solor Energy Foundations had an event in Herefordshire UK under the Herefordshire Green Network. Bright Space also has international connections with North Ampshire UK and the Duke of Kent. The Duke of Kent's relative Laurie Cabot Kent was one of my direct abusers and teachers in witchcraft in the Luciferian System.

Sullivan Solar Power was involved in a convention on Oct 15th in Irvine CA at Irvine Museum. (See Exhibit I)

Since these individuals have immunity...guess from where...the British Embassy thru connections with GCHQ....I believe these foundations and individuals have been using their connections to coordinate and facilitate the trafficking of children that have high level DNA from the 13 bloodline families, as well as setting up training centers to access these kids spiritual gifts in the places they traffic them to. This is plausible. When I went thru testing it was in the class room setting. A group of us five-year-old kids sat in a circle forming an outer ring around a inner circle of occultic objects. Each child got to get up and pick an object, set it back in the circle, and then sit back down. Depending on the object you picked told the mother of darkness what type of witchcraft you were most drawn to...this information helped her decide whose successor you would be. They try to link each hierarchy child with an individual with as closely matched spiritual gifts and put that individual in charge of the child's overall program and training for their position in the Illuminati.

I believe this testing and selection process is what is going on and these companies working with DHS and other Foundations can get these kids wherever they want them. I witnessed similar things occurring at the ages of 4 ½-10 in the Chicago, IL and various

WI areas. (Primarily Spring Green, Baraboo, Madison, Blue Mounds, Mt. Horeb and Verona areas) Keep in mind that in the early 1900s Luis Sullivan out of Chicago, IL was one of seven financial backers (along with my relative William Winslow) who paid Frank Lloyd Wright to build the Chicago area and homes in the Midwest to Masonic Specifications. I witnessed Frank Lloyd Wright homes being used in IL and WI for child auctioning for trafficking.

I believe that if the above identified events were used for child auction that the auctioning would occur as I have described in previous testimony about the Lone Rock/Spring Green, WI areas. There will be groups of kids with an adult or since the fifth grade class are ten year old's and fully trained in their positions now, they may be set up in big brother or sister pairs....they will be funneled from different stations...there will be an adult woman or man who will make a hand sign or head shake to signal a child selected....they will point them out....and may give key words that will be dual language as to where child will be going or what occultic dept they will be heading into. The main concern is the connections with DARPA and AEROSPACE.....

- FURTHER INDIRECT CONNECTIONS from my research notes.

“Snippet #7 is also an important one, as a Daycare was involved as well that Judge Gregory Pollack falsely ORDERED Jonah to be in when Tammy didn't need a daycare to care for her child. Brian Sullivan was actually part owner of Carlsbad Country Daycare, under a company called "Kelly Ranch LLC, along with Melissa Reed Murphy's relative Eric Murphy), and Denis Nolan/ #2 Denise Glaser/Denise Wallick made the phony court payments to the Director Melissa Reed Murphy of CCDS, whom was involved also. Denise did this to play engaged girlfriend, facade fake family setting for a false appearance in the courts on paper in a phony Custody battle. The Carlsbad Country daycare in Carlsbad was also involved in SRA Abuse of Jonah as well as others. Many trusted daycares are actively involved in the programming of children involving MK

ULTRA. Even the phony daycare teacher Jonah had Ms. Shinaye Daneowitz was a child programmer, whom actually was an intern for the San Diego D.A.'s office under ADA Jill Lindberg, whom was officially under San Diego main D.A. Dirty Bonnie Dumanis, running all of this under former Attorney General Kamala Harris. (Note: One of my main High Priest Abusers in my Testimony is Msg Thomas Grady from Cathedral of St Peter and the Rockford, IL Arch Diocese. Grady's mother's maiden name was Nolan.)

This is a tough job....don't know how you sort out all this or what it all means...hope some of this may be helpful....

C...please send to T...contains personal info, have her look over and decide if she wants that in there. Otherwise, lets bring this forward...may have more names to add from this list, waiting for another person to return...

So from section:

<https://file.wikileaks.org/file/blood-and-honor-database-2009/list.html>

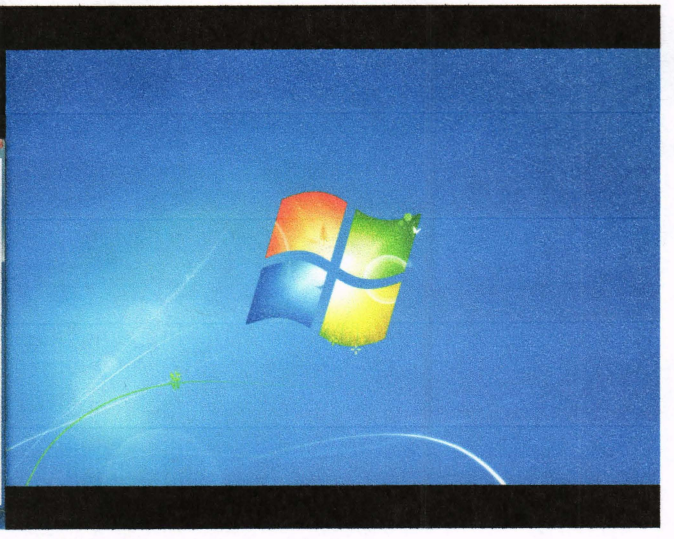

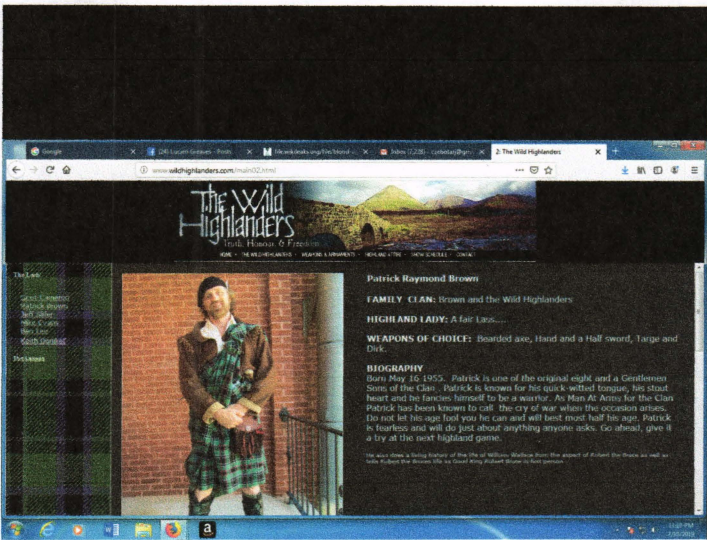

First mentionable note: From Advocate Team JC. Direct insider source RH confirms, there is a group called the Wild Highlanders. This group is part of the Scottish Rite Wolves. Wolves are another term for a specific group of assassins within the Illuminati who work directly underneath the Satanic Council. Their job is to assassinate high ranking members who defect out of the Illuminati. These assassinations usually occur in what the Pack ( a group of wolves) call "Hunting Parties." I have new info from source who is former wolf that the Wild Highlanders are a traveling group and do wolf reenactments in FL, CA, CO, GA, PA to name a few states.

<http://www.wildhighlanders.com/history.html>

Source confirms that cousin Patrick Brown listed on site is also a Illuminati wolf. Source has identified Charles Bower aka Charles Sindercombe Bower as a wolf. Charles Bower is owner of Chateau De Pac (Advocate JC and Source RH) have identified this home as an underground Pack house for wolves were they do training and occultic gathering. JC believes the Pack is one of the ways the Illuminati if safely trafficking children. The handlers are given Pack members to defend and protect them during times of US and International trafficking because their movement follows several of areas of known trafficking trails.

This is their coat of arms:

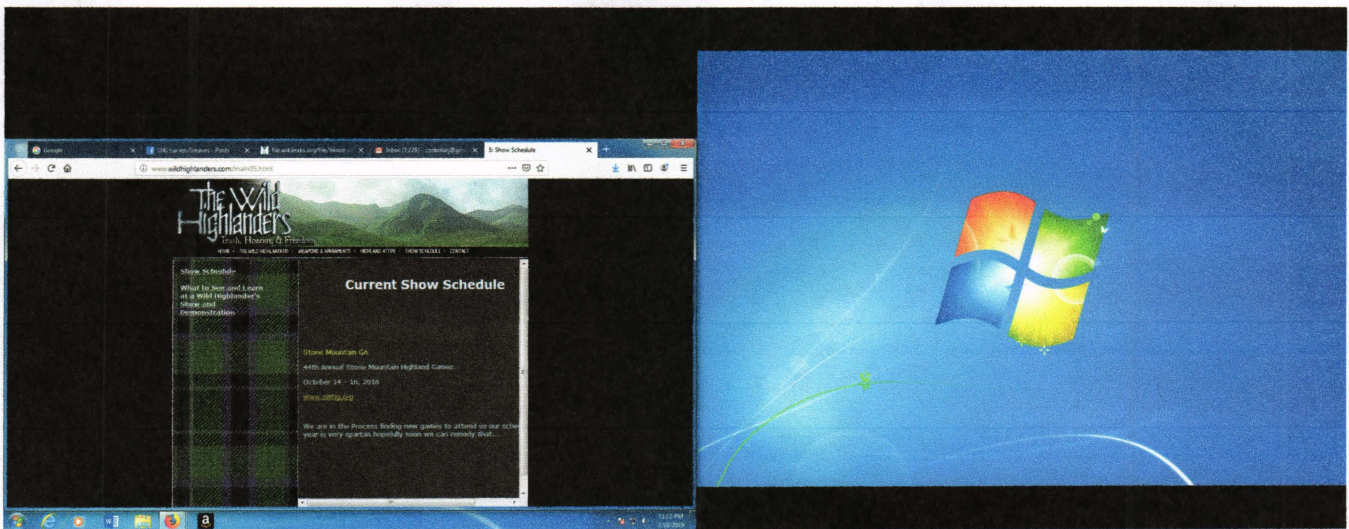

Picture above of Charles Bower. (Advocate T confirms he is gov employee, and connected to Case J) Source RH also confirms he is member of Wild Highlanders and is a friend of Patrick Brown.

Upcoming possible trafficking event. Birthdays are important to the Illuminati. October 12th is Aleister Crowley's birthday. Usually sacrifice rituals are celebrated on those days. Other events that usually happen this week are St Michael Mass (another ritual date) on Oct. 10 or 11th....and then the two weeks before Oct 31st is abductions of children who are held before rituals that occur on Oct 31st. Watch for events going on in these time periods that include words MOCA (this is usually presented as an art event where Illuminati gather and eat live flesh).

Know the players in the game, follow the players and find the trafficking trails. So, there are several names in the list above blood and honor that may be wolves. I will say, I believe this is list of names for all wolves in Eastern Quadrant....These ones caught my attention....Werewolf88, Highlander East Coast, Invicta88 (Invicta is the Latin word meaning Invincible.), Gorehound, Blood and Honor France, werewolf 28, highllander 28, whitewolf 428, highlander\_828, wolf28, Grosvold, Wolfpack, Landser 28, Firewolf 122, Timberwolf, Poseiden (This is name of biochemical weapon Illuminati have that targets those who have been vaccinated and brings death.) Biowulf 88, Lord\_werewolf, Beowulf357, Club 28 may be code for Philadelphia location...this would be in Eastern Quadrant.

Thank you for your steadfast prayers and godly guidance  
 I don't think I tell you enough how much you have impacted my life  
 But don't get a big head about it...lol  
 I know it is Christ living thru you...  
 Thank you for your daily surrender to let Him do so, it does not go unnoticed

(For Safe Keeping)

So this is the matter of which I am in need of much prayers over...thru many conversations some connections and dots have been connected....these dots led to a series of events this month which I believe are not regular child trafficking events but hierarchy child trafficking events...I believe the individuals named are working together to supply these hierarchy children to the Illuminati.

Event this weekend that needs prayer: Sullivan Solar Power Oct 20th 11am-12pm at Magnolia Elementary 1905 Magnolia Ave Carlsbad CA 92008

Why I think this is a trafficking event:

There are a whole bunch of interconnections between this school, individuals directly connected to it and the city of Carlsbad, and information that is already established as being linked to trafficking. So here are the connections....

Sullivan Solar Power is affiliated with Climate Action....many of their events are hosted together. Climate Action is also known as US Climate Action Partnership an offshoot company of Global Climate Coalition. The company is owned by Daniel Sullivan who also is cousins with Brian Sullivan (who has over 33 aliases) and has been connected not only to Jonah Rief Kidnapping but multiple DF Title IV -D cases. Daniel and Brian Sullivan own Jane Wesley Brooks Law Firm in San Diego CA. Daniel Sullivan also has an offshoot of his company called Chabad Solar program (see Sullivan solar [power.com](http://power.com)). Chabad Solar is also connected to Climate Action and Global Climate Coalition and Al Gore and Clintons who are financial investors in Sullivans companies.

This school also recently had an outdoor space completely funded thru [Donorschose.org](http://Donorschose.org). This group is sponsored and connected to not only the Bill Gates Foundation but also the Clinton Foundation and DARPA. The company originally stems from NY. Now why would a non profit that raises money for schools to have whatever they ask for be connected with DARPA?

I believe the connecting piece lies with one of the Carlsbad PD Seargent Charles Bower aka Charles Seymour Combe Blumer. Not only is he a brother in law to Tammy Rief

whose child Jonah Rief was kidnapped thru DHS system three times and then sold to Illuminati but he also is a business partner with the Sullivans. He also is very connected and active with hosting events at Magnolia Elementary in Carlsbad. Charles formerly worked with ex Disinformation Special Agent Bill Heam and Joseph Trevors and has connections to GCHQ and Timothy Sullivan who works for British Embassy. Also connected to H.P Blumer or Howard Blumer and the Howard Blumer Trust Fund.

The Howard Blumer Trust Fund is one of the major sponsors for the BrightSpace Foundation also known as the Bright Horizons Foundation. These foundations work directly with DHS, prisons, hospitals, Head Start, and homeless shelters to create what they call bright spaces or learning environments for children. Magnolia Elementary's fifth grade class just got their requested outdoor BrightSpace at the beginning of this month.

On Oct 13th and 14th 2018 BrightSpace Foundation in conjunction with other Solor Energy Foundations had an event in Herefordshire UK under the Herefordshire Green Network. BrightSpace also has international connections with NorthAmpshire UK and the Duke of Kent.

Sullivan Solar Power was involved in a convention on Oct 15th in Irvine CA at Irvine Museum.

Since these individuals have immunity...guess from where...the British Embassy thru connections with GCHQ....I believe these foundations and individuals have been using there connections to coordinate and facilitate the trafficking of children that have high level DNA from the 13 bloodline families, as well as setting up training centers to access these kids spiritual gifts in the places they traffic them to. This is plausible. When I went thru testing it was in the class room setting. A group of us five year old kids sat in a circle forming an outer ring around a inner circle of occultic objects. Each child got to get up and pick an object, set it back in the circle, and then sit back down. Depending on the object you picked told the mother of darkness what type of witchcraft you were most drawn to...this information helped her decide whose successor you would be. They try to link each hierarchy child with an individual with as closely matched spiritual gifts and put that individual in charge of the child's overall program and training for their position in the Illuminati.

I believe this testing and selection process is what is going on and these companies working with DHS and other Foundations can get these kids wherever they want them.

Remember, if this is an auction event it will most likely look like how I described the auctioning happening at Lone Rock WI. There will be groups of kids with an adult or since the fifth grade class are ten year olds and fully trained in their positions now, they may be set up in big brother or sister pairs....they will be funneled from different stations...there will be an adult woman or man who will make a hand sign or head shake to signal a child selected....they will point them out....and may give key words that will be dual language as to where child will be going or what occultic dept they will be heading into. The main concern is the connections with DARPA and AEROSPACE.....

The observatory and layout shapes have spiritual significance and are set up and positioned for optimal purposes...but not for enlightenment, rather opening spiritual gates...look into Cabal...(and yes, I purposely spelled wrong). You are going to want to look up 9th circle cult symbols and order of 9 angles. Usually these symbols are in close vicinity to a Jesuit order of the 9th circle...they are protectors of Illuminati High Level elites who participate in cannibalism. So look to see what Archdiocese or Catholic Church nearby...(if there are underground tunnels this Catholic building will be less than 14 minutes from observatory, compound, and military base.)

Also look at "seal of ashtorath". Lucien Greaves is a 9th circle protector, the images of his tattoos and the symbol they wear I sent you in the pics already.

Also connected to this is John Hagelin...see video "Dr. John Hagelin speaks on Yogic Flying and group meditation for world Peace." John Hagelin connected to Al Gore....Lucien Greaves also studied this subject, you can read under "Lucien Greaves archives Abnormal Sociology...study of Maharishi Effect."

This is not only observatory with "strange activity" going on....look up Observatory closure in New Mexico this year and in Antarctica. If you want to know what they are doing here, look up CIA declassified Star Wars Now Project April 24, 1984. Substitute some non quantum physic words in this article...potential =gifted child, electromagnetic field =witchcraft or circle of witches, magnetic field = demonic beings or dark demonic energy...what if this place is a training center for teaching children psychological warfare using black magic techniques to create human weapons?

Want to go deeper...look for connections with John Brennan and DARPA...(what if part of why Brennan was fired is for using this program to attack our president this year...think back to Q....think back to supposed accidental launched Missile story...exact code with satellite coordinates for launch was put up at an estimated 40 minutes before it was launched from Nellis Air Force Base off Brennan Rd in NV. Codes put up by Dionisia [I] [A] (@300XFELIA) in cohorts with Lucien Greaves and John Brennan. I only caught event because I was tracking a child trafficking trail and thought this was the designated location code named (Nelly)....read Star Wars Now...The light beams were not missiles...

Look into Sullivan Solar Energy and Climate Action (which used to be named Global Warming Foundation with Al Gore) That will take you to an event they just had last month in Herefordshire UK (Search Herefordshire Orchard financials....and Howard Palmer Bulmer Foundation or Howard Palmer Charitable Trust.) How many hospitals does the HP Bulmer Foundation or other support in the USA and internationally? (Hospitals use EPIC charting program out of Ashton WI to do DNA testing for spiritual gifts....if child has high gifts CPS and BrightSpace Foundation used to do medical

kidnapping)....All this will lead you to a school in Carlsbad CA called Magnolia Elementary...Charles Bower is co owner with the Sullivan's and also owns a law firm and other businesses...his real name is Charles Bulmer....school just got space donated by [Donorchose.org](http://Donorchose.org) which is connected to BrightSpace Foundation which is connected to Bill Gates and Clinton Foundations and to DARPA. Charles Bower/ Bulmer and Sullivan's have complete immunity from British Embassy...travel doing their solar conferences from USA to UK and Australia. Believe these are really child auctioning and trafficking events... Look up Rainbow Bridge....[alumni.gcc.edu](http://alumni.gcc.edu). Rainbow Bridge and Crimson and Wolf are terms used by traffickers...these alumni of Grove City College also highly involved families in Illuminati...(Church, Miller, Acker, Wagner, Sullivan, Cooper, Mueller, Huber). How many are there?

So last question....are the individuals in this group really of the religion they claim...or is the cultural belief about the religion they claim what protects them from people really knowing they are one of six secret illuminati occult training centers in the USA?

Sorry to send this via email but couldn't find how to attach pics on telegram.

I created a map with the home at center and went two directions. While Lynchburg had the most landmarks, the Amherst police were mentioned so I looked there too.

Things to know:

1. The home address I used took me on google maps to the same house as the address you gave me. 119 middleton same as 136 middleton heights lane.
2. Besides the drawn map I have included some of the google road maps and satellite maps.
3. There are a lot of wooded areas and high above the sites is the George Washington and Jefferson National Forest.
4. The pics include a close up satellite shot of the home address and a close up of the Masonic compound.

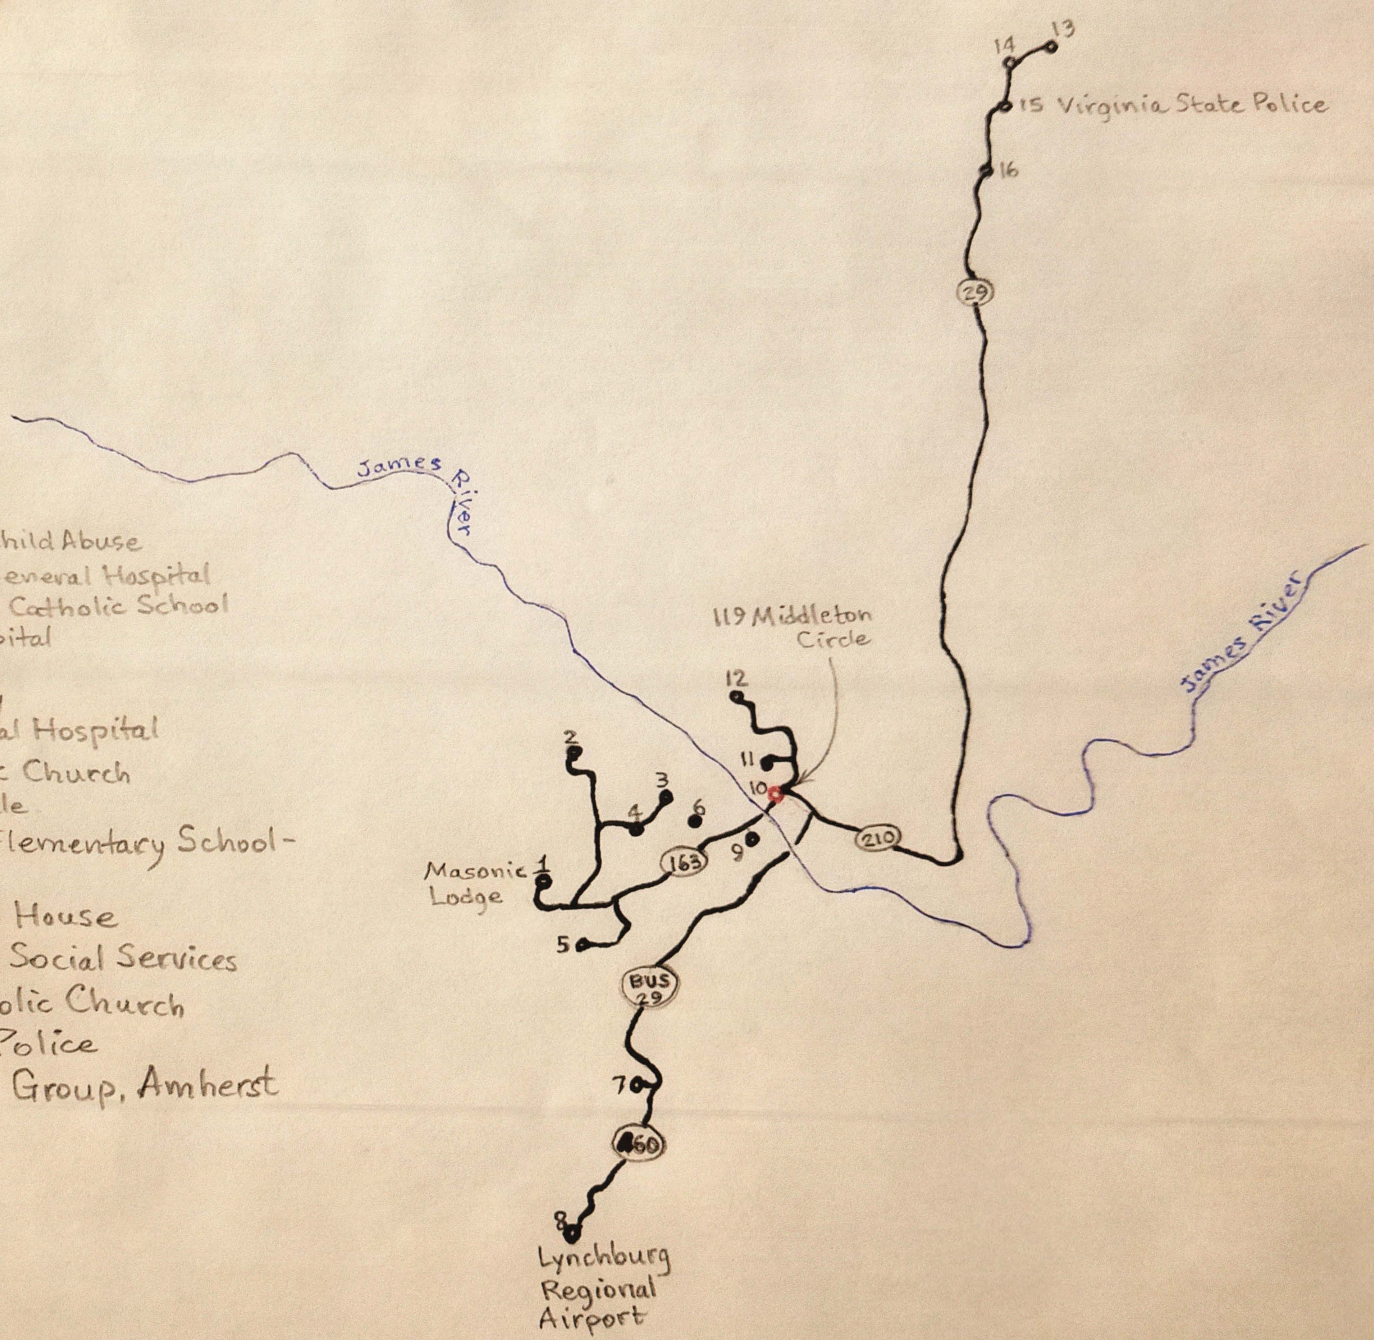

I looked into landmarks and historic places and industry but these sites seemed most likely.

Hope this helps.

Looks like SatanCon is coming to Scottsdale AZ.

Feb 11-13

Sanguaro Hotel.

Lucien loves to stir the pot and I may be 100 percent wrong but if I'm right he's trying to indirectly show us all those playing dirty in Scottsdale.

It's not just that the Scottsdale City Council would not let them come and say a satanic invocation. Look into those City Council members. Who sits on that council? Satan con is all about porn. Feb 11-14 is Satanic holiday of Laprocalia.

Do the 15 mile radius demographic using hotel as ground zero. Map out cities underground and people connected. I believe he's giving us the underground porn locations in the area.

Address for city council building is

3939 N Drinkwater Blvd

Scottsdale, AZ 85251

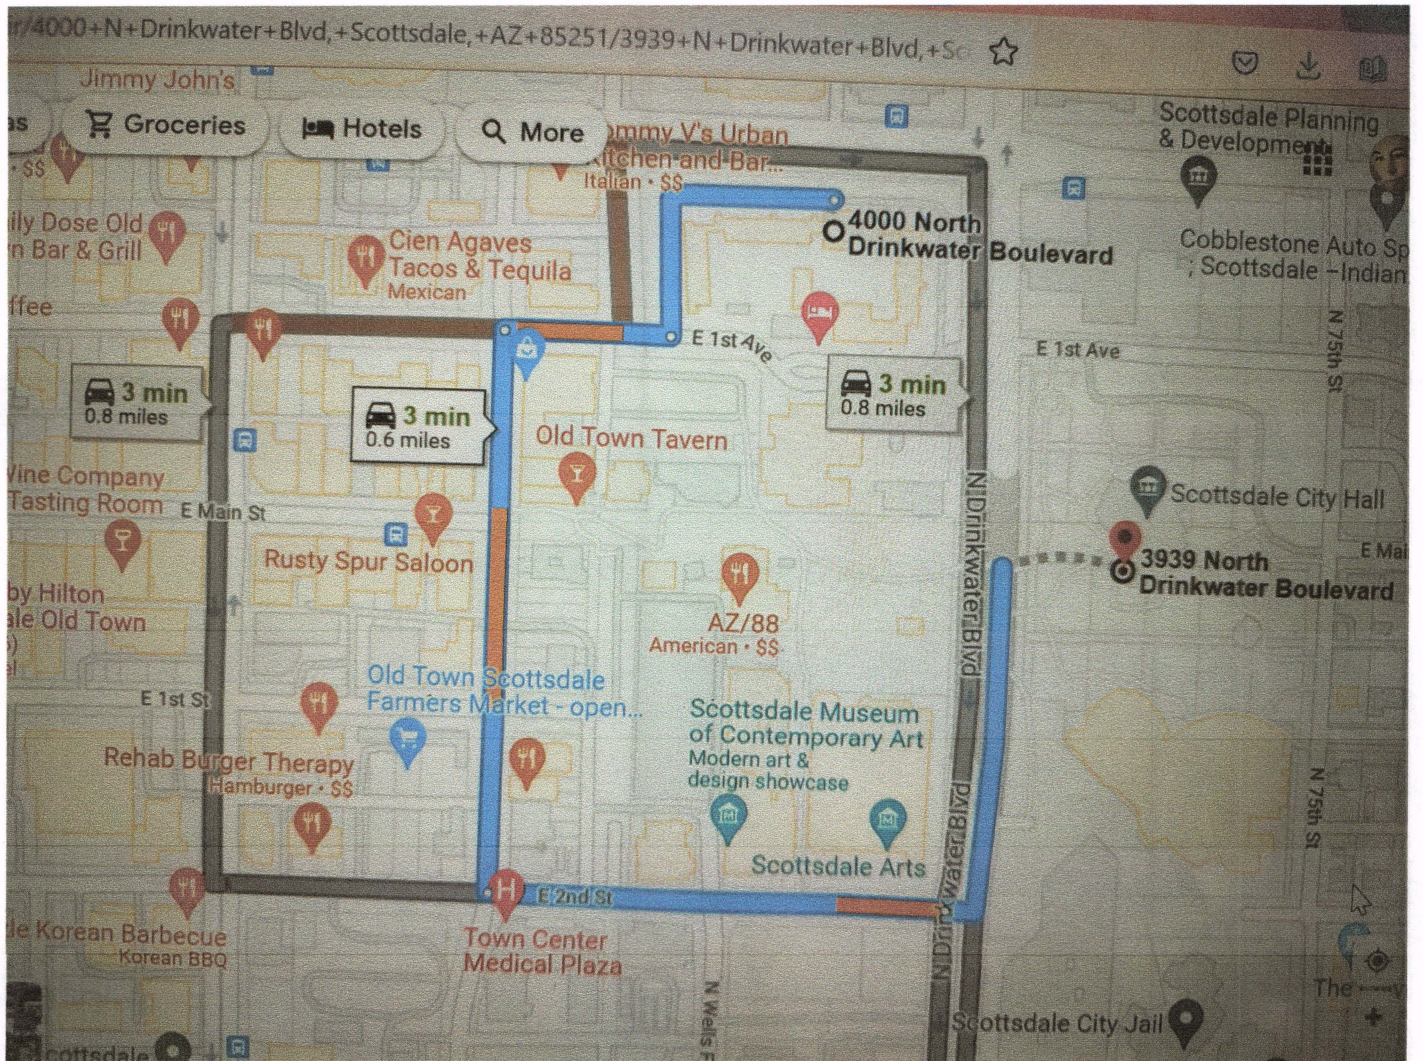

Address for Saguaro hotel

4000 N Drinkwater Blvd

Scottsdale AZ 85251

They are almost right next to each other, near a medical center and an Art Museum. Farmers markets are often used for quick sales of kids. All transactions done ahead of time with pick up at another location.

Thinking something underground there.

GD,

I'm gonna be honest, I'm not a military strategy minded warrior

However, all day yesterday the Lord had me in vision seeing some things that are so pressing I feel I need to share

All I have ever seen since I was a kid is the the enemy in the spirit world.

What I am seeing is a peripheral scene...I see ships of good guys for US facing out towards the Pacific and the Atlantic...like expecting invaders from outside...

And then, I see the enemy, inside the country...laying in wait for the opportune moment.

As I was thinking about oceans something came to mind. Between El Paso and Odessa TX there is a little place Van Horn TX. It is where the Pan Handle comes down and goes West and there are mountain ranges there. All this land is no longer owned by individual families who had those properties for generations, it was all bought up by the same person. I know there are only 2 things that are like gold in TX: Oil & Water...So I was thinking of the underground areas...Do you know that the Water under Van Horn is the Pacific Ocean? That caught my attention too...Is there a way for the enemy to have gotten underwater equipment under TX and already be in place? Is there a hidden DUMB in the Ocean Floor under these areas? An underground city?

I don't know how far this area is from Port Isabella...but St Lucia Church in Port Isabella is a common visiting place of my Proctor...She docked the family boat off this area for over 10 years...they also did many runs to Mexico from here...I'm thinking transportation and connections...Is there an underwater connection from Pacific to TX...and is there a connection from that middle area out to other side by Port Isabella to Mexico?

When I see the enemy in my visions...I see at this moment our Troops eyes are turned outward...I believe we need to be looking inward...

Thanks for listening to my ramblings...I promise not to make them a common occurrence...

Blessings,  
Jessie

Dear Christina and Lee,

My hope in contacting you is to get this letter to Tucker Carlson. This past week I had individuals notify me that Bishop Larry Gaiters is claiming he will be presenting information about me, my family, and ministry partners on The Tucker Carlson Show on December 2, 2021.

I am writing to inform you that I am a High Level Whistle Blower and targeted individual whose life is in danger due to the nature of information I have turned in Federally about child trafficking and the Luciferian Brotherhood System at Government levels. What I am sharing is considered "Confidential" and may only be shared with Tucker Carlson. My information and testimony are in Affidavits that are currently in on-going investigation stage by the US Military and there are many aspects of my testimonies that are not meant to be made public yet.

Bishop Larry Gaiters has spent the past few months publicly slandering, twisting, and giving out false pieces of information along with personal identifiable information about me and my children, family members and people I work with. This information has included pictures of the inside of my home and family members, addresses, cities, states, phone numbers, and other locatable information that those targeting can use to locate me and my minor children, as well as innocent family members.

On October 11, 2021, my 17 year old son was killed in an "accident" that is being investigated.

Because of the nature of the identifiable information, I am asking that you do not allow Larry Gaiters to share any information about me, my family, or my ministry publically. Please consider this a cease and desist. And if information is allowed publically to be presented, know that it will be added to my federal case against those who have endangered me and my children and family members. A notarized copy of this letter will be given to those investigating my Affidavits. Please contact me if you have any further questions.

Thank you,
