

Testimony of Jessie Marie Czebotar

1) I (Jessie Marie Czebotar) sworn under the pains and penalty of perjury claim the following facts to be the truth. And that I am of age, of sound mind, and competent to put these facts upon the record.

2) I would like to submit upon the record the involvement in the Luciferian Brotherhood of what is considered some of the Northern Circle individuals whose abuse and crimes against children I witnessed and experienced.

I testify for the record that these individuals named are members of one of the highest Orders of the Brotherhood as Initiates of the Flame. That Order is called the Order of Melchizedek. For the women their place in order is signified by the wearing of pearls and the color purple.

Individuals involved in Order of Melchizedek include:

Newt and Ambassador to the Holy See Callista Gingrich (Not in ritual spoken of)

Clara Odelia Acker Church

Bill and Hilary Clinton

Dick, Lynne, and Liz Cheney

James Danforth "Dan" and Marilyn Quayle

Former Vice President Mike and Karen Pence

John and Theresa Heinz Kerry

Cardinal/Archbishop Timothy M. Dolan

Archbishop John L. May

Archbishop Thomas Grady

Muammar Gaddafi

Dan Barker & Annie Gaylor of Free Thoughts Matter (Not in ritual spoken of)

Amy Comey Barrett (not present for this ritual and a child training with Callista Gingrich at time)

Anderson Cooper

Carter Vanderbilt Cooper

Gloria Vanderbilt

Cornelius Vanderbilt Whitney

Mary Lou Whitney

Oliver Stone

Fidel Castro (Not present at this ritual)

Several Unknown individuals (I don't remember any other specifics of who I saw at this ritual)

2. I testify that in 1982 at the Vanderbilt Biltmore Mansion Asheville, NC in their "Indoor Pool" or "Boat Cleaning" area that I witnessed the 12-year-old Ritual of Blasphemy Ceremony.

- a) The 12-year-old Ritual of Blasphemy is the first time the 12-year-old boys involved will become full pledged members of their inner circle group and the first time they "willingly" perpetrate crimes on others.
- b) The inner circle group are those whom you make your Brotherhood pact with. This pact means you are bound to these brothers and sisters and to keeping and covering up their secrets.
- c) Chronicle of abuse for the ritual. The ritual is considered a Grand High Climax Ritual. All Elite hierarchy children (those born into the System who are chosen to continue to run the System) must be in attendance. The ritual is performed over a three-night period. It is usually performed around July 27<sup>th</sup> or whatever weekend the Harvest Moon appears that year.
- d) The first night is made to look like a camp event for middle school age boys and girls. They stay at a Campground with Cabins. On Friday night, they are told by Camp Counselors that they are going to play a night game. The 12-year-old girls have been programmed to seduce the 12-year-old boys during this nighttime "Hide and Seek" type game. The goal is just seduction, the boys are kept from having sexual contact with the girls.
- e) The second and third nights are when the big ritual happens. All the adults in the particular inner circle the 12-year-old boys are being joined to will be present unless they have an approved excuse.

3) I testify for the record that in July 1982 I witnessed the Blasphemy Ritual for the following hierarchy children.

Elon Musk

Sasha Stone

Michael Trudeau

Nathan Rothschild

Saif al-Islam Gaddafi

4) I testify for the record what I witnessed occur during the 12-year-old Blasphemy rituals.

a) I and my training partner Douglas John Killrush Mysecko were five years old. I was standing on the scaffolding on the left side overlooking the ritual area. My Proctor, the Queen Mother of Darkness, Clara Odelia Acker Church, stood to my left. My training partner and Protector Douglas John Killrush Mysecko stood to my right.

b) Along the two long sides of the pool there were ropes strung. There were 13 girls strung to these ropes. The ropes that hung from the sides of pool went underneath their arms. The girls were facing the wall, their hands tied behind their backs. Their barefoot feet were tied at the ankles to each other. The girls were all naked and about 8-12 years old. They were being set aside for sex magik and ritual consumption.

c) Half the 12-year-old boys were chosen for the second night of ritual, the other half went the third night. They only saw the boys they were with that night take their rituals. The first night I saw Nate Rothchild, Elon Musk, and Sasha Stone in ritual. The second night, Michael Trudeau and Saif al-Islam Gaddafi.

d) I remember the boys being strung upside down by rope by ladder area into pool. Their hands tied behind their back and their legs were tied together. The High Priests presiding over the ceremony stand on the scaffolding above them. The following three Grand High Quadrant Priests were present: Cardinal/Archbishop Timothy M. Dolan (St. Louis, MO), Archbishop John L. May (Chicago, IL), Archbishop Thomas Grady (Rockford, IL).

e) The Grand High Priests have a statue of Jesus which they connect a sexual device used by women in sexual intercourse. It basically is a dildo that a woman wears and then inserts anally, vaginally, or orally into her victims. The practice is called pegging. The Grand High Priests pour blood over the statue (not sure where it is obtained from before this). The Grand High Priests begin to chant, "Your duty is first to God, then to your brothers and sisters." They repeat this phrase over and over. As they repeat this phrase, they begin moving the statue and inserting the bloody dildo into the 12-year-old victims oral and anal orifices. (The statue of Jesus is later cleaned with urine and semen mix and placed back in the church to be venerated and kissed by devout parishioners.) All the sex in this ritual is done softly and gently. The goal is to bind the brothers and sisters to one another through intimacy and desire. All the women present wear these pegging devices.

f) After the boys are raped by the statue of Jesus the Grand High Priests continue to emphasize that one's duty is first to God and then to their brothers and sisters. At this point, those present who are part of the circle come in small groups and take turns raping the boys at the same time, inserting in all orifices at the same time. During this rape, there are pauses. During those pauses, each member in the circle will put their face close to the boy's face. They will say, "I am your brother. It is your duty to keep my secrets and it is my duty to keep yours. Are you my brother?" The boy will answer, "I am your brother." Up until this point, the 12-year-old boys are considered virgins. They may have been raped anally but it will be the first time they are allowed to initiate penetration upon a victim.

g) After the inner circle rape, while the 12 year old boy is being brought down from hanging the inner circle adults do various things to continue touching and arousing him. Slowly, all the adults but the Grand High Priests will ascend the ladder and watch from above. When only the Grand High Priests remain. They begin to direct the boys. First, they lead them in the blasphemy vow and towards the girls saying, "The Lord has given you a command, 'Be fruitful and multiply.' It is a sin to sow your seed upon the ground.

Be fruitful and multiply.” I watched as the priests drew the boys to insert their penis into girls. The adults in the scaffolding make noises that arouse the boy more. (I did not see it in this first ritual, but later learned that pills are given to the boys before the ritual to cause long term arousal.)

h) Next, while carousing, Grand High Priests give the boys shots of adrenochrome to cause psychosis. During a psychosis, the high dose of adrenochrome causes an intense anger and impulse to tear and rip human flesh apart. It is at this point, that the adults above summon high level demonic spirits. These spirits are welcomed to have their way. I saw them take turns entering the boys. As they did, the boys began raping the girls and got aggressive and vigorous until they began ripping the girls apart into pieces and consuming them. As they do this, the Grand High Priests join and shout blasphemies at Jesus and declare they are god.

i) I testify that the girls who are ritually killed are not drugged nor paralyzed during this ritual killing. In the end, only a mess remains. When the ritual is done, the adults subdue the boys and tie them down to wallow in the blood bath on the pool floor until the adrenochrome completely wears off. When the adrenochrome wears down, the Grand High Priests give the boys a drug that makes them forget consciously what has occurred.

5) I testify that Muammar Gaddafi threatened many times throughout my childhood that he would bring forth the secrets of the Northern Inner Circle. I would hear Clara Odelia Acker Church tell various members in this inner circle who were concerned to appease him by giving him the lives of individuals in his country he requested to set free from the System. Eventually, those set free would be murdered.

6) I testify that all five of the 12-year-old boys at this ritual partook in Government run experiments for the DOD, CERN, DAARPA, or HAARP. All 12 participated in Looking Glass. Elon Musk graduated looking glass to participate in Star Wars Now along with me and Douglas John Killrush Mysecko.

7) I testify that in 1982 while at Biltmore preparing for ritual prep, Douglas John Killrush Mysecko and I were playing chess in the hallway near the big stairs. Carter Vanderbilt Cooper came and sat down next to us and watched us play. At one point, he stated that he did not like his mother. He stated that she dressed them in girl dresses. He stated that he would never kill himself. He stated that he would get out (meaning out of the Luciferian System).

8) I testify that I believe there is an important connection between Msgr Thomas Brady (whose mother is a Nolan) and Ed Nolan who is known for Rainbow Bridge Club. I believe this connection was used to facilitate the trafficking of Jonah Reif. (See Exhibits A & B)

9) I testify that Msgr Thomas Brady died on December 9, 2020 and the Elite honored and paid homage to his long time service to Lucifer in the Super Bowl when they exalted Superbowl Star Tom Brady.

10) I testify that individuals running Cathedral of St. Peters (formerly known as St Peter's Church of Rockford IL) and the Rockford Archdiocese was aware of the Luciferian training for the Brotherhood System going on at the Church and covered up and "CONTINUE TO COVER UP" the Satanic Ritual Abuse to children.

Exhibit B: This is statement by Church showing they knew of complaints of various natures against Msgr Thomas Brady: "The Diocese of Brooklyn was recently informed that the grand jury reviewing the complaints against Monsignor Thomas Brady has decided not to pursue a criminal indictment against him. In light of this and following the directions of the Congregation for the Doctrine of the Faith in Rome, Monsignor Brady has been removed from administrative leave. Taking into consideration his diminishing health, however, he remains restricted from

public ministry.

As a Diocese, we remain concerned for the well-being of those who made the allegations against Monsignor Brady, and request that they be treated with dignity and respect. This has indeed been a challenging time for everyone involved, the young boys who presented the allegations, their families, Monsignor Brady and the entire Good Shepherd community. Most Reverend Nicholas DiMarzio, Bishop of Brooklyn, is committed to the protection of our youth, and takes seriously all allegations of sexual misconduct by a member of the clergy with minors, in full compliance with the United States Conference of Bishops' Charter for the Protection of Children and Young People. Let us reach out in compassion to all involved and pray for the healing of this parish community”

# Liz Cheney

**Elizabeth Lynne Cheney**<sup>[1]</sup> (/ˈtʃeɪni/ *CHAYN-ee*; born July 28, 1966<sup>[2]</sup>) is an American attorney and politician who has been the U.S. Representative for Wyoming's at-large congressional district since 2017. She was deputy assistant secretary of state for near eastern affairs in the George W. Bush administration and chaired the House Republican Conference, the third-highest position in the House Republican leadership, from 2019 to 2021.

Cheney is the elder daughter of former Vice President Dick Cheney and Lynne Cheney. She held several positions in the U.S. State Department during the George W. Bush administration, notably as Deputy Assistant Secretary of State for Near Eastern Affairs and Coordinator for Broader Middle East and North Africa Initiatives. She promoted regime change in Iran while chairing the Iran Syria Policy and Operations Group with Elliott Abrams. In 2009 Cheney and Bill Kristol founded Keep America Safe, a nonprofit organization concerned with national security issues that advocated the positions of the Bush–Cheney administration. She was a candidate for the 2014 election to the U.S. Senate in Wyoming, challenging three-term incumbent Mike Enzi, before withdrawing from the race. In the House of Representatives, she holds the seat her father held for a decade, representing Wyoming from 1979 to 1989.<sup>[3]</sup>

Regarded as a leading ideological conservative<sup>[4]</sup> in the Bush–Cheney-era tradition and a representative of the Republican establishment,<sup>[5]</sup> Cheney is a neoconservative, known for her focus on national security, her support for the U.S. military, a pro-business stance,<sup>[6]</sup> foreign policy views, and for being fiscally and socially conservative.<sup>[7]</sup> Cheney is considered one of the leaders of the neoconservative wing of the Republican Party<sup>[6]</sup> and was critical of the foreign policy of the Donald Trump administration while simultaneously voting steadfastly in support of its overall agenda.<sup>[8][9][10][11]</sup>

Cheney later supported the second impeachment of Donald Trump for his role in the 2021 storming of the U.S. Capitol.<sup>[12]</sup> Because of her stance on the Capitol riot, her impeachment vote and opposition to Trump's false stolen-election narrative, pro-Trump Freedom Caucus members of the House Republican Conference attempted to remove her

## Career

---

Cheney served as the sixth chair of the National Endowment for the Humanities from 1986 to 1993. In 1995, she founded the American Council of Trustees and Alumni, a think tank devoted to reforming higher education.<sup>[6]</sup>

She is a senior fellow in education and culture at the American Enterprise Institute for Public Policy Research. She also serves as a director of Reader's Digest Association, Inc. From 1995 to 1998, Cheney served as the co-host of the Sunday edition of CNN's *Crossfire*, replacing Tony Snow.<sup>[7]</sup>

Cheney served on Lockheed Corporation's board of directors from 1994 to 2001. She gave up the \$120,000-a-year position shortly before her husband's inauguration. She had served on the Lockheed board's finance, and nominating and corporate governance committees.<sup>[8][9]</sup>

In 2000, she was mentioned as a possible conservative female pick for Republican vice presidential nominee on the George W. Bush ticket. The appointed head of the nominating committee was her husband, Dick Cheney, then the CEO of Halliburton, who eventually emerged as Bush's choice.

As second lady, she repeatedly spoke out against violent and sexually explicit lyrics in popular music, including those of rapper Eminem, picking up on an issue that was originally made famous by former vice president Al Gore and his wife Tipper. She also criticized video game developers for similar content.<sup>[10]</sup>

On an October 10, 2007, episode of *The Daily Show*, Cheney stated her opposition to a constitutional amendment banning same-sex marriage. Her daughter Mary is lesbian and both Lynne Cheney and her husband Dick have publicly supported same-sex marriage during and after his vice presidency.

## Family

---

Lynne Cheney has been married to Richard "Dick" Cheney since 1964. They have two daughters and seven grandchildren. Their daughters are Elizabeth Cheney (born July 28, 1966), and Mary Cheney (born on March 14, 1969).

Lynne Cheney has one brother, Mark Vincent, who lives in Wyoming with his wife, Linda.

## Wyoming U.S. Senate seat vacancy

---

Cheney was considered a possible contender to complete the term of Craig L. Thomas as U.S. senator from Wyoming following his death in 2007.<sup>[11]</sup> A spokesman stated that she was considering the post but she never signed an application to become a candidate. Cheney herself acknowledged in a 2015 interview that she had considered running for the senate seat.<sup>[12]</sup> If she had won the seat, she would have become the first former second lady to be a member of the Senate since Muriel Humphrey was appointed Senator from Minnesota after her husband's death in 1978.
