ARRESTED SUDDENLY – AN INDEPENDENT INVESTIGATION OF TWO FIRST-DEGREE MURDER TRIALS UNDERWAY IN FLORIDA AND DELPHI, INDIANA (Pt. 1)

[pwsbuilder March 5, 2023](#)

INTRODUCTORY NOTE: With the obvious evidence of fraud in the 2020 Presidential Election, and the daily revelations of censorship and FBI interference with Freedom of Speech at Twitter, as well as collusion to plant fake news stories (e.g., Russia, Russia, Russia) with other mainstream news outlets, in conjunction with new information coming out through U.S. Congress and the Weaponization of the Federal Government subcommittee, along with continued explosions and disasters in **Ohio**, it is abundantly clear the American people are, and have been, under military style attack by a Foreign Power, and the mainstream news is providing support and aid to the attackers via controlled propaganda.

Mainstream news has engaged in wholesale deception of the American public to the degree it has become a matter of National Security.

The 'courts' and 'judges' and 'judicial system' have been identified as corporate constructs that have illegally and unlawfully partnered with corporate media and secret societies to use the legal system and the 'courts' of the United States of America to deceive We The People by turning the judicial process and court trials into media/movie productions.

This independent investigation into two First-Degree Murder cases is intended to provide the American public with a different perspective of 'evidence' in two major criminal cases that are unfolding in the United States of America right now.

Below... you will observe something called Freedom of Speech and Freedom of Press and you are about to witness it's power.

by Pentagon Pedophile Task Force on March 5, 2023 – USA

On November 15, 2020, Congressional Auditor Christopher Edward Hallett, CEO, E~Clause LLC., was murdered in his Ocala, Florida home.

Two weeks before his murder, on November 2, 2020, Hallett, a former resident of **Ohio**, and former Plaintiff against the STATE OF OHIO, filed documents into the U.S. Court in Florida's Middle District. Hallett was a loss-prevention specialist and was performing services for the U.S. Government under consent of U.S. Congress. Prompted by judicial corruption he suffered from in Ohio, Hallett initiated extensive investigations that identified an unconstitutional "fourth pillar" of the U.S. Government that had been created, and which had been diabolically developed into a complex evil system of fraud within the judicial and court system, and was being used to facilitate organized crime, human trafficking, child exploitation, COVID, and money laundering on a worldwide scale. Shortly after Hallett filed his documents in the U.S. Court, he sent a copy of the federal court receipt to his professional colleague, Randi Lynn Erickson, Minnesota. After Hallett's murder, Randi Lynn Erickson searched the U.S. Court's PACER system for the court records of Hallett's November 2, 2020, filing. Erickson discovered the files had completely VANISHED. Not even a file number existed. No trace whatsoever of the financial transaction between Hallett and the U.S. Court that was established through the receipt. After the receipt was published on TIMOTHY CHARLES HOLMSETH REPORTS, William Kevin Murtaugh, a media agent and operative of the **FBI**, Apopka, Florida, reported on his You Tube based news channel From The Desk Of Murtwitnessonlive that he telephoned the U.S. Court in Florida and spoke with the Clerk of Court about the Hallett receipt. Murtaugh reported that the Clerk of Court told him the receipt was *fake*. Murtaugh also published video footage of himself at the scene of the Christopher Hallett murder – shortly after the murder.

THE MURDER OF CHRISTOPHER EDWARD HALLETT

The murder of Christopher Edward Hallett, which occurred in the evening of November 15, 2020, was essentially solved immediately.

Police records show Hallett's houseguest and E~Clause colleague, Shannon Mutter Tanis, along with her minor daughter, identified another one of Hallett's E~Clause colleagues, Neely Petrie Blanchard, as the person who shot Hallett multiple times.

THE SHANNON MUTTER TANIS TELEPHONE CALL WITH TONY PELLEGRINO AFTER THE MURDER

In order for the STATE OF FLORIDA to bring First-Degree Murder charges against Neely Petrie Blanchard – the Prosecution would certainly have made absolutely sure their investigation was thorough, rock solid, and air-tight. An investigation by law enforcement of a murder should not resemble an investigation one might see in a case of, let's say, shoplifting. First-Degree Murder carries a death penalty, and a STATE should not spare any procedure, expense, or resource, as to be absolutely positive they have the right person.

Law enforcement's investigation into the Christopher Hallett murder looked more like the cops were investigating and charging someone who had been witnessed stealing a few cartons of cigarettes from a convenience store.

Recordings of a phone call between Shannon Mutter Tanis and Tony Pellegrino, California, took place very shortly after the murder (same day). The recording is/was not believed to be in the evidence or inventory of the STATE OF FLORIDA when it suddenly appeared online long after the murder and deep into the judicial process. The recording revealed Shannon Mutter Tanis openly stating she was NOT tested for gunpowder residue by detectives.

Based upon the testimony of Tanis and her daughter, Neely Petrie Blanchard was arrested the next day in Georgia.

The following facts have been sufficiently established.

- Shannon Mutter-Tanis claimed she could not get through to 911 for seven minutes, because, she said, her cell phone was from out of State
- Tanis was **NOT** tested for gunpowder residue
- Tanis refused to give law enforcement her phone and was allowed to keep it
- Tanis was placed in the back of a squad car but refused to let the officer shut the door because, she said, she was already cooperating – and the officers complied with Tanis
- Blanchard's arrest in Georgia was coordinated by **two deputy brothers** – one was a deputy in **Florida**, and one was a deputy in **Georgia** – they coordinated with their telephones to locate Blanchard at a gas station in Georgia and arrest her.

MAINSTREAM NEWS DUBS THE HALLETT MURDER AS 'THE QANON MURDER'

The murder of Christopher Edward Hallett was quickly converted by the mainstream media into headlines connecting the murder to a phenomenon called QAnon. On December 1, 2020, NBC news reported, "QAnon beliefs, promise of child custody help hang over deadly shooting – – – Witnesses told authorities that the woman accused of killing Chris Hallett shot him because she said he was conspiring with the government to keep her children from her".

THE DAILY BEAST BEGINS TO PROTECT THE WORLD-WIDE CRIMINAL ENTERPRISE AND HUMAN TRAFFICKING OPERATION THAT CHRISTOPHER HALLETT HAD DISCOVERED

In November 2020, Will Sommer, a writer for The Daily Beast, published a story that, although it was not the intention of the writer, would eventually reveal how a narrative had been carefully crafted and designed for publication to distract the public from focusing on the emerging facts regarding child exploitation, human trafficking, crimes against humanity, cannibalism, and an organized crime network that had been uncovered by Christopher Edward Hallett.

On November 17, 2020, Sommer tweeted a link to a story he wrote on August 16, 2020, entitled, "QAnon promotes Pedo-Ring Conspiracy – Now They're Stealing Kids". "This new QAnon murder marks a fatal turn for the QAnon kidnapping network I reported on in August. Victim Chris Hallett was a lead figure in that group, while the suspect allegedly kidnapped her own children with inspiration from Hallett's org in March," Sommer said.

For his story's cover photo, Sommer featured the faces of Timothy Charles Holmseth, Minnesota, and Field W. McConnell, Wisconsin.

Sommer's assertion that Timothy Holmseth and/or Field McConnell, and/or Christopher Hallett were/are involved in "stealing kids" was/is pure fiction that was cast as a form of media witchcraft onto the public by The Daily Beast. The most extensive thorough search and in-depth

analysis of all public criminal justice records, U.S. Court files, local court files, and any other records, will render absolutely NO (zero) records whatsoever that law enforcement, anywhere, ever, at any time, investigated Timothy Holmseth, Field McConnell, or Christopher Hallett for “stealing kids”.

In another article by Sommer at the Daily Beast, entitled “QAnon Believer Teamed Up With Conspiracy Theorists to Plot Kidnapping, Police Say”, the Daily Beast set forth a propaganda piece that pushed the same false claims about ‘stealing kids’. In the piece, Daily Beast accused a Colorado mother named Cynthia Abcug of kidnapping her own child. The publication was part of a larger plan designed to create the false appearance of a human trafficking operation by Hallett and others who supported or worked with him.

FBI and CIA OPERATIONS

Records and public broadcasts by [William Kevin Murtaugh](#), FBI/CIA operative, Apopka, Florida, published by Murtaugh on his You Tube channel From The Desk Of Murtwitnessonlive, show Murtaugh, who incidentally, is a dead ringer for the face shown in an FBI composite sketch published by the U.S. Marshals Service of **James ‘Whitey’ Bulger**, has been meeting with the FBI in Minnesota, Florida, and possibly other states, where he delivers presentations to special agents about Timothy Holmseth and others. Murtaugh spends hours with the FBI as he presents theories of human trafficking he says is being committed by Holmseth and others, that the FBI could potentially use to file fake criminal charges.

William K. Murtaugh, Apopka, Florida

Clear and convincing evidence easily shows William Kevin Murtaugh's YouTube channel is an online meeting hub where operatives gather in the chat room to discuss operations and receive instructions from Murtaugh. Murtaugh's productions appear to have the blessing of the FBI as Murtaugh is free to wear FBI and CIA logos while he presents news and defines himself as a "reporter".

WILLIAM MURTAUGH ASSISTS THE FBI AND TBI IN THE INVESTIGATION OF A PHOTO OF A "SHAVED PUSSY"

Murtaugh recently announced that he personally met with the FBI in Florida and worked with the Tennessee Bureau of Investigation (TBI), to solve a case involving a mysterious photo of a vagina that he received via interstate electronic communications. Murtaugh said the vagina picture, which was on his telephone, and that did not show the female's face, rather, only showed the crotch area of a small human frame with no pubic hair, small hips, and strange bruising, possibly a corpse, was positively identified by the TBI in Nashville as a porn actress. Murtaugh said the TBI searched the words "shaved pussy" and identified the name of the Asian female and determined she was an adult.

Murtaugh's representation of the TBI's interaction with the vagina picture is 100% false according to Timothy Charles Holmseth and Randi Lynn Erickson, who were both present when the TBI agents viewed the vagina photo. Holmseth and Erickson have both said Murtaugh is LYING.

THE DELPHI DOUBLE MURDERS OF ABIGAIL WILLIAMS AND LIBERTY GERMAN

The Indiana State Police investigating the Delphi Double murders of Abigail Williams and Liberty German, Ohio Attorney General Dave Yost, Ohio Governor Mike DeWine, Ohio FBI, as well as the attorneys for accused Delphi murderer Richard Allen, have all received the applicable information and evidence regarding the vagina photo.

THE JUSTIN FOLEY CHILD PORNOGRAPHY CASE IN OHIO

Randi Lynn Erickson contacted the investigator in the Justin Foley child pornography case/arrest that occurred in Ohio in August 2022, and asked the investigator to search the images they seized from Justin Foley – to see if there is a match to the ‘small’ vagina picture. Erickson has also requested the Indiana State Police rule out **Abigail Williams** as being the female in the faceless photo.

Clear and convincing evidence shows William Kevin Murtaugh’s network of operatives and agents is connected to ongoing events involving the Delphi Double murder case in Indiana where Abigail Williams and Liberty German were murdered in 2017.

Evidence shows the **same operatives** involved in the events that led up to the murder of Christopher Hallett in 2020, and the strong possibility that Neely Petrie Blanchard was framed for the crime, are also involved in the events that led up to the murders of Abigail Williams and Liberty German, and create the unique possibility that Richard Allen, the man charged with murdering Abby and Libby, may also have been set up to take the blame.

STATEMENT OF FACTS IN A RACKETEERING INFLUENCED CORRUPT ORGANIZATIONS ACT (RICO) CASE FILED IN TENNESSEE CONTAINS EVIDENCE CHRISTOPHER HALLETT WAS ASSASSINATED BY THE U.S.

GOVERNMENT, FACTIONS OF THE U.S. MILITARY, and FOREIGN MILITARY OPERATIVES DURING ONGOING TIER ONE (FBI/CIA) OPERATIONS ON AMERICAN SOIL BY SPECIAL FORCES AND NAVY SEALS

In 2022, Timothy Charles Holmseth filed Holmseth v. Page et al – 3:22-cv-00912 – Middle District of Tennessee. The case provides details of a racketeering enterprise that is so well-funded and connected it involves assassination squads of the FBI and CIA connected to the Chairman of the Joint Chiefs of Staff, General Mark Milley, retired Army General Michael Flynn, retired Vice Admiral Charles W. Moore, an FBI agent, and others. Facts and evidence show the Tier One Operations being run are connected to Tennessee, Florida, Ohio, Indiana, Wisconsin, Arizona, Georgia, South Carolina, Minnesota, Virginia, Texas, and other states.

Strong evidence exists that shows the STATE OF FLORIDA's First-Degree Murder case against Neely Petrie Blanchard is hopelessly flawed.

In sum and substance, the STATE OF FLORIDA alleges Neely Petrie Blanchard, acting alone, obtained a firearm and shot dead her beloved friend and colleague Christopher Hallett.

EVIDENCE APPEARS TO CAST DOUBT ON THE FIRST-DEGREE MURDER CASE AGAINST NEELY PETRIE BLANCHARD

This investigative series is being published for FREE to the world in the advancement of public safety and in the interest of National Security. The facts and circumstances being reported upon herein are matters of great public interest and importance.

This series will now begin a format of evidence presentation that pertains to the murder of Christopher Edward Hallett, and the First-Degree Murder charges against Neely Petrie Blanchard. The series will continue to publish one item at a time.

The reader/viewer is encouraged to use their own critical thinking and judgement and reach their own conclusions.

EXHIBIT # 1

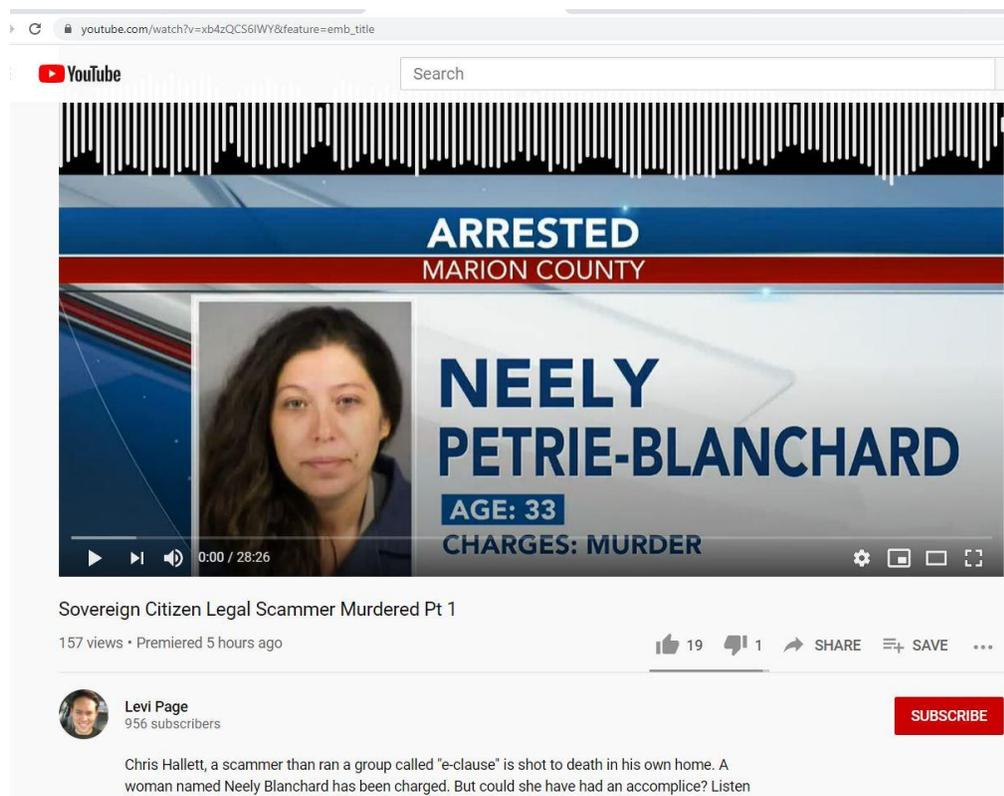

The first exhibit of this ongoing series and presentation is a comment made by a CNN and FOX NEWS contributor/associate named Levi Henry Page IV, Dover, Tennessee. Page has a strong Web presence on social media and hosts a You Tube program called "Crime and Scandal". He is associated with FOX NEWS' Nancy Grace.

Levi Henry Page's true and actual identity was not established for the world to see until Timothy Charles Holmseth filed Holmseth v. Page et al – RICO – 3:22-cv-00912 – Middle District of Tennessee. Ernie Rice, Rice Investigations, Tennessee, performed service of federal court documents for Timothy Holmseth to Defendant "Levi Henry Page". Rice Investigations properly served "Levi Henry Page" as requested by Timothy Holmseth. The man who accepted the documents did in fact state his name was Levi Henry Page. Upon learning from Ernie Rice, the age and size of the man he served with the documents, Holmseth realized there was no way that

was the Levi Henry Page who appears on television. Rice Investigations soon determined that Levi Henry Page is actually Levi Henry Page IV. His **father** accepted the documents.

Levi Henry Page IV is an associate of William Kevin Murtaugh and acts as an operative to push very specific agendas, that invariably implicate very specific targets, and serve to guide one's thoughts and beliefs, in high profile cases that involve crimes against children, kidnappings, and murder.

In the first exhibit screenshot below you will see Levi Henry Page IV announce the Hallett murder. "Chris Hallett is a scammer than [sic] ran a group called "e-clause" is shot to death in his own home. A woman named Neely Blanchard has been charged. But could she have an accomplice? Listen", Page said.

In this, the second exhibit screenshot, you will see Levi Henry Page IV is logged in to a chat room during a show called Kirks Law Corner on You Tube. The show, dated the day after Christopher Edward Hallett was murdered, is entitled "RIP Chris Hallett", and is hosted by Kirk L. Pendergrass, Idaho, a Due Process expert and agent of E~Clause LLC, who co-hosted shows with Christopher Edward Hallett. In the chat room you will see Levi Henry Page IV ask Pendergrass, "Kirk, what evidence was found in Neely's vehicle?" While this question by Page IV could be construed as innocuous, evidence to be shown further on in this series will show Page IV was likely high from 'Duper's Delight' and was taunting Pendergrass.

ARRESTED SUDDENLY – AN INDEPENDENT INVESTIGATION OF TWO FIRST-DEGREE MURDER TRIALS UNDERWAY IN FLORIDA AND DELPHI, INDIANA (Pt. 2) (PLANTING DNA IN MURDER CASES)

[pwsbuilder March 6, 2023](#)

by Pentagon Pedophile Task Force on March 6, 2023 – USA

On March 5, 2023, we published the first installment of our special investigative news series entitled “[ARRESTED SUDDENLY – AN INDEPENDENT INVESTIGATION OF TWO FIRST-DEGREE MURDER TRIALS UNDERWAY IN FLORIDA AND DELPHI, INDIANA \(Pt. 1\)](#)”

The foundational fact-pattern that created the need for this independent news series was set forth in Pt. 1 – Pt. 1. is **recommended reading** for first time visitors interested in this story.

ARRESTED SUDDENLY is an investigative journalism series that promises to show evidence, and name names, of U.S. Government operatives and operations that among other things, plant evidence and frame innocent people for crimes they did not commit.

The series will focus primarily on the First-Degree Murder cases against Neely Petrie Blanchard, Marion County, Florida, and Richard Allen, Delphi, Indiana.

WILLIAM KEVIN MURTAUGH, APOPKA, FLORIDA

Pt. 1 of ARRESTED SUDDENLY includes information regarding the actions and behaviors of William Kevin Murtaugh, Apopka, Florida.

Murtaugh is a media agent and operative of the FBI. Murtaugh wears FBI and CIA logos and a laminated FBI badge when he reports news.

William K. Murtaugh, Apopka, Florida

Facts and evidence show Murtaugh has been featured in mainstream news stories because of his suspicious activity and has involved himself in missing child cases; claimed to know the identity of a missing child's abductor; and even purchased an old news van which he used to shadow news crews during the Casey Anthony murder trial in Florida.

Pt. 1 of ARRESTED SUDDENLY also explained how Murtaugh has created an online meeting hub on You Tube where he provides updates regarding ongoing FBI/CIA operations, future plans, and gives instructions to operatives who congregate in the chat log section of From The Desk Of Murtwitnessone live.

William Kevin Murtaugh identifies himself as a 'poor' retired truck driver living in his trailer home and surviving on Social Security benefits. However, Murtaugh states he travels to the "airport" nearly every day. Murtaugh regularly announces to his chat room followers that he is going "wheels up". He frequently travels across the country, rents a car, has lodging, and has filmed himself meeting with the FBI in Minnesota.

Yesterday, within hours of Pt. 1 of ARRESTED SUDDENLY being published, Murtaugh logged into his Twitter account @MURTWITNESSONE and posted a message about Timothy Charles Holmseth. "WHY IS TIMOTHY CHARLES HOLMSETH PROTECTING CONFESSED MURDER AND ALLEGED PEDOPHILES? INVESTIGATION INTO HIS ACTIONS NEEDED. STAY TUNED," Murtaugh said.

TIMOTHY CHARLES HOLMSETH IS A WITNESS TO CRIMINAL ACTIVITY COMMITTED BY WILLIAM KEVIN MURTAUGH PERTAINING TO ‘PORNOGRAPHY’ AND VIOLATIONS OF 18 U.S.C. – 1503

Timothy Charles Holmseth is an investigative journalist, war correspondent, publisher, and credible FBI witness who is featured in Pt. 1. of ARRESTED SUDDENLY.

Timothy Charles Holmseth was present with Randi Lynn Erickson, Minnesota, during a meeting at the Tennessee Bureau of Investigation (TBI) in September 2022, where a suspicious photo of a ‘small’ ‘hairless’ *vagina* that appeared to show ‘strange bruising’ and was possibly a corpse, was viewed by agents of the TBI. The Indiana State Police investigating the **Delphi Double Murder** case, as well as other state and federal law enforcement in **Ohio** possess the photo. Murtaugh

publicly admits the photo was transmitted to him via interstate electronic communications. Murtaugh publicly reported on his FBI news show that he met with the FBI in Florida, communicated with the TBI in Nashville, and categorically stated law enforcement determined the faceless female in the vagina photo was an adult Asian porn actress that was identified by searching the words “shaved pussy”. He reported the case was “closed”. Holmseth and Erickson have said that Murtaugh is LYING and misrepresenting the TBI in his report.

PRESIDENT DONALD J. TRUMP DISCUSSES WEAPONIZED LAW ENFORCEMENT AT CPAC

President Donald J. Trump spoke at CPAC on Saturday, March 4, 2023.

During President Trump’s speech at CPAC, he talked about Rep. Adam Schiff publicly declaring that Trump’s son, Donald Trump Jr., was going to be put in “prison”. Donald Trump explained that Donald Trump Jr. was a completely innocent man – that he had done absolutely nothing wrong, and that Schiff actually and factually knew Donald Trump Jr. had done nothing wrong when he made his public statement.

Donald Trump has repeatedly warned the American public “these people are sick”.

Evidence shows President Trump’s use of the word “sick” does not go far enough when trying to explain the actions and behaviors of people like Schiff. Behavior such as Schiff’s may be classified as “psychopathic” under modern terms of psychology. However, such behavior is not fully understood until the spiritual aspect of the perpetrator’s actions are assessed, which will likely reveal Satanic beliefs and the involvement of demonic entities.

The idea that Donald Trump Jr. could be put in “prison” despite being a completely innocent man who has done nothing wrong is an ability that FBI/CIA operatives such as William Kevin Murtaugh, believe they have.

On March 2, 2023, William Kevin Murtaugh produced a presentation for his FBI/CIA-sanctioned news program From The Desk Of Murtwitnessonline. Murtaugh covered the Delphi Double Murder case.

Murtaugh was angry at Timothy Charles Holmseth because earlier that day (March 2, 2023) Holmseth published information on TRUTH SOCIAL regarding a new investigation by law enforcement in Kentucky, where detectives believed they may have found a connection between the Stephenson murders in Kentucky and the Delphi Double murder case in Indiana.

MEDIA RELEASE REGARDING BOONE COUNTY SHERIFF'S OFFICE

I'm being asked if detectives at the Boone County Sheriff's Office in Kentucky are investigating a Florida truck driver named William Kevin Murtaugh regarding the Stephenson murders, as well as any possible connection to the Delphi Murders.

I DO in fact have information regarding Boone County.

I can say the matter is multi-jurisdictional and involves the STATE OF OHIO.

I can confirm it involves Jessie Marie Czebotar.

TN LIGHTS then said, "**Timmy's DNA baby!**"

Mark Butturini said, “Timothy WAS THERE“.

The video content includes a man speaking and a graphic with the text "Timothy WAS THERE". The channel name "FROM THE DESK OF MURTWITNESSONE" and subscriber count "1.21K subscribers" are visible. The top chat shows comments such as "FROM THE DESK OF MURTWITNESSONE He is clearly insane" and "TN Lights Another crime we will frame Timmy with! DNA baby!".

As the discussion of Timothy Charles Holmseth’s DNA is brought up, TN LIGHTS expresses an idea for how the FBI/CIA/Murtaugh can obtain some of Timothy Charles Holmseth’s DNA. “Murt can implicate Timmy and then ask law enforcement to go get his sample“.

On March 5, 2023, we published the first installment of our special investigative news series entitled “[ARRESTED SUDDENLY – AN INDEPENDENT INVESTIGATION OF TWO FIRST-DEGREE MURDER TRIALS UNDERWAY IN FLORIDA AND DELPHI, INDIANA \(Pt. 1\)](#)”

The foundational fact-pattern that created the need for this independent news series was set forth in Pt. 1 – Pt. 1. is **recommended reading** for first time visitors interested in this story.

OVERVIEW

This investigative news series explores facts, information, and evidence, that points to organized crime and connections between the murders of Christopher Edward Hallett, Ocala, Florida, and the murders of Abigail Williams and Liberty German in Delphi, Indiana. Evidence, which is not reported by mainstream news, and/or is suppressed from public view by gag orders issued by courts, shows the same names keep coming up in kidnappings and murders all over the country. Those names come up in the Hallett and Delphi murders. Evidence shows Neely Petrie Blanchard, the woman accused of murdering Christopher Hallett, may have been framed. Likewise, evidence shows Richard Allen, the man accused of murdering Abigail Williams and Liberty German may have been framed, as well. Evidence shows the murders, and the framing of a patsy was all done by the same group.

PHOTOGRAPH OF A SMALL FEMALE'S VAGINA, VOICE SAMPLES, AND A SIG SAUER HANDGUN

The Indiana State Police investigating the double-murders of Abigail Williams and Liberty German in Delphi, Indiana, the FBI in Ohio, Ohio AG Dave Yost, Ohio Governor Mike DeWine, other law enforcement, and the attorneys for accused murderer Richard Allen, have been provided evidence from Timothy Charles Holmseth. The evidence is in regard to the Delphi Murders in Indiana, and the possible link to the Justin Foley child pornography case/arrest in Ohio. Holmseth provided law enforcement a faceless photo of a small vagina that may be a corpse. Randi Lynn Erickson, Minnesota, has requested investigators determine the identity of the female, and *rule out* Abigail Williams.

Holmseth also provided law enforcement voice sample evidence for comparison to the voice recorded by Liberty German shortly before her murder, as well as evidence regarding a Sig Sauer handgun.

Holmseth provided evidence to law enforcement that would suggest William Kevin Murtaugh, Apopka, Florida, and his Web/chat moderator John Taylor (a.k.a. firemanjohn628), Duffield, Virginia, be investigated. John Taylor is a moderator in the chat room of From The Desk Of Murtwitnessonline on You Tube.

JOHN TAYLOR (FIREMANJOHN628), DUFFIELD, VIRGINIA SOUNDS LIKE THE VOICE THAT SAID "GUYS, DOWN THE HILL" RECORDED BY SLAIN CHILD LIBERTY GERMAN WHO WAS FOUND MURDERED IN DELPHI, INDIANA IN 2017

There is a video published on a Bitchute channel called THE_HIGH_COMMAND entitled [LOOK-A-LIKES USED IN DELPHI DOUBLE MURDER PLOT? FOR THE \[WALKING MAN\] & \[TALKING MAN\]](#) that presents evidence that John Taylor, Duffield, Virginia, sounds like the voice recorded by Liberty German shortly before she was murdered in Delphi, Indiana in 2017.

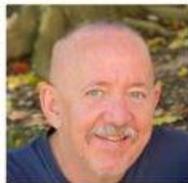

PREMEDITATION – SERIAL KILLERS ARRANGING IN ADVANCE FOR LOOK-A-LIKES TO BE NEAR THE CRIME SCENE TO THROW OFF INVESTIGATORS

The before-mentioned video presents evidence that shows the murders of Abigail Williams and Liberty German may have been carefully planned by out-of-state killers who arranged to have local look-a-likes in the area of the murder. The bodies of Abigail and Liberty were found on the property of Ronald Logan. Ronald Logan and William Murtaugh look almost exactly like each other. Law enforcement charged Richard Allen with two First-Degree Murder charges. Richard Allen looks very similar to John Taylor.

WHY DOES THE FBI'S FAVORITE DELPHI MURDER SUSPECT RON LOGAN...

LOOK JUST LIKE NOTORIOUS CHILD CASE PREDATOR AND ALLEGED CHILD SERIAL KILLER WILLIAM MURTAUGH?

AND... WHY WASN'T THE FBI AT THE DELPHI MURDER PRESS CONFERENCE?

On March 6, 2023, we published the second installment entitled “[ARRESTED SUDDENLY – AN INDEPENDENT INVESTIGATION OF TWO FIRST-DEGREE MURDER TRIALS UNDERWAY IN FLORIDA AND DELPHI, INDIANA \(Pt. 2\) \(PLANTING DNA IN MURDER CASES\)](#)“.

The second installment showed very recent evidence of members of William Murtaugh’s chat room (which is moderated by John Taylor) blatantly saying they can plant Timothy Holmseth’s “DNA” at a crime scene. Evidence of organized crime discussing DNA and plotting to plant it at crime scenes has been secured and archived with the U.S. Courts.

For instance... evidence shows anonymous accounts were created on social media which were used to taunt and threaten Timothy Charles Holmseth, Randi Lynn Erickson, and others. In one threat, a poster suggested they had covertly obtained the DNA of Attorney Lin Wood. Wood is connected to Timothy Holmseth because Wood Tweeted about Holmseth to President Donald J. Trump on January 4, 2021. The Tweet was in regard to a MEMO to AG Jeff Session that detailed an international human harvesting operation involving cannibalism.

Evidence shows there is an organized group that takes great pride in their plans to frame innocent people for crimes they did not commit.

In this – the third installment of ARRESTED SUDDENLY – we are going to provide exhibit evidence that links William Kevin Murtaugh and John Taylor to each other, and to BOTH the Christopher Hallett murder *and* the Delphi murders.

EVIDENCE LINKS JOHN TAYLOR (FIREMANJOHN628) (VOICE OF MAN WHO SOUNDS LIKE THE MAN WHO SAID “GUYS, DOWN THE HILL) TO WILLIAM KEVIN MURTAUGH, THE CHRISTOPHER HALLETT MURDER, AND ACCUSED MURDERER NEELY PETRIE BLANCHARD

Christopher Edward Hallett was murdered in his Ocala, Florida, home on November 15, 2020.

The NEXT DAY... on November 16, 2020, William Kevin Murtaugh, Apopka, Florida, a media agent of the FBI, brought John Taylor, Duffield, Virginia, onto his FBI/CIA sanctioned news program From The Desk Of Murtwitnessonline to report on the murder of Christopher Edward Hallett.

William Murtaugh often reports his news wearing FBI and CIA logos including a laminated badge of the FBI.

William K. Murtaugh, Apopka, Florida

The screenshot shows a YouTube live stream interface. The video player displays a man with a beard (Chris Hallett) and a woman with blonde hair (Neely Petrie Blanchard) in a car. A red banner at the bottom of the video reads "CHRIS HALLETT" and "12/22/1969-11/15/2020". Below the video, the title "THE E-CLAUSE MURDER" is visible, along with the channel name "FROM THE DESK OF MURTWITNESSONE" and a "Subscribe" button. The video has 40 likes and 767 views. The chat on the right shows several messages, including "FROM THE DESK OF MURTWITNESSONE WELCOME TO THE CHAT", "Jusme Fraudbuster watching", "firemanjohn628 Yo Murt", "FROM THE DESK OF MURTWITNESSONE CALL FAILED JOHN", "firemanjohn628 Email me your number", "Certified Nobody howdy Murt!", "Jusme Fraudbuster just the facts", "firemanjohn628 Murt the area code is messed up on your number", "Certified Nobody WHAT HAPPENED??", "Certified Nobody W O W", "Certified Nobody thanks Alexandria", "firemanjohn628 MURT YOUR AREA CODE IS MESSED UP IN THE EMAIL", and "FROM THE DESK OF MURTWITNESSONE 407".

Taylor told Murtaugh during the interview that he PERSONALLY KNEW Neely Petrie Blanchard and had been working with her in matters regarding the custody of her children. Murtaugh and Taylor both expressed their disdain for Timothy Charles Holmseth, Randi Lynn Erickson, a Bitchute channel called THE HIGH COMMAND, and a group called the Pentagon Pedophile Task Force that was turning actionable intelligence over to the U.S. Military through a liaison (David Lester Straight who said he was with the U.S. Secret Service, serving on three Presidential Commissions under President Trump, and delivering evidence to the DoD and Joint Special Operations Command).

During the interview with Taylor, Murtaugh referenced his meetings with the FBI in Minnesota and said Timothy Charles Holmseth and others are under investigation by the FBI.

WILLIAM MURTAUGH AND JOHN TAYLOR PURGED SPECIFIC NAMES FROM THE CHAT LOG AFTER LAWSUIT WAS FILED IN UNITED STATES DISTRICT COURT

In 2022, Timothy Charles Holmseth filed HOLMSETH V. PAGE – 3:22-CV-00912 -RICO – MIDDLE DISTRICT OF TENNESSEE. The case includes three Complaints (two Amended) and goes into detail about the Delphi murders. The RICO action names individuals believed to be involved. The chat logs [secured/archived] of Murtaugh’s You Tube channel called From The Desk Of Murtwitnessonline have been scrubbed/purged of names of individuals who are named in the RICO action. During the November 16, 2020, show John Taylor repeatedly named and spoke out loud to specific individuals who were commenting in the chat room. Those names have been scrubbed. One of the names is “Levi Page”.

During the interview, John Taylor said the words “down the road”. There is a video on Bitchute entitled, “[LISTEN!!! NEW VOICE SAMPLE FROM DELPHI MURDERS \(GUY’S DOWN THE HILL\)](#)”.

The video is presented for the public to listen to John Taylor and William Murtaugh talking on November 16, 2020, and to compare Taylor’s voice to the voice recorded by Liberty German that said, “Guys down the hill”.

On March 5, 2023, we published the first installment of our special investigative news series entitled “[ARRESTED SUDDENLY – AN INDEPENDENT INVESTIGATION OF TWO FIRST-DEGREE MURDER TRIALS UNDERWAY IN FLORIDA AND DELPHI, INDIANA \(Pt. 1\)](#)”

The foundational fact-pattern that created the need for this independent news series was set forth in Pt. 1 – Pt. 1. is **recommended reading** for first time visitors interested in this story.

On March 6, 2023, we published the second installment “[ARRESTED SUDDENLY – AN INDEPENDENT INVESTIGATION OF TWO FIRST-DEGREE MURDER TRIALS UNDERWAY IN FLORIDA AND DELPHI, INDIANA \(Pt. 2\) \(PLANTING DNA IN MURDER CASES\)](#)”.

On March 7, 2023, we published the third installment, “[ARRESTED SUDDENLY – AN INDEPENDENT INVESTIGATION OF TWO FIRST-DEGREE MURDER TRIALS UNDERWAY IN FLORIDA AND DELPHI, INDIANA \(Pt. 3\) \(NEW AUDIO SAMPLE OF DELPHI BRIDGE GUY VOICE\)](#)”.

OVERVIEW

This investigative news series explores facts, information, and evidence, that points to organized crime and connections between the murders of Christopher Edward Hallett, Ocala, Florida, and the murders of Abigail Williams and Liberty German in Delphi, Indiana. Evidence, which is not reported by mainstream news, and/or is suppressed from public view by gag orders issued by courts, shows the same names keep coming up in kidnappings and murders all over the country.

Those names come up in the Hallett and Delphi murders. Evidence shows Neely Petrie Blanchard, the woman accused of murdering Christopher Hallett, may have been framed. Likewise, evidence shows Richard Allen, the man accused of murdering Abigail Williams and Liberty German may have been framed, as well. Evidence shows the murders, and the framing of a patsy was all done by the same group.

The first three installments of ARRESTED SUDDENLY detail the activities of FBI media agent and operative William Kevin Murtaugh, Apopka, Florida, who wears FBI/CIA logos and laminated FBI identification when he reports news on his You Tube channel called From The Desk Of Murtwitnessonline. The initial installments also show a man named John Taylor, Duffield, Virginia, who uses the name firemanjohn628 on social media, is a moderator for Murtaugh's chat room on You Tube where members of their organization congregate to communicate and receive instructions from Murtaugh. Evidence shows Murtaugh and Taylor have involved themselves with both the murder of Christopher Hallett and the subsequent prosecution by the STATE OF FLORIDA of Neely Petrie Blanchard for Hallett's murder, as well as their involvement in matters surrounding the murders of Abigail Williams and Liberty German in Delphi, Indiana and the prosecution by the STATE OF INDIANA of Richard Allen for those murders.

Evidence has been turned over by Timothy Charles Holmseth to the Indiana State Police, Ohio FBI, Ohio Governor Mike DeWine, Ohio AG Dave Yost, and accused murderer Richard Allen's attorneys, that pertains to Murtaugh's involvement with suspicious pornography that may be connected to the Justin Foley child pornography arrest in Ohio, and the Delphi murders in Indiana. Law enforcement has also been delivered video and audio samples of 'Bridge Guy', voice samples of John Taylor to be compared to Bridge Guy saying "Guys, down the hill", and evidence that pertains to a Sig Sauer handgun.

The first three installments show that there is an organized group of individuals who are identifiable by name, address, and profession, who keep coming up each time there is a high-profile kidnapping, murder, or sensational crime that occurs. Evidence shows the group openly boasts its ability to frame innocent people and plant evidence, including DNA.

OBSESSION WITH CHILDREN

Evidence shows members of the group, many whom have no children of their own, and never will, some being homosexual, are absolutely obsessed with CHILDREN.

Evidence shows these identifiable individuals are un-registered agents of identifiable government agencies and BAR attorneys. The agencies form a human trafficking and child exploitation network that is obsessed with PROTECTING the government's ability to claim access and ownership over children through agencies such as Child Protective Services (CPS), police, family courts, and other methods. Evidence shows these individuals have a formula that is used to kidnap children from their parents using a network OF OPERATIVES WHO fabricate child protection issues, makes false claims to police and CPS, conducts bogus investigations, and move the child out of the custody of their lawful parents and into a government pipeline where the child eventually disappears.

In this, the fourth installment of ARRESTED SUDDENLY, we are going to present evidence of a child trafficking operative who was/is involved in matters surrounding the murder of Christopher Edward Hallett.

Christopher Hallett was murdered in his Florida home on November 15, 2020. On November 2, 2020, Hallett had filed documents into the U.S. Court in Florida's Middle District. The filing pertained to human trafficking, child exploitation, COVID 19 tracking codes, and the names of attorneys and others involved in an international trafficking cartel that had formed a fourth pillar of government, disguised as a 'judicial system' in the United States, that acts outside the U.S. Constitution to commit virtually any crime they desire and control the investigation. Hallett sent his colleague, Randi Lynn Erickson, Minnesota, a copy of the U.S. Court receipt. After Hallett was murdered, the court filings VANISHED from all existence. Not even a court file number remains. Only the receipt that Hallett sent Erickson exists to prove the massive court filing was made.

ASHLEY COOPER BROWN

You are now going to see exhibit evidence that a member of the child trafficking network named Ashley Cooper Brown was involved in matters surrounding the Christopher Hallett murder.

The following exhibit screenshot is from Ashley Cooper Brown's social media. It was posted within two weeks of Hallett's murder.

We will also discuss Attorney Lin Wood's abrupt re-location from Georgia to Yemassee, South Carolina in 2020, and the national profile murder case of Alex Murdaugh, which occurred 21 miles from Wood's Tomotley plantation.

PLANTING EVIDENCE AND DNA AT CRIME SCENES

In ARRESTED SUDDENLY, Pt. 2, we showed evidence the organized crime network openly boasts of its ability to plant evidence, including DNA, at crimes scenes to frame innocent people. The network openly boasts of plans to frame Timothy Charles Holmseth.

@DEEP_STATE_DAVE

The network used anonymously operated social media accounts on GAB social to threaten Timothy Charles Holmseth, Randi Lynn Erickson, and others. One of the accounts called @Deep_State_Dave said:

Lin Wood @LLinWood · 7h
The blackmail scheme is conducted by members of 10 of world's most well-known & "elite" intelligence agencies.

4 One of those groups was headed by a group known as Lizard Squad. The blackmail files of rape & murder were obtained by this group & copy was provided to Isaac Kappy.

The blackmail targets are approached with gun, a child, & a camera. The target is ordered to rape the child on video. The target is then ordered to shoot the child on video. The target is then owned & controlled by the blackmailers until blackmail evidence loses its value.

After Kappy received the hacked files from member of Lizard Squad, he gave files to one friend and the encryption key to another friend. He provided this information to his friends shortly before he was murdered in May 13, 2019. Members of Lizard Squad were jailed for hacking.

Jeffrey Epstein used this same blackmail scheme of child rape & child murder to either further his own interests or those of any intelligence agency with whom he worked.

13 Lin Wood @LLinWood · 6h

The number of missing children worldwide & in United States is staggering.

16 Lin Wood @LLinWood · 6h
So I have now conveyed the truth as I know it.

There has been a rising chorus of people questioning my sanity in recent days. Now you can understand why. I have no idea what will be done to me or said about me in coming days, but I will rest well tonight for having spoken truth.

17 Lin Wood @LLinWood · 6h
Many issues in our world may be tied to blackmail scheme I described tonight, including bizarre behavior of officials & judges in recent election.

@realDonaldTrump must appoint special prosecutor to thoroughly investigate. We need answers. We must investigate. For the children.

18 Lin Wood @LLinWood · 6h
I asked to turn over the encryption key & other information I have to law enforcement. I will only agree to provide it directly to @realDonaldTrump, @realDonaldTrump, or @SallyPowell.

I trust them.

Thank you. - Lin 🙏❤️🙏

THE ALEX MURDAUGH MURDER CASE

On November 19, 2021, Kyle Rittenhouse was found not guilty during the high-profile criminal trial in Wisconsin.

On December 9, 2021, Kyle Rittenhouse was filmed walking with South Carolina Attorney General Alan Wilson after having lunch at Maurice's BBQ Piggie Park in Columbia, South Carolina. In the video published online, a man who appears to be former Navy SEAL David Hancock is seen walking a short distance behind Rittenhouse and Wilson. Hancock is regularly seen with Rittenhouse.

David Hancock was amongst a group of Navy SEALs that in 2020, assembled at the plantation called Tomotley, located in Yemassee, South Carolina. The plantation was purchased by Georgia Attorney Lin Wood in the spring of 2020. Wood assembled at Tomotley with retired General

Michael Flynn, Attorney Sidney Powell, and a host of others in what has been called a command post to plan the events of January 6, 2021 in Washington DC.

Wood subsequently hired a Navy SEAL named Jeff Wobig to oversee his Yemassee property.

DAVID LESTER STRAIGHT

Shortly before January 6, 2021, David Lester Straight, Oregon, telephoned Timothy Charles Holmseth and told Holmseth he was going to meet Wood in Washington DC on January 6, 2021. Straight was a news source for Holmseth. Straight told Holmseth he was a former Navy SEAL and was with the United States Secret Service. In a recorded call, Straight told Holmseth he viewed a video of VP Mike Pence raping a little boy. Straight told Holmseth he assisted the U.S. Marines in the transfer of 2,100 kids from cages underground in California (he later said 100 died). Straight told Holmseth he served on three Presidential Commissions under President Donald J. Trump. The Commissions were ‘Human Trafficking’ ‘Judicial Corruption’ and ‘Space Force’. Straight told Holmseth he drafted an indictment for any members of U.S. Congress and/or VP Pence who might not vote to stop the certification of the 2020 Election. Straight told Holmseth they served the indictment to President Trump through a staffer. Straight told Randi Lynn Erickson they were going to try members of Congress and/or Pence and **“hang them”**.

WHO IS THE BRIDGE GUY?

LISTEN!!! NEW VOICE SAMPLE FROM DELPHI MURDERS (GUY'S DOWN THE HILL)

<https://www.bitchute.com/video/Td4iqmJxnbt/>

Wood released a recorded telephone call between himself and Overstock CEO Patrick Byrne, where Byrne cautioned Wood to get rid of the Navy SEALs at his home because, Byrne said, they were bad news.

Attorney Lin Wood and David Hancock had a very public falling out in the fall of 2020, which included an event where Wood pulled Hancock's sidearm from its holster, resulting in local police being called.

THE ALEX MURDAUGH MURDER CASE

On June 7, 2021, Alex Murdaugh called 911 and reported he found his wife and son dead outside their Islandton, South Carolina home.

Islandton is approximately 21 miles from Yemassee, South Carolina.

Video online shows Kyle Rittenhouse walking with South Carolina Attorney General Alan Wilson on December 9, 2021. Rittenhouse had been acquitted of felony charges in Wisconsin less than a month prior, on November 19, 2021. Hancock appears to be walking behind Rittenhouse and Wilson.

In the screenshot below from Twitter you see Kyle Rittenhouse walking with Attorney General Alan Wilson (former Navy SEAL David Hancock appears to be the man in the forefront).

The fact-pattern that exists regarding these relationships will prove very significant.

Attorney Lin Wood was an attorney for Kyle Rittenhouse and raised funds on behalf of Rittenhouse with an organization called #FIGHTBACK. David Hancock claims he (Hancock) was the Director of #FIGHTBACK until his relationship with Wood ended.

Rittenhouse appeared on Tucker Carlson and denounced Wood.

Wood has subsequently suggested on Telegram that Rittenhouse is merely an actor; is actually a female; and that the Kenosha, Wisconsin shooting was a planned fraud.

Timothy Charles Holmseth has traveled to Lin Wood's plantation on three occasions. On two of the occasions Holmseth attempted to speak with Wood. On the first visit, Holmseth spoke in person with Wood's security guard and left a package. On the second visit, Holmseth was with another person, and the two of them spoke with Wood's property manager Ronald Stanley. Everything was filmed and recorded.

Wood has publicly stated that he does not believe the man in the videos who spoke with Stanley and his security guard is actually Timothy Holmseth.

Wood has two agents on Telegram who operate accounts. One account is called The Breb Room and is located at <https://t.me/thebrebroom> The other account is operated by a man who calls himself Buck Nasty.

Wood has stated through his agents Breb and Buck Nasty that the man "Timothy Charles Holmseth" who appears in many published videos at Wood's plantation gate, is not Holmseth, but rather, the photos are part of a PSY-OP by former Navy SEAL David Hancock.

Timothy Charles Holmseth has publicly stated it is in fact him (Holmseth) at Wood's gate.

Timothy Charles Holmseth at Attorney Lin Wood's Tomotley Plantation as Wood's property manager Ronald Stanley pulls up in truck.

There will be more information regarding Attorney Wood and many others in future installments of ARRESTED SUDDENLY.

INTRODUCTION – THEY ARE GOING AFTER JOURNALISTS

In Part 1. of this news series we provided a detailed introduction that explained how information is coming out through the Weaponization of the Federal Government subcommittee in Congress. We explained how the mainstream media has conspired with enemies of the United States, made war against the United States Constitution, and has engaged in an information propaganda campaign against the American people. Ohio Rep. Jim Jordan, chair of the subcommittee, recently spoke to FOX NEWS and said, "they are going after journalists".

On March 8, 2023 we published the fifth installment “[ARRESTED SUDDENLY – AN INDEPENDENT INVESTIGATION OF TWO FIRST-DEGREE MURDER TRIALS UNDERWAY IN FLORIDA AND DELPHI, INDIANA \(Pt. 5\) \(THE ALEX MURDAUGH MURDER CASE\)](#)”.

OVERVIEW

This investigative news series explores facts, information, and evidence, that points to organized crime and connections between the murders of Christopher Edward Hallett, Ocala, Florida, and the murders of Abigail Williams and Liberty German in Delphi, Indiana. Evidence, which is not reported by mainstream news, and/or is suppressed from public view by gag orders issued by courts, shows the same names keep coming up in kidnappings and murders all over the country. Those names come up in the Hallett and Delphi murders. Evidence shows Neely Petrie Blanchard, the woman accused of murdering Christopher Hallett, may have been framed. Likewise, evidence shows Richard Allen, the man accused of murdering Abigail Williams and Liberty German may have been framed, as well. Evidence shows the murders, and the framing of a patsy was all done by the same group.

The first three installments of ARRESTED SUDDENLY detail the activities of FBI media agent and operative William Kevin Murtaugh, Apopka, Florida, who wears FBI/CIA logos and laminated FBI identification when he reports news on his You Tube channel called From The Desk Of Murtwitnessonline. The initial installments also show a man named John Taylor, Duffield, Virginia, who uses the name firemanjohn628 on social media, is a moderator for Murtaugh’s chat room on You Tube where members of their organization congregate to communicate and receive instructions from Murtaugh. Evidence shows Murtaugh and Taylor have involved themselves with both the murder of Christopher Hallett and the subsequent prosecution by the STATE OF FLORIDA of Neely Petrie Blanchard for Hallett’s murder, as well as their involvement in matters surrounding the murders of Abigail Williams and Liberty German in Delphi, Indiana and the prosecution by the STATE OF INDIANA of Richard Allen for those murders.

ASHLEY COOPER BROWN

In Pt. 4 of ARRESTED SUDDENLY we showed evidence that a woman from Minnesota named Ashley Cooper Brown interjected herself into the murder case of Christopher Edward Hallett. Within two weeks of the Hallett murder, Cooper Brown went on social media and warned Timothy Charles Holmseth that he better run. Cooper Brown said Holmseth, Randi Erickson, and Kirk Pendergrass “may go down for murder as well”. Cooper Brown said, “It gets even better now that we have halletts computer”.

On January 1, 2021, Cooper Brown again went on social media and talked about the Hallett murder. Cooper Brown professed to know something that nobody outside STATE OF FLORIDA'S investigation should know. She said she knew the make of the gun used to shoot and kill Hallett. ***"The gun is military,"*** she said.

The following is the full post by Cooper Brown.

~begin~

The FBI needs to look in hallett's computer and see the many horrible things Randi erickson David Jose David straight Francesca A and everyone else was doing but really look into the

messages on fb and so on. Chris hallett has the main key to the frauds. The gun is military and the ex was telling neelys lover to get off the watchmans show, so let that sink in

~end~

Evidence clearly shows Ashley Cooper Brown, a Minnesota resident, was making posts on social media about an active murder investigation in Florida. Cooper Brown professed to know the make of the firearm used to shoot Hallett and was making bizarre statements in what appeared to be an effort to start a rumor that Timothy Charles Holmseth, a news reporter, and Randi Lynn Erickson, a former Truth and Taxation judge with no criminal history, both of Minnesota, were involved in the Hallett murder, which occurred on the other side of the country. Neither Holmseth nor Erickson had ever met Cooper Brown or talked to Cooper Brown in their entire lives.

ORGANIZED CRIME

We are now going to show you that Cooper Brown's behavior and activities cannot be explained away as being the mere ramblings and erratic posts made on social media by a true crime junkie. Evidence shows Cooper Brown was working closely with FBI media agent and operative William Kevin Murtaugh, Apopka, Florida, and Levi Henry Page IV, Dover, Tennessee.

by Pentagon Pedophile Task Force on August 31, 2022 – USA

Timothy Charles Holmseth posted the following today on Truth Social.

Evidence shows Cooper Brown is an active participant in a Tier One Operation (FBI/CIA) presently underway on American soil. The operations are being steered by former Navy SEALs and former U.S. Special Forces who are proven to be connected to the present Chairman of the Joint Chiefs of Staff Mark Milley, retired General Michael Flynn, retired vice-admiral Charles W. Moore, Attorney Lin Wood, and others.

Levi Henry Page IV is the host of a YouTube program called Crime and Scandal, which is produced and published at his Dover, Tennessee home where he lives with his father – also named Levi Henry Page. There is an audio/video file that was published on YouTube on April 7, 2021, that features Ashley Cooper Brown talking to the Anoka County Sheriff's Office in Minnesota. Shortly after Cooper Brown made the call, Page published the call on Crime and Scandal.

It was all planned in advance.

BACKGROUND: NEWS REPORTER TIMOTHY CHARLES HOLMSETH NARROWLY ESCAPES KIDNAPPING OPERATION BY CIA

Cooper Brown telephoned the Anoka County Sheriff's Office to tell them that Timothy Charles Holmseth had a Misdemeanor warrant. Cooper Brown lied to the Sheriff's Office and falsely claimed Timothy Charles Holmseth was at the Elk River home of Brian and Randi Erickson.

The warrant referred to by Cooper Brown was a Contempt of Court warrant that had been issued for Timothy Charles Holmseth in Polk County, Minnesota on August 26, 2019, after Holmseth (award-winning news reporter and credible FBI witness in a national profile child kidnapping case [HaLeigh Cummings]) published already-public court records that exposed international child sex trafficking. For more information on the **elaborate fraud and CIA abduction scheme** that was set forth in Polk County, Minnesota to kidnap (arrest) Holmseth you can go to **Holmseth v. Page et al – 3:22-cv-00912 – Middle District of Tennessee – RICO**.

ASHLEY COOPER BROWN TELLS THE ANOKA COUNTY SHERIFF'S OFFICE IN MINNESOTA THAT TIMOTHY CHARLES HOLMSETH IS BEHIND THE MURDER OF CONGRESSIONAL AUDITOR CHRISTOPHER EDWARD HALLETT

"This guy's fairly dangerous. This is a guy that has been getting people shot and killed," Cooper Brown told the Sheriff. "He's very mentally unstable and he's going to snap soon. "He's the reason behind one of these people getting shot and killed because of this stuff," Cooper Brown said. "He got another ex-friend of mine shot and killed," Cooper Brown said. "If you look up the Neely Blanchard case he's the one that was behind it," Cooper Brown said.

Below is a video that features the telephone call made by Cooper Brown to the Anoka County Sheriff's Office.

EXECUTION WAITING TO HAPPEN

Ashley Cooper Brown would go on to falsely claim that Randi Lynn Erickson accosted her (Brown's) children in Two Harbors, Minnesota. Cooper Brown called Erickson a "pedophile" and published a video of herself after she said she met with the feds in Minnesota.

Randi Lynn Erickson is a former elected official, former Truth and Taxation Judge, holds multiple licenses in Minnesota and Florida, and passes regular FBI background checks which include Erickson's fingerprints. Erickson is 63 and has absolutely no criminal record.

FBI media agent and operative William Kevin Murtaugh then went on his You Tube show, interviewed Cooper Brown, and FALSLEY claimed Timothy Holmseth and Randi Erickson were approaching children. Cooper Brown said Randi Erickson is an "execution waiting to happen".

Randi Lynn Erickson subsequently contacted the police department in Two Harbors, Minnesota where Cooper Brown was living. Erickson alerted the police that she (Erickson) had NEVER been to Two Harbors in her entire life and requested their records on Cooper Brown. The number of records on Cooper Brown was STAGGERING. Cooper Brown's interactions with law enforcement is off the charts.

Below is the massive package of police files that law enforcement in Two Harbors sent Erickson on Ashley Cooper Brown.

THE CHAOS PROJECT

In September 2020 William Kevin Murtaugh, a media agent and operative of the FBI/CIA began publishing produced video trailers that began a countdown for what he said was the upcoming “Chaos Project”.

On a date believed to be Tuesday, **September 15, 2020**, dash-cam video published by William Kevin Murtaugh showed Murtaugh pulling into the FBI building in Brooklyn Center, Minnesota.

Murtaugh narrated his video live. “I’m going to be paying a visit to someone that I talked to a few months ago and he asked me to come back,” Murtaugh said.

Note: Murtaugh would later state during his ‘news’ program that the FBI agents in Minnesota told him not to use their names.

Murtaugh then pulled into the FBI headquarters parking lot in Brooklyn Center.

“Welcome my friends to the FBI. I’m going to be here – going in going to talk to an agent – and hopefully I’ll be able to light some fires,” Murtaugh said, and then shut off his dash-cam.

THE YEAR OF CHAOS AND TURMOIL

The video then shows Murtaugh after he emerges from the FBI building and meeting that took place.

Murtaugh then, talking for the dash-cam microphone, proceeds to publish a report for the FBI.

“Okay that was about the longest four hours I have ever spent anywhere. These people have more questions than answers. But interestingly enough I think we’re going to make some progress here. I had quite a lengthy discussion about different things. And it was rather an interesting experience. It’s a little different than when I went over to Maitlin [Florida]. But they are aware of certain things. So, if I were some people scattered throughout the midwestern United States I would get a lawyer. And I wouldn’t get someone who does – I don’t know what the hell he calls it – but that outfit down in Ocala [Florida] (Murtaugh is referring to E~Clause LLC, Ocala, Florida, CEO, Christopher Edward Hallett) might want to get a lawyer too – by the sounds of things. There’s a lot going on that I wasn’t aware of and so this is going to be an interesting year. I think 2021 is shaping up to be the year of the Maalox moment. **I’ll have to come up with a different term when I write the blog in a couple of months** but in more ways than one 2021 is shaping up I would guess – if I had to say it was something – it was going to be the year of the great turmoil where there’s going to be a lot of it – so we can call it the year of chaos and turmoil. What’s interesting is you can see the FBI building from the interstate. I’ve seen this building a hundred times driving truck and didn’t even know what it was. So that’s interesting – and they have more than one office, I understand, but this is the one that they told me to come to when I got up here so that’s the one I came to,” Murtaugh said.

In Pt. 7 of ARRESTED SUDDENLY we showed that on September 15, 2020, FBI media agent and field operative William Kevin Murtaugh traveled from Florida to Minnesota for a scheduled meeting with the FBI. Murtaugh met with the FBI for four (4) hours and then promptly announced that 2021 was going to be a year of ‘chaos and turmoil’.

In this, the eighth installment, we are going to show you the FBI was planning ‘chaos and turmoil’ in what clearly involved an internal plot by federal agencies against We The People and the United States of America.

THE FBI DEATH MACHINE

You will now learn about “The FBI Death Machine”.

On September 28, 2020, FBI-CIA media agent and field operative William Kevin Murtaugh released a public announcement on his You Tube channel called From The Desk Of Murtwitnessonlive that said, “A multi part video series studying the alleged actions of a violent faction of the Qanon movement”. On September 30, 2020, Murtaugh released a public announcement on his You Tube channel that said, “The members of the domestic terrorist faction of Qanon headquartered in the state of Minnesota is launching a massive smear campaign in order to prevent the publication of the documentary “The Qanon Death Machine” coming to this channel in mid October. Be sure to like subscribe and click the notification icon so that you do not miss this important presentation,”.

To fully grasp what the FBI was planning with Murtaugh on September 15, 2020, you need to know who posed the biggest threat of all to the satanic ‘Deep State’ government that was panicking because it was losing its power to President Donald J. Trump, who was about ready to TROUNCE his challenger, Joe Biden, in the upcoming election.

The man who posed the greatest threat of all was **Christopher Edward Hallett, Ocala, Florida.**

In Pt. 1 of ARRESTED SUDDENLY we provided a summary that explained Hallett.

~begin~

On November 15, 2020, Congressional Auditor Christopher Edward Hallett, CEO, E~Clause LLC., was murdered in his Ocala, Florida home.

Two weeks before his murder, on November 2, 2020, Hallett, a former resident of Ohio, and former Plaintiff against the STATE OF OHIO, filed documents into the U.S. Court in Florida’s Middle District. Hallett was a loss-prevention specialist and was performing services for the U.S. Government under consent of U.S. Congress. Prompted by judicial corruption he suffered from in Ohio, Hallett initiated extensive investigations that identified an unconstitutional “fourth pillar” of the U.S. Government that had been created, and which had been diabolically developed into a complex evil system of fraud within the judicial and court system, and was being used to facilitate organized crime, human trafficking, child exploitation, COVID, and money laundering on a worldwide scale. Shortly after Hallett filed his documents in the U.S. Court, he sent a copy of the federal court receipt to his professional colleague, Randi Lynn Erickson, Minnesota. After Hallett’s murder, Randi Lynn Erickson searched the U.S. Court’s PACER system for the court records of Hallett’s November 2, 2020, filing. Erickson discovered the files had completely VANISHED. Not even a file number existed. No trace whatsoever of the financial transaction between Hallett and the U.S. Court that was established through the receipt. After the receipt was published on TIMOTHY CHARLES HOLMSETH REPORTS, William Kevin Murtaugh, a media agent and operative of the FBI, Apopka, Florida, reported on his You Tube based news channel From The Desk Of Murtwitnessonlive that he telephoned the U.S. Court in Florida and spoke with the Clerk of Court about the Hallett receipt. Murtaugh reported that the Clerk of Court told him the receipt was fake. Murtaugh also published video footage of himself at the scene of the Christopher Hallett murder – shortly after the murder.

~end~

Murtaugh's September 15, 2020, meeting with the FBI was to orchestrate and plan Tier One Operations (CIA Black Ops) to stop Hallett from what they already knew, from an inside informant who had infiltrated Hallett, was coming on November 2, 2020, when Hallett, a loss prevention specialist for the U.S. Government, planned to file his paperwork and "Arrest Warrants" with the U.S. Court in Florida. SEE HOLMSETH V. PAGE ET AL – 3:22-CV-00912 – Middle District of Tennessee – RICO more information.

Hallett had identified **very specific** individuals and organized operations that were working with attorneys, CPS, cops, federal agencies, non-government organizations, and factions of the United States Military to harvest children at an industrial level for purposes of sex, torture, organ harvesting, satanic rituals, inhumane experiments, and other crimes against humanity. At that time – eyewitness accounts of the TOP SECRET military experiments and the torture of children was being given to federal agents (or CIA posing as federal agents – e.g., David Lester Straight) by Jessie Marie Czebotar.

As you observed in the summary of Hallett, he (Hallett) lived in Ocala, Florida which is in Marion County, Florida.

On Sunday, October 25, 2020, the police chief in Ocala, Fla., died Sunday when the plane he was flying crashed into a field. "Greg Graham's single-engine private plane went down in Dunnellon, just outside the Marion County Airport, around 11:30 a.m. Sunday, according to the Ocala Star-Banner," [reported Daily News](#)

<https://www.nydailynews.com/2020/10/26/florida-police-chief-killed-in-plane-crash-he-was-the-heart-of-the-department/>

On October 27, 2020, FBI operative Murtaugh [Bulger ???] went Live on his You Tube channel and began delivering a very detailed presentation of human trafficking and how it is accomplished on international waters using boats and yachts. Murtaugh presented what he described as evidence that showed how Timothy Charles Holmseth and Randi Lynn Erickson were assisting mothers (e.g., Cynthia Abcug) in acts of 'international human trafficking'. Murtaugh attempted to implicate Holmseth using a photo Holmseth published that showed him (Holmseth) posing with his children and grandchildren at a tourist location in Alabama, where there just happened to be yachts in the background. Halfway through the presentation on You Tube the Live feed was suddenly cut by You Tube.

"When Timothy Charles Holmseth showed up in a picture in front of a yacht dealer things began to click. And the kind of beating around the bush from the FBI kind of made sense. Because all Tim Holmseth or all these people had to do was they buy themselves a boat probably a 30 footer – 35 footer – like the one in the background the one in the background would be the perfect size," Murtaugh said, explaining that "all they have to do is get into international waters".

"It is the theory of law enforcement that the parents of these children that are having this big fight with CPS might be getting out of the United States by boat," Murtaugh said.

OVERVIEW – RECAP

In Pt. 1 of ARRESTED SUDDENLY, we provided a summary regarding Christopher Edward Hallett.

~begin~

On November 15, 2020, Congressional Auditor Christopher Edward Hallett, CEO, E~Clause LLC., was murdered in his Ocala, Florida home.

Two weeks before his murder, on November 2, 2020, Hallett, a former resident of **Ohio**, and former Plaintiff against the STATE OF OHIO, filed documents into the U.S. Court in Florida's Middle District. Hallett was a loss-prevention specialist and was performing services for the U.S. Government under consent of U.S. Congress. Prompted by judicial corruption he suffered from in Ohio, Hallett initiated extensive investigations that identified an unconstitutional "fourth pillar" of the U.S. Government that had been created, and which had been diabolically developed into a complex evil system of fraud within the judicial and court system, and was being used to facilitate organized crime, human trafficking, child exploitation, COVID, and money laundering on a worldwide scale. Shortly after Hallett filed his documents in the U.S. Court, he sent a copy of the federal court receipt to his professional colleague, Randi Lynn Erickson, Minnesota. After Hallett's murder, Randi Lynn Erickson searched the U.S. Court's PACER system for the court records of Hallett's November 2, 2020, filing. Erickson discovered the files had completely VANISHED. Not even a file number existed. No trace whatsoever of the financial transaction between Hallett and the U.S. Court that was established through the receipt. After the receipt was published on TIMOTHY CHARLES HOLMSETH REPORTS, William Kevin Murtaugh, a media agent and operative of the **FBI**, Apopka, Florida, reported on his You Tube based news channel From The Desk Of Murtwitnessonline that he telephoned the U.S. Court in Florida and spoke with the Clerk of Court about the Hallett receipt. Murtaugh reported that the Clerk of Court told him the receipt was *fake*. Murtaugh also published video footage of himself at the scene of the Christopher Hallett murder – shortly after the murder.

~end~

As you can see, Hallett, and his corporation called E~CLAUSE LLC., was preparing to expose and shut down the largest human trafficking operation in the history of the world.

In Pt. 1 we provided evidence that the efforts to stop Hallett involved a full spectrum of international mafia in the section "**STATEMENT OF FACTS IN A RACKETEERING INFLUENCED CORRUPT ORGANIZATIONS ACT (RICO) CASE FILED IN TENNESSEE CONTAINS EVIDENCE CHRISTOPHER HALLETT WAS ASSASSINATED BY THE U.S. GOVERNMENT, FACTIONS OF THE U.S. MILITARY, and FOREIGN MILITARY OPERATIVES DURING ONGOING TIER ONE (FBI/CIA) OPERATIONS ON AMERICAN SOIL BY SPECIAL FORCES AND NAVY SEALS**".

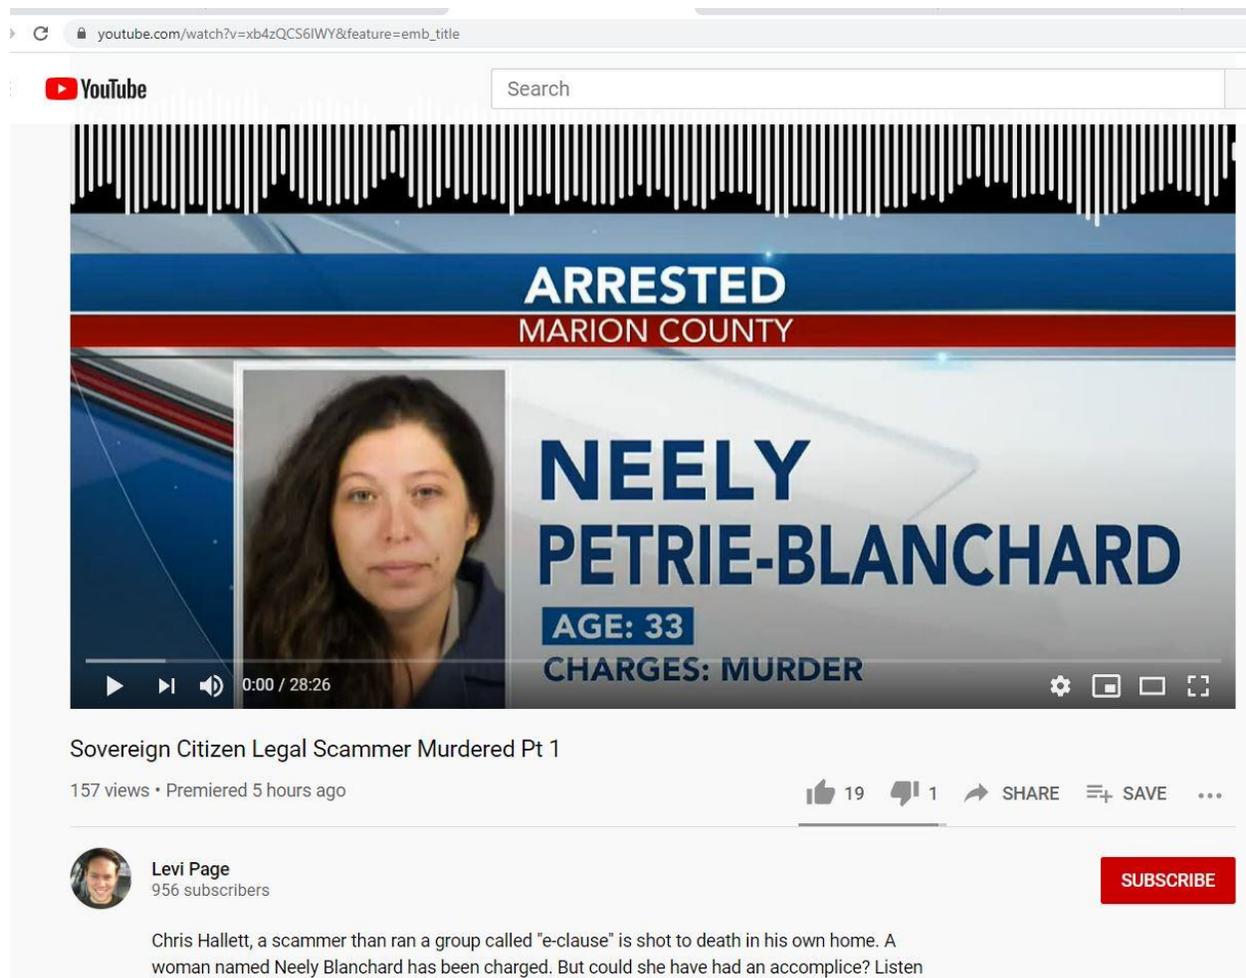

In Pt. 1. we introduced you to Hallett's business colleague and agent of E~CLAUSE LLC., Kirk L. Pendergrass, Idaho. We showed you that the day after Hallett was assassinated, Pendergrass

went Live on You Tube to honor his murdered friend, Chris Hallett. We then showed exhibitivie evidence that a man named Levi Henry Page IV, a CNN and FOX NEWS affiliate, was taunting Pendergrass in the chat room. Page was indicating that he knew about something the cops found in accused murderer Neely Petrie Blanchard’s car.

The following is from Pt. 1.

~begin~

In the first exhibitivie screenshot below you will see Levi Henry Page IV announce the Hallett murder. “Chris Hallett is a scammer than [sic] ran a group called “e-clause” is shot to death in his own home. A woman named Neely Blanchard has been charged. But could she have an accomplice? Listen”, Page said.

- Channel description: Chris Hallett, a scammer than ran a group called "e-clause" is shot to death in his own home. A woman named Neely Blanchard has been charged. But could she have had an accomplice? Listen

In this, the second exhibitivie screenshot, you will see Levi Henry Page IV is logged in to a chat room during a show called Kirks Law Corner on You Tube. The show, dated the day after Christopher Edward Hallett was murdered, is entitled “RIP Chris Hallett”, and is hosted by Kirk L. Pendergrass, Idaho, a Due Process expert and agent of E~Clause LLC, who co-hosted shows

with Christopher Edward Hallett. In the chat room you will see Levi Henry Page IV ask Pendergrass, “Kirk, what evidence was found in Neely’s vehicle?” While this question by Page IV could be construed as innocuous, evidence to be shown further on in this series will show Page IV was likely high from ‘Duper’s Delight’ and was taunting Pendergrass.

~end~

In this, the ninth installment of ARRESTED SUDDENLY, we are going to show you CLEAR AND CONVINCING evidence that a plot was underway to assassinate Christopher Hallett, and then falsely accuse Hallett, his associates, and supporters of being pedophiles and child traffickers.

ORGANIZED CONSPIRACY

In Pt. 1 we showed evidence that Levi Henry Page IV posed an ominous question to Kirk L. Pendergrass, E~CLAUSE LLC, that he (Page) had inside information about something that was found by the cops in accused murderer Neely Petrie Blanchard’s car the day after the murder. Page made the statement on **November 16, 2020**, the day after the murder.

In Pt. 1 we showed evidence that Will Sommer, The Daily Beast, published two stories about QAnon supporters ‘stealing kids’. The first story Sommer wrote was on **August 16, 2020**, shortly before Hallett’s murder. Sommer wrote about Christopher Hallett, Timothy Holmseth, and Field W. McConnell, and said Hallett, Holmseth, and McConnell were “stealing kids”.

In Pt. 4 we showed you evidence that shortly after Hallett was murdered, Ashley Cooper Brown, Minnesota, said on social media “we have halletts computer” (Cooper Brown was referring to herself and others when she said “we”) and said Kirk Pendergrass, Timothy Holmseth, and Randi Erickson are pedophiles and “may go down for murder as well”.

In Pt. 8 we showed evidence that FBI/CIA media agent and operative William Kevin Murtaugh (James ‘Whitey’ Bulger ???) reported that on **September 15, 2020**, he met with the Minneapolis FBI and discussed Hallett and E~CLAUSE LLC. He said he was working with the FBI on what was called “OPERATION CHAOS”. We showed evidence that Murtaugh developed a presentation for the FBI intended to create the illusion that Timothy Holmseth, Randy Erickson, Christopher Hallett, Field McConnell, and others associated with Hallett, were human trafficking children using yachts on international waters.

In Pt. 5 we showed evidence that an anonymous user called Deep State Dave was continuously contacting Timothy Charles Holmseth. We showed a contact made to Holmseth that said, **“@Timothy_Charles_Holmseth Remember when we told you we had a present for David Straight a while ago??? Remember when we tied David, Timothy and others to Neely and child trafficking?? We hope you like present 1 out of 46. We let Murt announce number one tonight.... Evidence entered, sealed and now unsealed..... What other evidence do we have sealed??? Missing children and DNA upcoming???? Save yourself the hassle Timothy. You have 3 choices..... create a video and blame everything on Randi Erickson or turn yourself in or #licenseplatescanners”**

On December 9, 2020, we reported, [“Creepy blogger Meko Haze claims Neely Blanchard’s mother contacted him the day after Hallett assassination \(to report child trafficking\)”](#).

~begin~

On November 17, 2020 Michael Mihalakis (a.k.a. Meko Haze) went on You Tube to discuss the murder of Christopher Hallett which occurred on the evening of November 15, 2020.

MICHAEL MIHALAKIS WAS CONTACTED BY NEELY BLANCHARD'S MOTHER SUSAN BLANCHARD THE DAY AFTER THE HALLETT MURDER

Michael Mihalakis said he spoke with Neely Petrie-Blanchard's mother on November 16, 2020.

*“Yesterday [Neely Blanchard’s] mother had **reached out to me** and she told me that Neely claimed that she that Chris [Hallett] and Kirk [Pendergrass] were trafficking children and involved in all this dark shit – it doesn’t sound like that’s true at all – it sounds like Neely snapped because she found out Chris and Kirk were full of shit and not going to get her children back,” Mihalakis said.*

Mihalakis operates a You Tube channel that has 3,100 subscribers. In the 22 days since Mihalakis published his discussion on the Hallett murder, the video has had 881 total views. The numbers prove Mihalakis’ channel is almost non-existent and he is almost completely unknown.

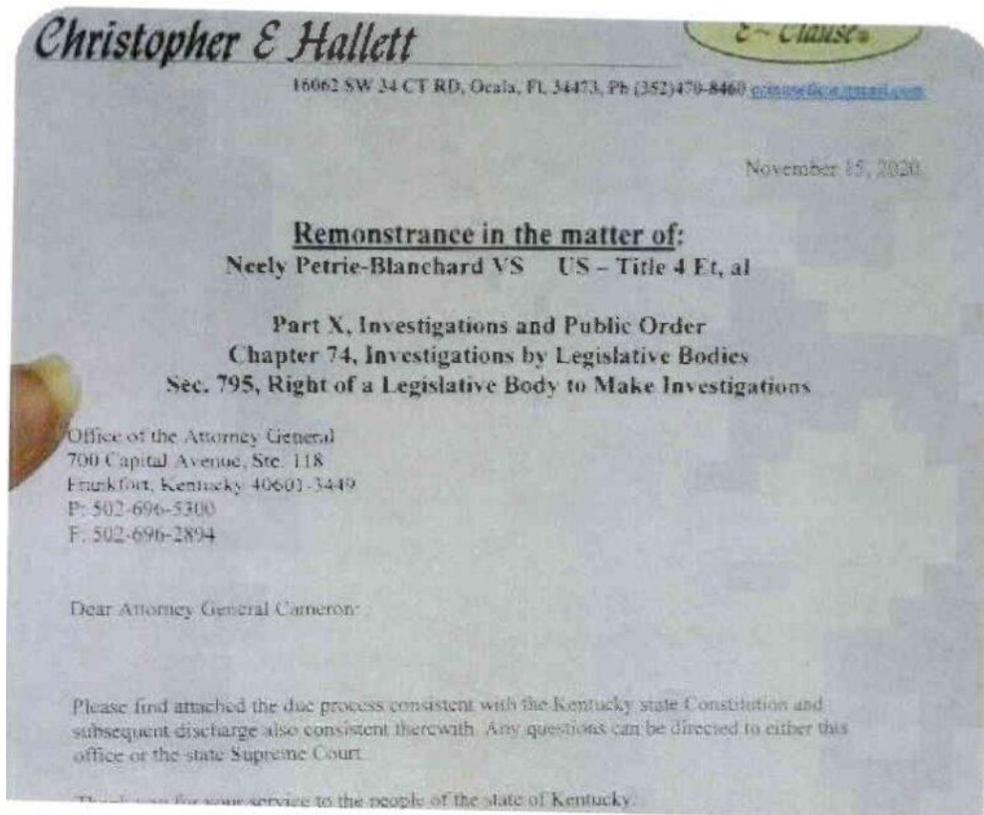

Mihalakis has an arrest record – here is his mugshot.

On September 20, 2022, we published, BOMBSHELL!!! WOMAN CHARGED WITH 1ST DEGREE MURDER OF DEFENSE CONTRACTOR MAY HAVE BEEN FRAMED BY THE STATE OF FLORIDA (DONALD TRUMP WAS THE POLITICAL TARGET) (QANON MOM)

The story features a document that shows Neely Petrie Blanchard was likely framed.

Blanchard and Hallett were happy and excited about documents they were preparing to file.

Evidence shows that the planned narrative by the plotters was to falsely claim Neely Petrie Blanchard murdered Hallett because she was angry at him because, they said, she wasn't going to get her kids back. Evidence shows that narrative cannot be true and is a planned lie. Evidence shows Neely Petrie Blanchard was working closely to file court documents with Hallett, and they appeared happy and working together within hours of the murder.

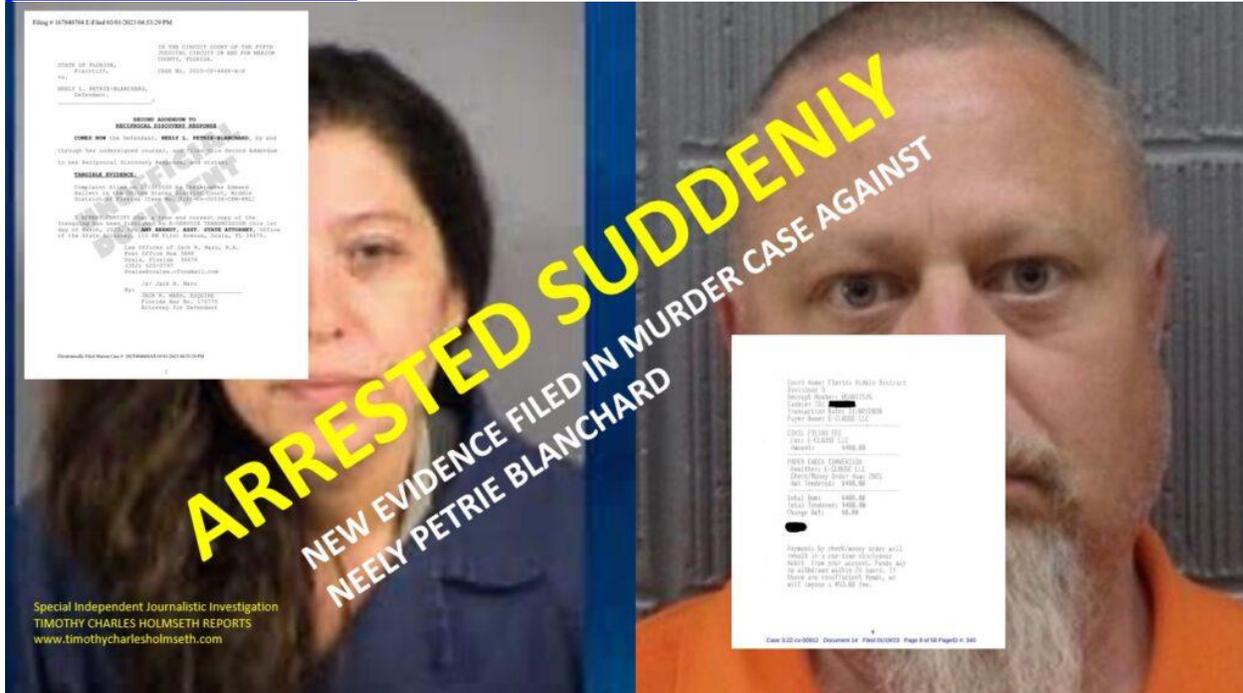

We will have more evidence that shows there was a conspiracy by a vast group to commit murder and frame innocent people in upcoming segments of ARRESTED SUDDENLY

In this, the eleventh installment of ARRESTED SUDDENLY we are going to examine OPERATION CHAOS as we prepare to report a MAJOR DEVELOPMENT that occurred in the STATE OF FLORIDA court regarding the murder case against Neely Petrie Blanchard.

Blanchard is charged with murdering Christopher Edward Hallett.

In Pt. 1 of ARRESTED SUDDENLY we provided a summary of Christopher Edward Hallett.

~begin~

by Pentagon Pedophile Task Force on March 5, 2023 – USA

On November 15, 2020, Congressional Auditor Christopher Edward Hallett, CEO, E~Clause LLC., was murdered in his Ocala, Florida home.

Two weeks before his murder, on November 2, 2020, Hallett, a former resident of Ohio, and former Plaintiff against the STATE OF OHIO, filed documents into the U.S. Court in Florida's Middle District. Hallett was a loss-prevention specialist and was performing services for the U.S. Government under consent of U.S. Congress. Prompted by judicial corruption he suffered from in Ohio, Hallett initiated extensive investigations that identified an unconstitutional "fourth pillar" of the U.S. Government that had been created, and which had been diabolically developed into a complex evil system of fraud within the judicial and court system, and was being used to facilitate organized crime, human trafficking, child exploitation, COVID, and money laundering on a worldwide scale. Shortly after Hallett filed his documents in the U.S. Court, he sent a copy of the federal court receipt to his professional colleague, Randi Lynn Erickson, Minnesota. After Hallett's murder, Randi Lynn Erickson searched the U.S. Court's PACER system for the court records of Hallett's November 2, 2020, filing. Erickson discovered the files had completely VANISHED. Not even a file number existed. No trace whatsoever of the financial transaction between Hallett and the U.S. Court that was established through the receipt. After the receipt was published on TIMOTHY CHARLES HOLMSETH REPORTS, William Kevin Murtaugh, a media agent and operative of the FBI, Apopka, Florida, reported on his You Tube based news channel From The Desk Of Murtwitnessonline that he telephoned the U.S. Court in Florida and spoke with the Clerk of Court about the Hallett receipt. Murtaugh reported that the Clerk of Court told him the receipt was *fake*. Murtaugh also published video footage of himself at the scene of the Christopher Hallett murder – shortly after the murder.

~end~

One of the most important and critical aspects of the Hallett assassination is the fact that shortly after Hallett was murdered on November 15, 2020, in Ocala, Florida (Marion County), court documents he filed two weeks earlier into the Middle District of Florida on November 2, 2020, completely VANISHED from the PACER system. There was no doubt the court filing had been made because Hallett sent a copy of the receipt that he received from the federal clerk to his colleague Randi Lynn Erickson, Minnesota. Timothy Charles Holmseth subsequently retained an attorney in Florida, Charles M. Baron, to search for the filing made by Hallett. Attorney Baron contacted the U.S. Court and conducted an investigatory search for the records. Baron confirmed to Holmseth and Erickson that the files could not be located or even proven to exist beyond the receipt. The missing files were also reported to Attorney Steven S. Biss, Virginia. Biss was retained by Erickson for Defamation, Tortious Interference, and RICO. Erickson paid Biss \$30,000.00.

In previous installments of ARRESTED SUDDENLY we showed that on September 15, 2020, an FBI-CIA media agent and operative, William Kevin Murtaugh, Apopka, Florida, traveled to Minnesota and met with FBI agents in Brooklyn Center to discuss what was tactically named "OPERATION CHAOS". Murtaugh stated he had been to Minnesota prior to the September 15, 2020, meeting and was told to come back. During this time window, Timothy Charles Holmseth and Randi Lynn Erickson began receiving death threats from a group of former Navy SEALs and U.S. Special Forces, as well as a retired FBI agent. The messages were being transmitted via electronic interstate communication to TIMOTHY CHARLES HOLMSETH REPORTS and

included a message from retired U.S. Navy Vice-Admiral Charles W. Moore, who told Holmseth he was working with the Chairman of the Joint Chiefs of Staff, U.S. Army General Mark Milley, as well as retired U.S. Army General Michael Flynn. Moore, Seals, and an FBI agent, told Holmseth to stop his news reporting.

BASIC OVERVIEW & TIMELINE OF OPERATION CHAOS

In October 2019, Timothy Charles Holmseth reported for the Pentagon Pedophile Task Force that his source, who he referred to as Pentagon 1 (self-professed U.S. Secret Service agent, and self-professed member of three Presidential Commissions under President Donald J. Trump [Human Trafficking] [Judicial Corruption] [Space Force] David Lester Straight) that he ASSISTED the [U.S. Marines who had just rescued 2,100 children from their slavery and confinement in cages underground in California.](#)

<https://www.bitchute.com/video/Blau2cJrqLjE/>

Straight told Holmseth most of the children had been abducted by CPS and approximately 100 of the DIED. Straight went on to tell Holmseth about children held in caves where the human traffickers waited for ‘orders’ like one orders a “pizza”. Straight told Holmseth he viewed videos of Vice President Mike Pence raping a little boy. All of these phone calls were recorded.

Timothy Charles Holmseth continued to investigate the 2,100 children story. Holmseth soon learned that facts and evidence showed the 2,100 children had NOT been “rescued” – rather, they had been TRANSFERRED by the military from one location to another. Holmseth’s suspicion that the children were actually slaves being transferred was supported by cannibalism witness Jessie Marie Czebotar.

After the 2020 election was stolen by Joe Biden, the mainstream news and U.S. Department of Homeland Security acknowledged that 2,100 children could not be found. The FAKE NEWS tried to spin the 2,100 children story onto Trump and blamed him. However, facts and evidence would soon show that Trump had been set-up by David Lester Straight and his associates.

Timothy Charles Holmseth’s continued investigation into the 2,100 children story resulted in Holmseth being marked for death by the international trafficking cartel in what was called “OPERATION CHAOS”.

QUICK TIMELINE OF OPERATION CHAOS

October 2019 – David Lester Straight told Timothy Charles Holmseth he assisted the U.S. Marines in the transfer of 2,100 children from cages in California.

Early 2020 – Timothy Charles Holmseth was physically present with David Lester Straight and members of a task force in Oregon investigating an international child sex trafficking operation. Holmseth personally observed David Straight on the telephone talking to various people. Straight told Holmseth he was talking to “Melania Trump” and asking Melania for assistance for his “little task force”. Holmseth heard Straight talking to military generals on the telephone.

Holmseth heard Straight get very angry and named an attorney who he said was “trafficking kids through the Ukrainian Embassy” and “should be chained up on the bottom of the ocean”. Holmseth observed a woman named Marcella Crandall become furious because she wanted David Straight to use his connections with U.S. Special Forces to conduct a raid and ‘rescue’ her children who she said had been judicially kidnapped through the Family Courts in California.

On **March 6, 2020**, Attorney Lin Wood began to have a falling out with his client, casino mogul Steve Wynn. Wood said he was kicked out of Wynn’s home. Wood said he (Wood) was assisted by a Navy SEAL. Wood said that on the way to the airport the Seal referred Wood to the services of another Seal named Jeff Wobig.

On **March 11, 2020**, Attorney Lin Wood stood to be photographed alongside President Donald J. Trump in the Oval office.

In **April of 2020**, Attorney Lin Wood, a resident of Georgia, abruptly purchased a Plantation in Yemassee, South Carolina called Tomotley.

On **May 25, 2020**, George Floyd was killed in Minneapolis, Minnesota.

On **August 3, 2020**, Timothy Charles Holmseth and Randi Lynn Erickson begin receiving a series of threats from former Navy SEALs, U.S. Special Forces, retired FBI, and military men including retired U.S. Navy Vice Admiral Charles W. Moore. The threats warned of Holmseth and Erickson’s impending kidnap, rape, torture, forced bestiality, forced porn, and murder to be committed against Holmseth, Erickson, and/or their families in Minnesota and/or on the Fort Campbell military installation. Moore advised Holmseth to stop reporting and told Holmseth he (Moore) is close with the present Joint Chiefs of Staff, U.S. Army General Mark Milley. Moore also boasted his relationship with retired U.S. Army General Michael Flynn, and President Donald J. Trump.

On **August 25, 2020**, Kyle Rittenhouse shot several people in Kenosha, Wisconsin. Attorney Lin Wood was physically with former Navy SEAL David Hancock when he learned the news of the shooting. Attorney Wood then became an attorney for Rittenhouse. Attorney Wood and David Hancock began collecting donations on Rittenhouse’s behalf for what is called #FIGHTBACK FOUNDATION. Attorney Wood hired former Navy SEAL Jeffrey Wobig to oversee his Planation in Yemassee, South Carolina called Tomotley.

On **September 15, 2020**, alleged child serial killer-rapist, FBI-CIA media agent and operative William Kevin Murtaugh (James ‘Whitey’ Bulger???), Apopka, Florida, met with FBI agents in Brooklyn Center, Minnesota. Murtaugh reported he met with the FBI and discussed “OPERATION CHAOS”. Murtaugh often wears FBI and CIA logos when he reports the news. Murtaugh wears a laminated FBI badge. Murtaugh had been publishing promotional videos about “OPERATION CHAOS” on his You Tube channel called From The Desk Of Murtwitnessonlive. Murtaugh publicly reported he had been advised by the FBI that the future held “chaos” and “turmoil”. Murtaugh said he was supposed to keep the names of the FBI agents confidential. Minutes after the FBI meeting Murtaugh telegraphed a threat to a group of people in the “Midwest” and Christopher Hallett in “**Ocala**“.

On **October 26, 2020**, Ocala Police Chief Greg Graham died in a plane crash in Marion County, Florida.

On **November 2, 2020**, Christopher Hallett filed documents into the U.S. Court in Florida's Middle District.

On **November 3, 2020**, the Presidential Election was held in the United States and was clearly stolen from the American people because the OBVIOUS winner was President Donald J. Trump.

On **November 6, 2020**, The FBI issued a warning through their media agent and operative William Kevin Murtaugh who published a prediction that there is going to be "payback" against QAnon.

On November 15, 2020, Christopher Hallett was assassinated in his Ocala home.

On **November 26, 2020**, retired U.S. Army General Michael Flynn was at the South Carolina plantation called Tomotley, owned by Attorney Lin Wood. The plantation had become a command post where Gen. Flynn, Attorney Sidney Powell, Patrick Byrne, and a group of Navy SEALs were planning events that culminate on January 6, 2021.

Days before January 6, 2021, David Lester straight telephoned Timothy Charles Holmseth. Straight told Holmseth he was meeting "Lin Wood" in Washington DC on January 6, 2021. Straight told Holmseth he had drafted an "indictment" which would be used to arrest members of U.S. Congress and Mike Pence. Straight said it had been 'served' on President Trump through a staffer. Straight said they were going to try the people they arrested and "hang them".

On **January 4, 2021**, Attorney Lin Wood Tweets a MEMO to President Donald J. Trump. The MEMO was authored by news reporter Timothy Charles Holmseth. The MEMO had been sent to Attorney General Jeff Sessions by Holmseth and warned President Trump about Vice President Mike Pence and Florida Attorney General Pam Bondi. The MEMO warned President Trump about an international human harvesting operation that involved an FBI agent using the alias "John Regan".

Early 2021, Paula C. Blades, an intelligence operative who claimed she was working with an agent of the NSA and 5-Eyes Intelligence, began contacting Randi Lynn Erickson and telling Erickson to advise Timothy Charles Holmseth to stop writing negative things about retired U.S. Army General Michael Flynn. Erickson became very concerned about Blades after Blades disclosed to Erickson she had been “fired” from a daycare center for “inappropriate behavior with children”.

Perpetual – Timothy Charles Holmseth identified a large number of females in a network of Witch covens who are acting as agents for attorneys and human traffickers.

February 2023, U.S. Congress – Weaponization of the Federal Government subcommittee receives Petition from Jessie Marie Czebotar requesting to testify regarding inhumane TOP SECRET military experiments on children she was subjected to as a child, weaponization of children, slave auctions, cannibalism of children by U.S. Presidents that she witnessed, and other matters.

CHRISTOPHER HALLETT’S NOVEMBER 2, 2020, COURT FILING

We will be reporting on FBI-CIA Murtaugh’s November 6, 2020 (shortly before Hallett murder), warning about payback against QAnon (all of the TARGETED INDIVIDUALS – e.g., Jessie Marie Czebotar).

We will be reporting a MAJOR DEVELOPMENT regarding Hallett’s court filing.

In this, the 12th installment of ARRESTED SUDDENLY we are going to show you a video that shows FBI-CIA media agent and operative William Kevin Murtaugh, Apopka, Florida, met with the FBI in Minnesota on September 16, 2020, to discuss “OPERATION CHAOS”.

On September 16, 2020, William Murtaugh exited the FBI building in Minnesota and promptly made his announcement that the FBI told him, during a four (4) hour meeting, there was “chaos” and “turmoil” coming in 2021.

Evidence shows the FBI laid out the details to William Murtaugh of everything that was going to happen. Evidence also show the FBI not only knew what was going to happen, but, also, had been participating in the planning that was required to make the events happen. That is the only logical conclusion because some of the events did not occur until two months later.

Murtaugh went Live on November 6, 2020, and announced “payback” was coming to “QAnon” because Joe Biden was going to be the President. Murtaugh said there were going to be “hearings” and “investigations” and people were going to “jail”.

IT ALL HAPPENED!

On November 6, 2020, William Murtaugh accurately predicted the future. The following is a partial transcription from Murtaugh’s November 6, 2020, announcement that he made on behalf of the FBI.

~begin~

“This is William K. Murtaugh – Murtwitnessone – and this is more or less a rather interesting Friday. This is a little bit after 9 O’ Clock in the morning – I am on way to the Orlando Airport as I always am – and it would appear barring any changes that by sometime late today Joe Biden is going to be the next President of the United States. He will be the 46th President of the United States. And this is going to cause a lot of people to be angry on both sides. And there’s going to be payback. Now that payback is not going to be completely from whom you would expect. And the target of that payback is one that should have been expected and is going to happen. And the target of the payback is QAnon. Because now a lot of people are going to want to know if it was disinformation from QAnon and some of the other groups out there – and even once again Russia – that caused things to happen the way they did in this election cycle and other events that have happened over the past several years – but there

going to conduct hearings, investigations, and there are plans underway right now to engage in payback against the QAnons. QAnons made and continue to make a lot of enemies. There are people that are really pissed off at QAnon. And so they're going to – they're going to make them pay – and they're going to make them pay dearly. A lot of people are going to go to jail. A lot of people are going to be humiliated. As the resentment and anger builds up in the next few weeks – maybe a month or two – maybe a month or three – that they are going to make those who supported QAnon pay for their actions. And there's one group in particular that is going to pay dearly – and this is a group from Minnesota, Arkansas, Iowa, Ohio, Utah, Oregon, Washington, and elsewhere. What I suppose you would call the American QAnon. Because without the support of one man – Mr. Trump – QAnon is going to fall apart," William Kevin Murtaugh said.

THE TRUE IDENTITY OF WILLIAM KEVIN MURTAUGH (JAMES 'WHITEY' BULGER ????)

Questions surround the true identity of William Kevin Murtaugh. Murtaugh, who wears CIA and FBI logos and a laminated FBI badge when he reports the news, appears to be identical to the sketch created by a FBI sketch artist, of FBI informant and fugitive of James 'Whitey' Bulger, which was published by the U.S. Marshals Service.

In this, the thirteenth installment, we are going to reveal to you that members of a Foreign Power called the BAR ASSOCIATION are conspiring to protect their criminal enterprise. Evidence shows the criminal enterprise.

DONALD TRUMP CALLS OUT THE BAR ASSOCIATION

In April 2023 President Donald J. Trump [published a video](#) message to the world regarding the sweeping Marxist and insane corruption of the justice system that has infected the United States. “... we have to re-form the far-left BAR Associations ...” Trump said. Evidence shows Trump is referring to a criminal enterprise that was originally exposed by slain Congressional Defense Contractor Christopher Edward Hallett. Hallett called the BAR ASSOCIATIONS the “Deep State”.

FBI “OPERATION CHAOS” – “A PRELUDE TO MURDER”

On April 14, 2023, FBI media agent and field operative William Kevin Murtaugh (possibly also known as James ‘Whitey’ Bulger) published the first part of a series he created as part of the FBI’s “Operation Chaos”.

The series is called “A Prelude To Murder” and is being produced as propaganda intended to deceive the public and influence the jury pool in the Neely Petrie Blanchard murder trial in Florida.

PROTECT THE BAR ASSOCIATION and THE INTERNATIONAL CRIMINAL ENTERPRISE

When the FBI and their associates planned the murder of Christopher Edward Hallett, they had more than one objective. The PRIMARY objective was to **PROTECT THE BAR ASSOCIATION**. Hallett was performing loss-prevention for the United States Government and his company E~Clause LLC had identified how members of the BAR Association, colluding with other facets of the vast criminal network, had essentially taken over the world and were operating the largest human trafficking enterprise in the history of mankind.

Note: For more information on specifics go to Holmseth v. Page – 3:22-cv-00912 – Tennessee Middle District (RICO) where you can read sworn federal testimony.

The first objective was to, obviously, eliminate Hallett by murdering him. The second objective was to FRAME Neely Petrie Blanchard for the murder. The third objective was to establish a [fake] MOTIVE, which would be done by orchestrating events in the media toward a narrative that would support a GUILTY BY REASON OF INSANITY plea by Neely Petrie Blanchard. The narrative would be that Blanchard went insane because Christopher Hallett was failing to get

Blanchard's children back (who had been taken by the government through various means using 'courts'). **Facts and evidence CLEARLY PROVE that was NOT HAPPENING and Blanchard and Hallett were working together on the day of the murder and ambitiously preparing to make a HUGE court filing.** The narrative is intended to send a message that the courts, including 'FAMILY COURT'S', that are operated by (HUMAN TRAFFICKERS USING EMOLUMENT'S TO TRAFFICK HUMANS) the BAR ASSOCIATION, cannot be questioned, are not subject to the United States Constitution, and any attempt by a parent (e.g. Mother/Father/Grandparent) to go over the BAR ASSOCIATIONS head (as Christopher Hallett did by taking the Emoluments violations to Congress) will result in prison and/or death.

THE PENTAGON PEDOPHILE TASK FORCE

Christopher Edward Hallett, CEO, E~Clause LLC, was working with a group of affiliated individuals that became known as "The Pentagon Pedophile Task Force" (PPTF). The PPTF was comprised of Christopher Hallett, Kirk Pendergrass, Randi Erickson, David Straight, and the PPTF's ONLY news reporter, Timothy Holmseth.

In 2019, the PPTF was preparing to film interviews with mothers/parents who were victims of Child Protective Services (CPS) and Family Courts (BAR ASSOCIATION). The interviews were going to feature personal horror stories that would reveal the government (BAR) is kidnapping, abusing, raping, and murdering children. The interviews were going to be bundled and submitted to President Donald J. Trump. The interviews were going to be filmed in the Plum City, Wisconsin studio of Field McConnell.

Shortly before the interviews were to be conducted, Field McConnell was arrested (kidnapped by the BAR ASSOCIATION) in front of his studio.

RANDI LYNN ERICKSON CALLS THE STATES ATTORNEY OFFICE IN OCALA, FLORIDA

On April 14, 2023, Randi Lynn Erickson telephoned the Prosecutor's office in Ocala, Florida. Erickson was concerned because a man from Florida named William Kevin Murtaugh has been wearing FBI logos and claiming to be a "Federal Agent" and has been reporting news online that Neely Petrie Blanchard is "guilty" of murder.

Erickson advised the States Attorney's Office that she was/is licensed with the State of Florida and State of Minnesota and explained that she had escrowed evidence for Christopher Hallett, Neely Blanchard, and Timothy Holmseth. Erickson advised she had spoken to Blanchard's defense attorney and offered to turn over documents that Blanchard sent her, but requested a release signed by Blanchard authorizing her to do so.

Note: The licenses through the State that Randi Lynn Erickson holds make Erickson part of the **ACTUAL GOVERNMENT** (*Erickson abides by rules and Laws set up by the Legislative branch*) and is licensed under the Executive branch (there is a separation of powers between the Executive branch and the Judicial branch). Erickson's license is in **commerce** and is different from the BAR ASSOCIATION which is a private club that makes up their own rules and is

masquerading as government and deceiving the People. Erickson is required to pass FBI background checks and be insured (BAR members are self-regulated, part of a foreign power (British Accreditation Registry) and not members of the Government in the United States and are not insured) [IT'S ALL ONE BIG CLUB AND YOU'RE NOT IN IT].

Randi Erickson provided the name of the You Tube channel being used by the FBI man which is From The Desk of Murtwitnessone on You Tube.

“The reason for my call is there is a gentleman, his name is Murtwitnessone, it’s William K. Murtaugh, and he is sitting on a You Tube channel talking about the murder of Christopher Hallett, and Neely Petrie Blanchard. And what he’s doing is he’s got the 911 call out there – and he’s going into details you know, with his FBI garb on that he’s wearing, and he’s telling this story, about the murder of [Christopher Hallett] [allegedly committed by] Neely, and he also lives in Apopka, Florida, and I’m worried that he’s polluting a jury trial, or a jury that could possibly be hearing this,” Erickson said, in part.

Later in the day on April 14, 2023, William Murtaugh published the 911 call from the Hallett murder.

During the airing of the 911 call, FBI William Murtaugh made a comment section available on the sidebar where their operatives could make comments to advance the planned narrative of “Operation Chaos”.

During the airing of the 911 call, an operative using the name TN LIGHTS said, **“Timmy, Randi, Kirk, Chris... all defrauded and tricked neely”**.

The before-mentioned comment appears on the video screen for the world to see. The decision to make the comment appear on the screen is made by the person running the channel, which is FBI William Murtaugh. Murtaugh was required to execute a separate action (with his finger) in order to publish the comment.

TN LIGHT also said, **“Randi bears responsibility for this. She will burn in hell! People died over their little PPTF scam”**.

TN LIGHT also said, **“Timmy and Randi caused this”**.

The screenshot shows a YouTube video player interface. At the top, the YouTube logo and search bar are visible. The video thumbnail shows a man and a woman smiling. Below the video, the title "A PRELUDE TO MURDER: THE 911 CALL" is displayed. The channel name "FROM THE DESK OF MURTWITN..." and subscriber count "1.23K subscribers" are shown. The video player controls include a "Subscribe" button, a thumbs-up icon with the number "4", a thumbs-down icon, a "Share" button, a "Save" button, and a menu icon. On the right side, the "Top chat" section is visible, showing several comments from users like "TN Lights" and "LKennedyEskieMomma".

This screenshot is similar to the one above, but with a chat overlay on the video. The chat overlay is a blue box with the text "TN Lights Timmy, Randi, Kirk, Chris... all defrauded and tricked neely". The "Top chat" section on the right side of the player shows a different set of comments, including one from "LKennedyEskieMomma" that says "Please come on it! While we wait, please hit the thumbs up. If any part of the stream tonight is upsetting you, please take a break and return when you feel it's possible. Thanks y'all! Welcome!". The video player controls and channel information are the same as in the previous screenshot.

The personal and professional relationship between Christopher Hallett and Neely Blanchard had long existed for years before Randi Erickson or Timothy Holmseth ever even knew who Blanchard was. Erickson never met Blanchard in person, spoke with Blanchard a couple of times by telephone, and Timothy Holmseth does not recall ever talking to Blanchard.

The airing of the 911 call and the inflammatory false statements published by FBI and Murtaugh about Hallett, Erickson, Pendergrass, and Holmseth, are intended to CREATE a BASIS for an insanity defense.

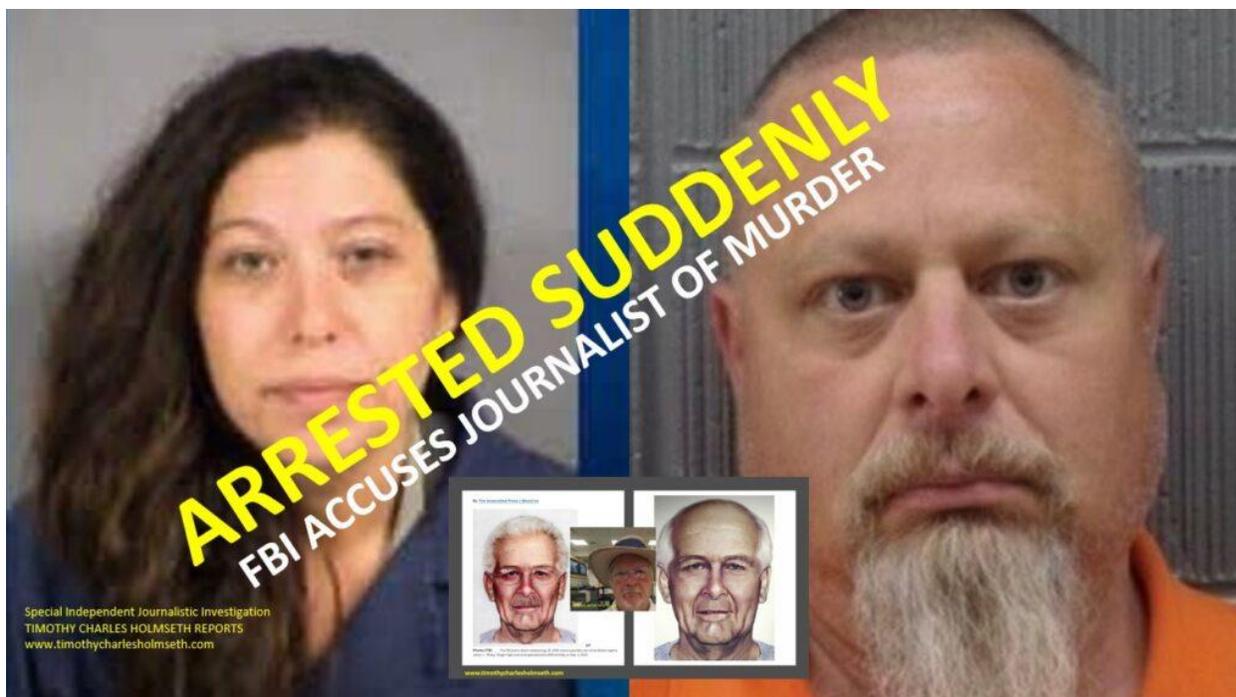

Our investigation continues.

On April 15, 2023, we published the thirteenth installment, “[TRUMP CALLS OUT THE BAR ASSOCIATIONS & RANDI ERICKSON REPORTS THE ACTIVITIES OF THE FBI TO THE STATE’S ATTORNEY IN FLORIDA](#)”

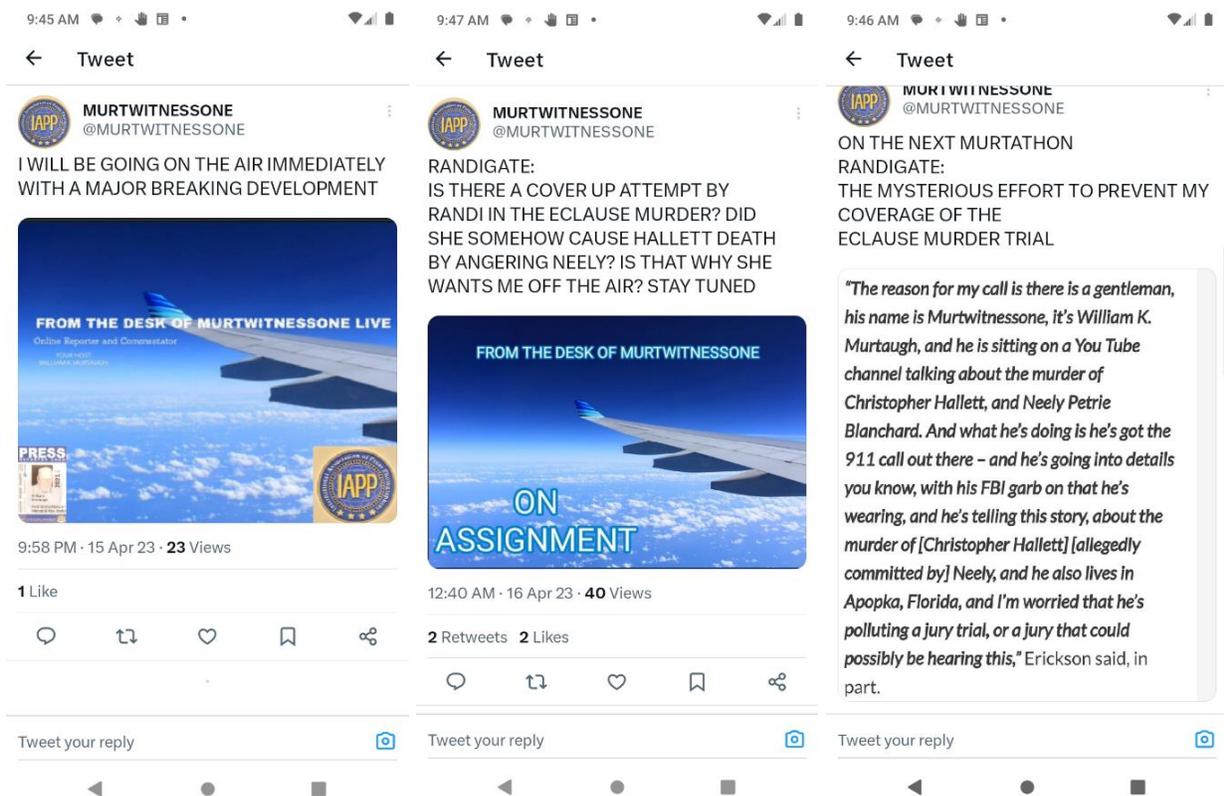

In this, our fourteenth installment, we will **PROVE** the truth and accuracy of the findings of our thirteenth installment, because the FBI's media agent William Kevin Murtaugh (possibly known as **James 'Whitey' Bulger**) immediately responded to our report. Murtaugh made statements that categorically proved there is a conspiracy underway involving the FBI, and possibly others at the State level of government and law enforcement and the BAR Association, to **FRAME** Timothy Holmseth and Randi Erickson for non-existent crimes that the FBI and others **PLAN** to **CREATE** by fabricating phony and/or inaccurate connections between Holmseth and Erickson to Neely Petrie Blanchard, in a plan that is designed to support a 'Guilty by Reason of Insanity' plea that Blanchard will be coerced into making.

SPOILER ALERT: William Kevin Murtaugh (possibly known as James 'Whitey' Bulger) is an operative of the FBI and is presently in the process of executing a plan to place Murtaugh in the Florida courtroom during the murder trial of Neely Petrie Blanchard, whereupon Murtaugh is going to be integrated and/or grafted into the official proceedings. The plan is to introduce Murtaugh, and/or 'evidence' Murtaugh claims to have, which will be accepted by the Florida Court and used to FRAME innocent people (i.e., Neely Blanchard, Timothy Holmseth, and Randi Erickson) and PROTECT the guilty (the assassins of Christopher Edward Hallett). FBI Murtaugh categorically accused Randi Erickson and Timothy Holmseth of a federal crime – 18 U.S. Code § 373 – Solicitation to commit a crime of violence.

On April 16, 2023, only hours after we published our thirteenth installment, FBI Media agent William Kevin Murtaugh, Apopka,

Florida, went Live on his You Tube channel from The Desk of Murtwitnesonelive and talked about Timothy Holmseth and Randi Erickson being “*directly responsible for the murder of Christopher Hallett*”.

The following video appeared on Bitchute and features clips of FBI Murtaugh reporting that Timothy Holmseth and Randi Erickson may be involved in the murder of Christopher E. Hallett. Murtaugh says he (Murtaugh) may have evidence of Holmseth and Erickson’s guilt that may come out during the trial. “There is an allegation that Timothy Holmseth and Randi Erickson may be the reason Neely Petrie Blanchard murdered Chris Hallett. It’s called incitement to commit murder,”

Murtaugh refers to his planned presence in the courtroom during the upcoming Blanchard trial as “going to court”. “Somebody is terrified of me going to court. That’s there’s information that I may have, or may see in court,” Murtaugh said. Murtaugh said there is a “cover up” by Randi Erickson and he is going to contact the States Attorney in the Blanchard murder case and get to the bottom of it.

WILLIAM KEVIN MURTAUGH AND THE FEDERAL BUREAU OF INVESTIGATION (FBI)

THE FBI, WILLIAM KEVIN MURTAUGH, AND OPERATION CHAOS

In or about September 2020, William Kevin Murtaugh, Apopka, Florida, began announcing “Operation Chaos” and/or “The Chaos Project” and began promoting it on social media. In September 2020 Murtaugh traveled by air from Florida to Minnesota where he filmed his travels with dash-cam and cameras, and showed he met with the Minneapolis FBI for, according to Murtaugh, “four hours”. Murtaugh exited the FBI building in Minnesota and promptly turned his camera on to make his video announcement that the FBI told him, during a four (4) hour meeting, there was “chaos” and “turmoil” coming in 2021. During his travels to Minnesota, Murtaugh drove by rent-a-car to Plum City, Wisconsin, and filmed the former studio of Field McConnell. Murtaugh then drove to Osceola, Wisconsin and filmed the office building of McConnell’s on-air partner Dr. Michael Olson (Dr. Good vibes). Murtaugh then drove to East Grand Forks, Minnesota, where he filmed the former residence of Timothy Charles Holmseth. Murtaugh drove to a former place of employment of Holmseth and filmed it. Murtaugh drove to the police department in East Grand Forks and met with Lt. Detective Rodney Hajicek. Murtaugh drove to the Polk County Justice Center in Crookston, Minnesota and obtained documents regarding Timothy Holmseth. Murtaugh also drove to the police department in Elk River, Minnesota.

Murtaugh, who wears “FBI”, “Federal Agent”, and “CIA” logos, and features a laminated FBI badge hanging around his neck, has repeatedly gone Live on his program From The Desk of Murtwitnesonelive, and said Timothy Holmseth and Randi Erickson are somehow involved in international human trafficking. Murtaugh created a presentation using maps and narratives that showed Minnesota, as well as other States, and pitched the idea that Holmseth and Erickson are working with a network that traffics children on international waters using a yacht.

McConnell was in Florida at the time where he was being held because he was *arrested suddenly* in 2019 in front of his studio in Plum City, Wisconsin where he was reporting on international child sex trafficking and kidnapping by CPS.

The source of the video is Murtaugh’s YouTube channel where he reports news for the FBI. Murtaugh published the video shortly after the murder of Christopher Edward Hallett who was shot to death in his Ocala, Florida home on November 15, 2020. As the video plays for his viewers to visually watch, Murtaugh talks to his chat room and discusses the “gun” used in the Hallett murder and talks about whether or not the gun used to murder Hallett by ‘Neely Petrie Blanchard’ was “stolen”.

ASHLEY COOPER BROWN

Ashley Cooper

Ashley Cooper (Ashley)

I would go to the ends of the world and back for YOU. Would you do the same?

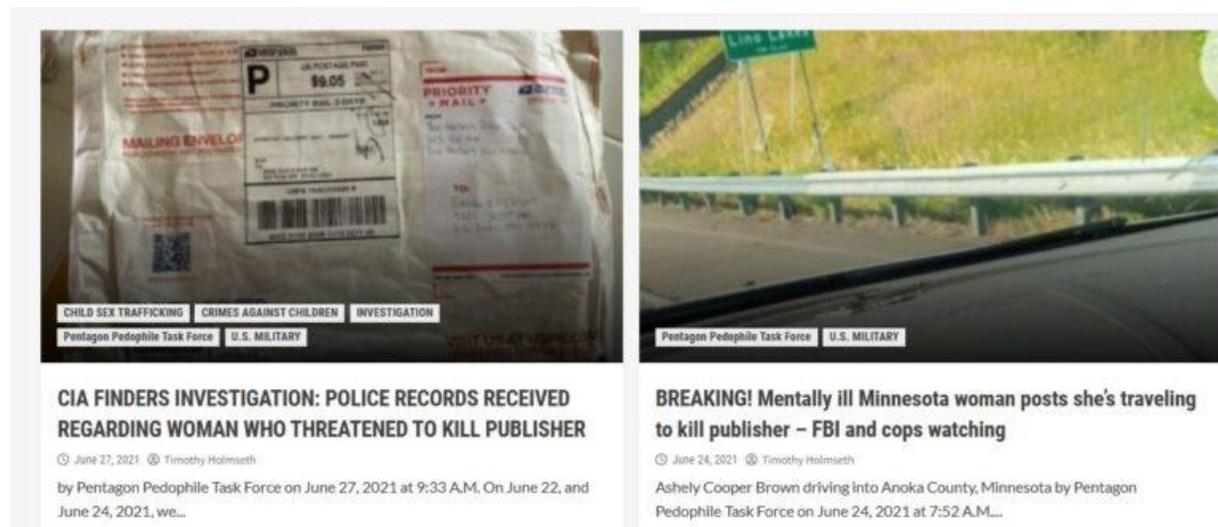

Message

Cashier and Salesperson at Walmart

Following the murder of Christopher Hallett, [Ashley Cooper Brown](#), Minnesota, began boasting and bragging on social media where she says, “we have Hallett’s computer”. She said, “the FBI needs to look in Hallett’s computer...”. She said, “the gun is military”. SEE SCREENSHOTS BELOW.

In June of 2021 Ashley Cooper Brown met with the FBI in Minnesota (the same FBI Murtaugh met with) to file a false report that Randi Lynn Erickson attempted to abduct her (Ashely Cooper Brown) child in a park in Two Harbors, Minnesota.

Ashley Cooper Brown is an operative that works with the criminal enterprise that involves FBI Murtaugh and others. Immediately after Hallett was murdered, Ashley Cooper Brown began to loudly advance the pre-planned narrative that Timothy Holmseth, Randi Erickson, Kirk Pendergrass, and David Straight were responsible for the murder of Hallett.

Ashley Cooper Brown has a police record in Two Harbors, Minnesota that is too long to publish. Cooper is/was an admin on a website located at [Stop CPS From Legally Kidnapping Children \(stopcpslegallykidnappingchildren.org\)](https://stopcpslegallykidnappingchildren.org)

<https://stopcpslegallykidnappingchildren.org/>

The purpose of websites that are set up and created to ‘fight’ child trafficking are almost always ‘INFORMATION HARVESTING OPERATIONS’ where targets are identified and intelligence is gathered and then forwarded on to be used by kidnappers and the trafficking cartel to steal kids and protect the enterprise (which is what Christopher Edward Hallett discovered and was proving to Congress in the Neely Petrie Blanchard matters).

6. INDEPENDENT DOCTOR EVALUATIONS
7. NO IMMUNITY FOR LYING, FABRICATING OR WITHHOLDING EVIDENCE

STOP CHILD PROTECTION SERVICE FROM LEGALLY KIDNAPPING CHILDREN HAS BEEN FEATURED ON:

Below you will see Ashely Cooper Brown REVEALING the ENTIRE PLOT on social media as she experiences ‘dupers delight’ which is a form of euphoria that psychopaths experience when they have pulled something off and fooled people.

On March 8, 2023, we published [Part 4 of ARRESTED SUDDENLY](#) that featured the involvement of Ashley Cooper Brown.

After seeing the report, Ashley Cooper Brown *quickly changed her tune* about who she believes murdered Christopher Hallett. Cooper Brown appeared on FBI Murtaugh's news report where he has been pretending to be a news reporter covering the Neely Blanchard Murder Trial but is actually delivering FBI talking points as part of "OPERATION CHAOS".

ASHLEY COOPER BROWN BELIEVES SHANNON MUTTER TANIS MURDERED CHRISTOPHER HALLETT AND NEELY BLANCHARD WAS FRAMED (REFERS TO A SECOND PERSON)

Ashley Cooper Brown publicly stated she believes Shannon Mutter Tanis murdered Christopher Edward Hallett. Cooper Brown also refers to a second person who she calls "the other guy". **"I think Shannon did it even though Neely is taking the fall either her or the other guy,"** Ashley Cooper Brown said.

WITNESS SHANNON MUTTER TANIS REFERS TO THE SHOOTER AS "HE" DURING 911 CALL

On April 18, 2023, a video appeared online that featured a segment of the 911 call made by Shannon Mutter Tanis requesting help because somebody was shooting Christopher Hallett in the home. Through a careful analysis of the 911 recording, it has been revealed that Tanis referred to the shooter as "he" two times.

Newly released video of two FBI agents is creating quite a stir in the first-degree murder case in Florida that was dubbed the “QAnon mom murder”.

A QAnon Mom Is Accused Of Killing A Man After She Believed He Was Keeping Her Children From Her

Neely Petrie-Blanchard was arrested in the fatal shooting of a Florida man after she believed he failed to help her regain custody of her children as part of their involvement in a bizarre QAnon and anti-government network.

Marion County Sheriff's Office

A Kentucky mother has been accused of killing a Florida man who was allegedly helping her regain custody of her children through their involvement in a bizarre QAnon network of self-proclaimed "sovereign citizens."

Mystery surrounds the identity of two FBI agents who appear in a video where they are interviewing the accused murderer of Christopher Edward Hallett, Neely Petrie Blanchard. The mystery may not so much be the identity of the agents, per say – but the attempt to HIDE their identities by the FBI media agent who has been publishing about the case – manipulating documents – and reporting that Blanchard is guilty.

The identifying information of these two men was carefully removed by FBI media agent William Kevin Murtaugh. Many believe Murtaugh is James 'Whitey' Bulger.

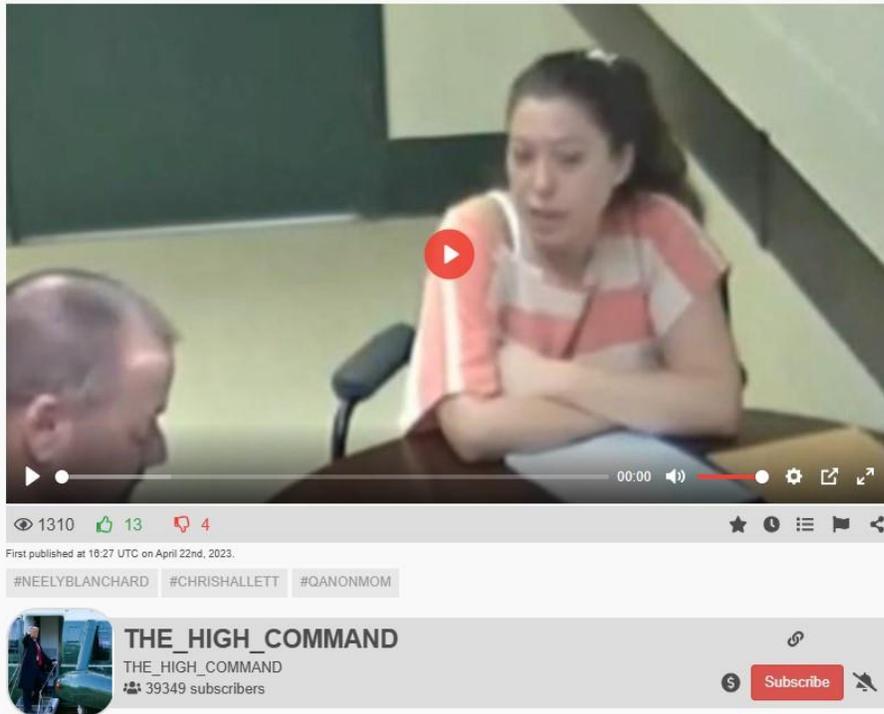

FBI DESPERATELY TRIES TO CONVINC MURDER SUSPECT NEELY BLANCHARD THAT HER VICTIM CHRISTOPHER HALLETT IS A BAD PERSON (WHICH MAKES NO SENSE)

Significant suspicions began to arise when the two FBI agents were seen desperately trying to convince Neely Blanchard that Christopher Hallett is a bad guy. The reason it is perceived as **HIGHLY SUSPICIOUS** is because Blanchard was/is charged with murdering Hallett. The police report says Blanchard was seen standing over Hallett with a gun and saying “you’re hurting my kids you bastard”. The FBI agents’ assertions to Blanchard that Hallett is a fraud and never filed anything for her in their court caused Blanchard to appear confused and sad and she actually began to debate them. It seems utterly bizarre that the FBI would be trying to convince Blanchard that Hallett was bad – if Blanchard in fact murdered him because she was angry at him. It literally makes **NO SENSE**.

The exchange between Blanchard and the FBI can be seen in the video below.

BACKGROUND

On November 15, 2020, Christopher Edward Hallett, the CEO of a corporation called E~Clause LLC was shot dead in his Ocala, Florida home. Neely Petrie Blanchard, an agent of E~Clause, was arrested the next day in Georgia. She was subsequently charged with 1st Degree Murder by the STATE OF FLORIDA in Marion County.

Blanchard was named as the shooter by another E~Clause agent, Shannon Mutter Tanis, as well as her minor daughter, who was also at the scene of the shooting.

The murder of Hallett received a tremendous amount of national attention in 2020 in the days after the murder – but quickly faded from the headlines after the Web was peppered with Blanchard's mugshot.

The Hallett murder case has, however, been consistently covered by one news outlet called TIMOTHY CHARLES HOLMSETH REPORTS, which has reported a disturbingly large amount of evidence that indicates Blanchard may have been framed.

There are now significant developments emerging as Blanchard’s trial inches closer.

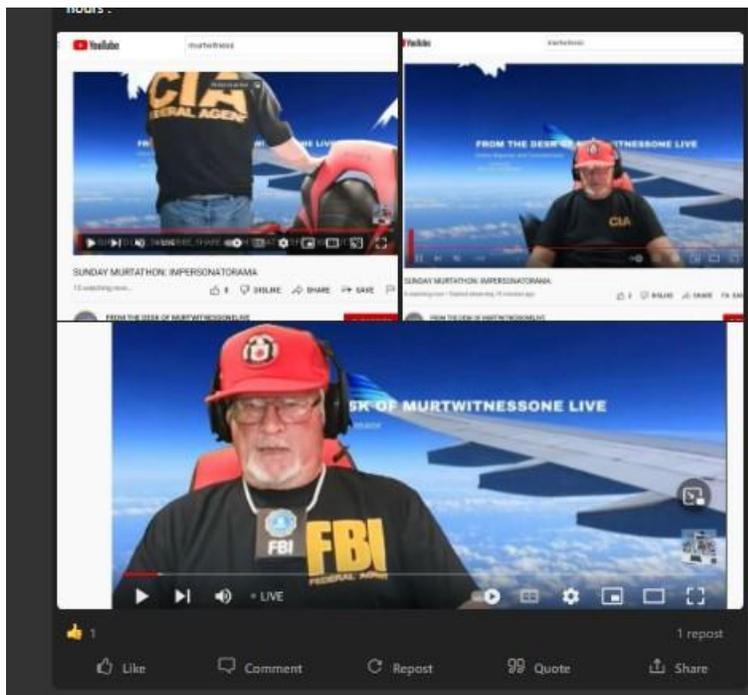

We are now learning for the first time that on December 17, 2020, Blanchard met with two FBI agents at the correctional facility where she was being held.

FBI INTERVIEW VIDEO PUBLISHED

On April 14, 2023, video of the FBI interviewing Blanchard was published on a You Tube channel called From The Desk of Murtwitnessonline.

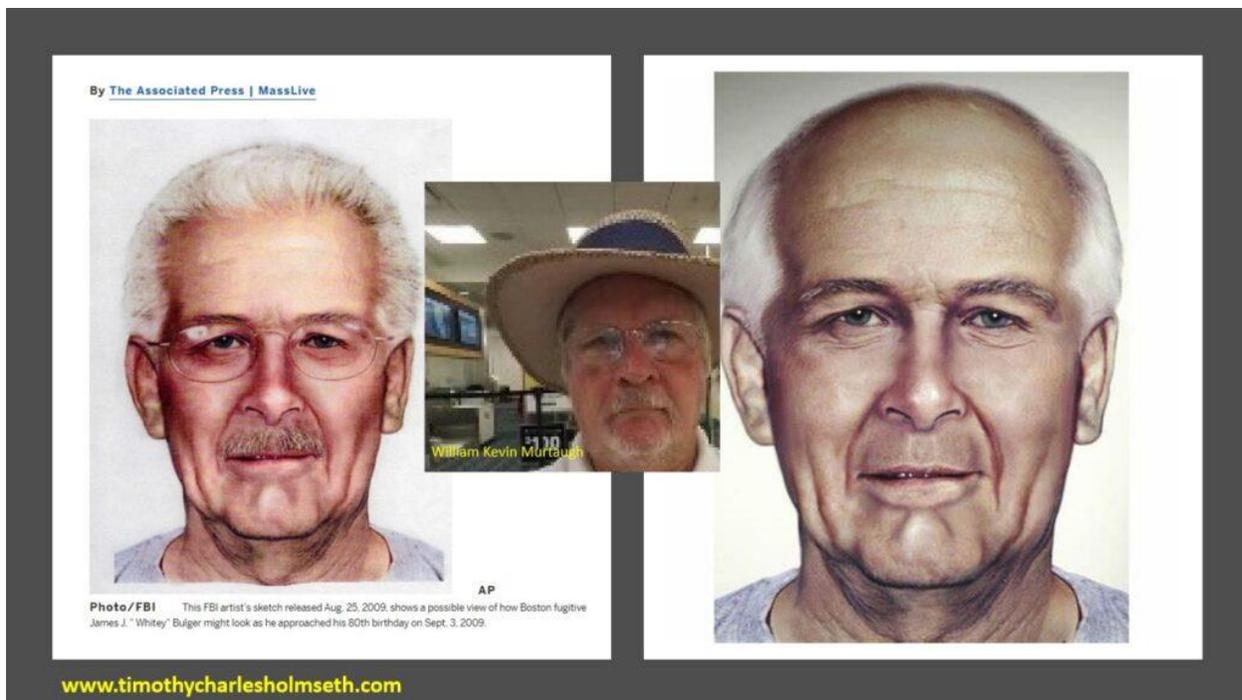

MURTAUGH IS A MEDIA AGENT AND OPERATIVE OF THE FBI

The video was published by William Kevin Murtaugh, Apopka, Florida. Murtaugh is a media agent and field operative for the FBI. Murtaugh reports news on his You Tube channel and often wears his FBI logos, clothes that say “Federal Agent” “CIA” and an “FBI” laminated badge.

MURTAUGH CLOSLEY RESEMBLES THE FBI SKETCH OF MOBSTER JAMES ‘WHITEY’ BULGER

Murtaugh’s true identity is questioned by many who believe he appears to look exactly like the man depicted in an FBI sketch artists’ drawing of James ‘Whitey’ Bulger that was published by the U.S. Marshals Service.

Murtaugh enjoys a very close relationship with the FBI and meets with the FBI. In 2020 Murtaugh traveled to meet with agents at the Minnesota field office, shortly before Hallett's murder. Murtaugh reported he discussed Hallett's corporation and the FBI's "OPERATION CHAOS" with agents for "four hours". Murtaugh has also reported he met with FBI in Florida regarding a photograph sent to his phone of a very small, hairless, vagina. Murtaugh said the case involving the 'small vagina' was closed.

Murtaugh said the FBI agents he meets with have asked him to not reveal their names.

NEWLY RELEASED VIDEO

When the video released by FBI Murtaugh begins, there is a timestamp in the upper left corner of the video. The timestamp said – Room 1 – 12/17/2020 – 11:11:55.

The video begins with Blanchard being brought into a conference room with two men. Blanchard asks for the names and identifications of both agents, who Blanchard appeared to believe were with the U.S. Marshal's.

"I'm Zac," said one agent, holding out his ID for Blanchard to read.

The man called Zac gave an introduction to Blanchard that appeared to divert from standard FBI procedure wherein 'Zac' did not refer to himself as an "Agent" but rather simply told Blanchard his first name.

"Okay, you're a Marshal, let me write this down," Blanchard said, looking at Zac's ID card. Upon hearing Blanchard say "Marshal" the other agent intervened.

“No, my name’s [*Thiever ???*] – [pronunciation difficult to understand] as well. We’re with the FBI,” the other agent then said.

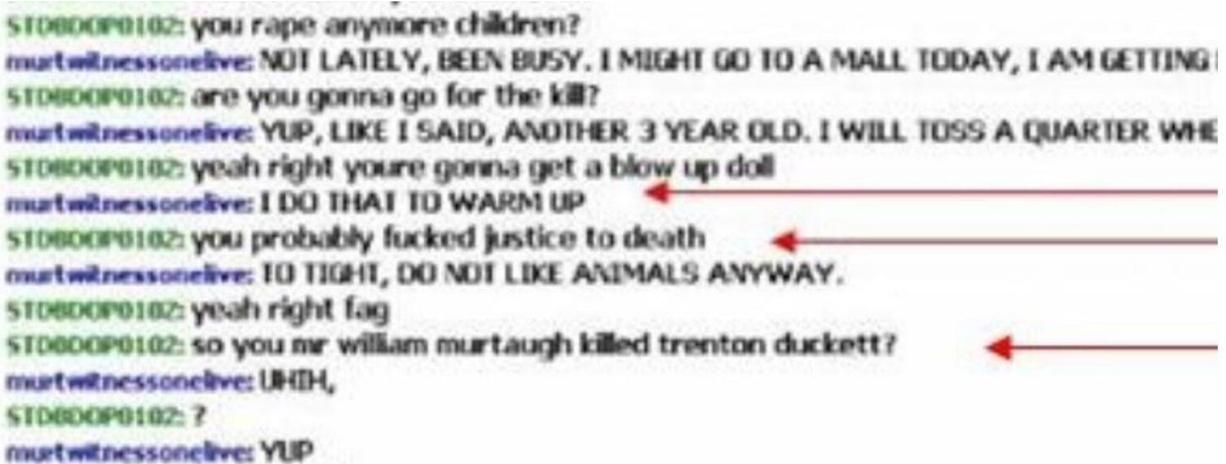

“Okay, so FBI. Can I write down your names,” Blanchard said.

“I don’t have a card or anything but yeah you can write down my name, it’s [the man possibly said his name was “Dave”]...”. At this point, FBI media agent Murtaugh applies a fade out to the video. The identifying information of the agents was removed.

THE TIME STAMP IS GONE

When the video fades back in, the timestamp is gone and does not return. It was removed by FBI Murtaugh.

This is the 18th installment of ARRESTED SUDDENLY.

NOTE: There is evidence supporting everything published in this story and the evidence is secured.

Evidence is emerging that shows the STATE OF FLORIDA prosecution of Neely Petrie Blanchard for the murder of Christopher Edward Hallett is comprised of activity that is in violation of the Racketeering Influenced Corrupt Organizations Act (RICO).

Evidence shows Timothy Charles Holmseth and Randi Lynn Erickson are victims of the RICO plot.

Evidence shows that in September 2020, William Kevin Murtaugh, Apopka, Florida, who regularly wears “FBI” “Federal Agent” and “CIA” on his person as he reports “news” on his YouTube channel and Blog, From The Desk of Murtwitnessonline, announced and promoted what he called “OPERATION CHAOS” and/or “THE CHAOS PROJECT”.

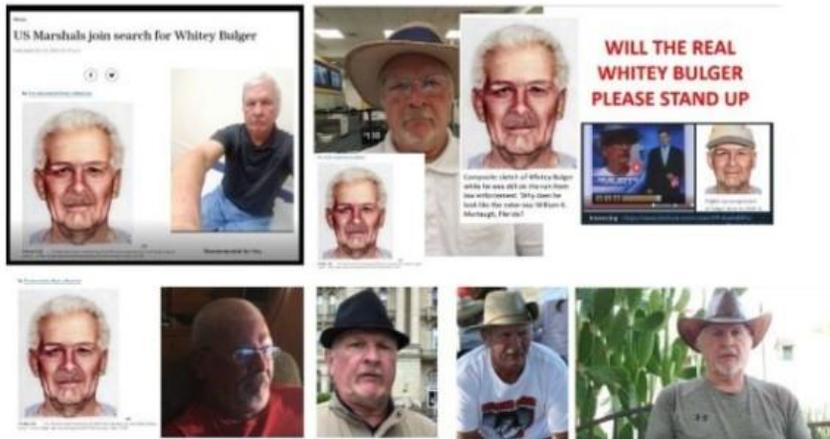

Evidence shows William Kevin Murtaugh appears to be the man/face shown in the FBI sketch of James 'Whitey' Bulger that was published by the U.S. Marshals.

by Pentagon Pedophile Task Force on August 31, 2022 – USA

Timothy Charles Holmseth posted the following today on Truth Social.

Evidence shows FBI media agent and operative William Kevin Murtaugh is posting press credentials, while simultaneously wearing FBI and CIA identification, and has announced he is providing “in-courtroom” press coverage for the murder case of Neely Petrie Blanchard. Murtaugh has announced he has met with the States Attorney in Marion County, Florida. Murtaugh has published court documents and videos. Murtaugh wore an “FBI” shirt and categorically said Blanchard is guilty.

Evidence shows ‘OPERATION CHAOS’ and/or ‘THE CHAOS PROJECT’ was/is an FBI operation created and implemented to use domestic assassinations, evidence planting, witness intimidation, and Malicious Prosecutions, to protect an international human trafficking operation involving a conglomerate of government agencies, private interests, and members of the BAR Association (British Accreditation Registry).

In September 2020, after much promotion, Murtaugh traveled by air from Florida to Minnesota to meet with the FBI at a pre-planned scheduled meeting. Evidence shows that during the meeting the FBI and Murtaugh conspired to commit crimes in violation of federal criminal statutes and RICO. Murtaugh announced he met with FBI agents for four hours. After the meeting, Murtaugh videotaped himself reporting trouble was coming for the outfit from Ocala, Florida (i.e., E~Clause LLC).

Evidence shows the plan to deceptively orchestrate events to create the false appearance of an international human trafficking operation included a plan to murder Christopher Edward Hallett. Hallett’s corporation E~Clause LLC was actively combating human trafficking that was being committed by an international criminal enterprise. The criminal enterprise was trafficking humans through the use of deceptive coding in computer systems used by Family Courts across the United States.

Evidence shows the murder of Christopher Hallett was planned and executed as part of “OPERATION CHAOS” (THE CHAOS PROJECT).

Evidence shows FBI media agent and operative Murtaugh met with FBI agents on multiple occasions. Evidence shows Murtaugh said he was asked by FBI agents to keep their identity

confidential. Evidence shows Murtaugh and the FBI discussed and developed a plan to falsely accuse associates of E~Clause, including investigative journalist Timothy Charles Holmseth and his escrow agent Randi Lynn Erickson, of operating an international child trafficking network that moved adults and children from location to location utilizing yachts on the High Seas. Evidence shows the plot is so elaborate that the plotters actually taunt Timothy Holmseth and Randi Erickson with claims they (the plotters) have obtained Holmseth's DNA and are going to plant the DNA at a crime scene of a murdered child.

Evidence shows FBI media agent and operative William Kevin Murtaugh publicly reported he met with FBI in Florida regarding a photograph of a 'small' hairless vagina that was transmitted to his telephone via interstate electronic communications. Murtaugh said he joined a call with the Tennessee Bureau of Investigation (TBI) regarding the photograph. Murtaugh categorically stated the identity of the female had been determined by law enforcement and the case was closed. Evidence shows Randi Lynn Erickson received the same photograph on her telephone – unsolicited by Erickson. Evidence shows the photograph was shown by Erickson to the TBI, and has been reported to the FBI, Ohio Attorney General, and Indiana State Police. Evidence shows Erickson telephoned the investigator in the Justin Foley child pornography case in Ohio and asked the investigator to search the photos seized from Foley to see if the 'small vagina' photo is in the Foley photos. Evidence shows Randi Erickson requested the Indiana State Police to investigate the vagina photo and rule out the identity of the small female from being slain child murder victim Abigail Williams who was murdered in Delphi, Indiana in 2017.

DEATH AND MURDER IN OCALA, FLORIDA

Evidence shows that on October 25, 2020, shortly after Murtaugh met with the FBI, Ocala Florida Police Chief Greg Graham was killed in a plane crash.

Evidence shows that on November 15, 2020, Christopher Edward Hallett, Ocala, Florida, was shot dead in his Ocala, Florida home.

Evidence shows that on November 16, 2020, Neely Petrie Blanchard, agent, E~Clause, was arrested. Blanchard was charged with First Degree Murder of Hallett. Blanchard was implicated as being the murderer by another E~Clause agent, Shannon Mutter Tanis, as well as Tanis' minor daughter.

FBI INTERVIEW WITH NEELY PETRIE BLANCHARD REVEALS EVIDENCE OF HUMAN TRAFFICKING BY FAMILY COURTS

The FBI interviewed Neely Petrie Blanchard after she was arrested for First Degree Murder.

The identifying information of these two men was carefully removed from the video published by FBI media agent William Kevin Murtaugh. Many believe Murtaugh is James ‘Whitey’ Bulger.

NEELY PETRIE BLANCHARD: I think that there is a connection between whoever this ‘Q’ is – whoever these people who were that posted – I think there was a connection between QAnon, or whoever had the – was able to do it – and E~Clause. And I think I have the evidence to prove that.

FBI AGENT: What do you mean there’s a connection?

BLANCHARD: Well, E~Clause, he (Christopher Hallett) told me that there were things that were going on with artificial intelligence that the com... you know that he had designed algorithms for systems for corporations so for the internet you know what I’m saying was out there was systems that were designed right and he basically what he said that the system that he had designed was weaponized by the Family Court – so the courts were using his system that he designed – okay – and they weaponized the Family Courts – so he had to go in and put an anti-virus into the systems to fix what was going – I guess to fix what had happened or maybe to try to reverse it – or you know.

FBI AGENT: So how is the system that he developed weaponized by the Family Courts?

BLANCHARD: They said that they took the – he said that they took it and they – they they basically weaponized the system – like they started to use it for something that it wasn’t intended to use for.

FBI AGENT: Such as?

BLANCHARD: Such as taking kids unlawfully – through – through Title 4

FBI AGENT: So wait. How is a computer system developed with algorithms making a judge decide what to do?

BLANCHARD: Well it was not the judge. It was the system that the Family Courts were using – the computer system that they would be using to do all of their – all of the information. Like when they enter in all the information.

FBI AGENT: What information?

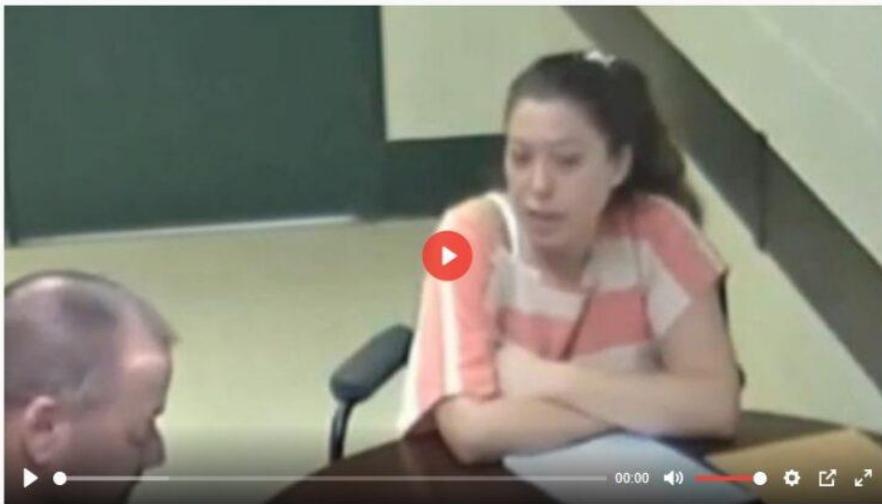

BLANCHARD: You know, I guess, the information with like case numbers and how they were doing something with case numbers – so like I said something is definitely going on

On April 25, 2023, William Kevin Murtaugh, Apopka, Florida (possibly known as James ‘Whitey’ Bulger) [published a video on You Tube entitled “The Spy Pen”](#) that contained audio recordings between a woman believed to be named Cathy Cunningham (spelling not known) of Kentucky and Neely Petrie Blanchard. The audio also includes calls with a man named Ronnie Knowles (also known as Paul Knowles).

On April 25, 2023, Investigative Journalist and War Correspondent Timothy Charles Holmseth announced on his Truth Social account he is investigating the video published by Murtaugh.

Murtaugh is a media agent for the FBI and met with the FBI in Minnesota in 2020, shortly before Hallett’s murder to discuss what Murtaugh called and promoted as “OPERATION CHAOS” and/or “THE CHAOS PROJECT”.

I am conducting a journalistic investigation into the video entitled "The Spy Pen" published by William Kevin Murtaugh (possibly known as James 'Whitey' Bulger) on From The Desk of Murtwitnessonline on You Tube.

The call contains the voice of Neely Petrie Blanchard (QANON Mom) and provides details regarding what was happening around her on November 15, 2020 (the night Christopher Edward Hallett was murdered).

Apr 25, 2023, 10:37 AM

Below you will see a transcription from the beginning of the telephone call between Neely Petrie Blanchard and a woman named Cathy. This clip of the call does not comprise the entire call. This is a rush transcription and not guaranteed to be accurate down to every jot and tittle.

~begin un-official transcription~

Neely Petrie Blanchard: Oh gosh. Central time – it’s ten o’clock eastern time. Ronnie Knowles that lives in Lawrenceville, Tennessee just sent me a text message. I just tried to send it to Cathy – it’s not going through. Cathy Cunningham [in] Kentucky. He said that the girls have been near the whole time and sent me a picture of the girls on a Bible verse on Job.

Cathy: I just got it.

Blanchard: Okay. Cathy promise me you will call you will get somebody to tell – get this story out or whatever – I don’t know what to do – does that mean he’s hurt them – (PORTION REDACTED) ____ Ronnie or whoever did you see the picture?

Cathy: I see the picture yeah

Blanchard: Okay let me call Ronnie

Cathy: Alright

Blanchard: Call him too – put him on recorder recording when you talk to him

Cathy: Put Ronnie on?

Blanchard: Yes – get as much evidence as you can get

Cathy: Alright

Blanchard: I don’t know what’s going on. My kids could be dead right now.

Cathy: All right I’ll call him

~end~

FIRST IMPRESSION – INVESTIGATIVE ANALYSIS

It is believed the before-mentioned call was made immediately AFTER the shooting/murder of Christopher Edward Hallett on November 15, 2020, while Neely Petrie Blanchard was traveling along in her vehicle.

It appears Neely Blanchard is FRANTIC about a “picture”. The picture involves Blanchard’s children. Blanchard is worried her children might be DEAD.

According to the police report in this case, an eyewitness said they saw Blanchard standing over Christopher Hallett saying, “You’re hurting my children you bastard”.

Whatever happened at the murder scene of Hallett appears to involve a “picture” that terrified Blanchard and caused her to fear for the lives of her children. In the call with Cathy she sounds like she is in a desperate situation and says, “I don’t know what to do”.

It is clear Blanchard's mind is in 'evidence gathering mode' as she instructs 'Cathy' to call Ronnie Knowles and record the call.

Court records in the case show Blanchard believed Ronnie Knowles was involved in Hallett's murder.

There are significant discoveries we have to report regarding the content of this call which will be published asap.

On November 15, 2020, Neely Petrie Blanchard made a [frantic call](#) to a woman named “Kathy” and was scared for the safety of her (Blanchard’s) children. Blanchard noted the time of day for the record which she said was 10 O’clock Eastern Time. It is believed Christopher Hallett is dead at this point and Blanchard is traveling along in her car.

Here is the applicable segment.

Neely Petrie Blanchard: Oh gosh. Central time – it’s ten o’clock eastern time. Ronnie Knowles that lives in Lawrenceville, Tennessee just sent me a text message. I just tried to send it to Cathy – it’s not going through. Cathy Cunningham [in] Kentucky. **He said that the girls have been near the whole time** and sent me a picture of the girls on a Bible verse on Job.

Blanchard appears to be in fear for the safety of her children, but notes to Kathy that Ronnie Knowles has assured her Blanchard’s little girls have been near him the whole time.

The question becomes – WHY is Blanchard **afraid** for her children and WHY is she focusing on WHO has them.

The answer to that question appears to be found in a message Blanchard sent a woman named Jamie Grubbs, which said the following.

The before-mentioned message mentions “Chris” which is “Christopher Hallett”.

The before-mentioned communications show Neely Blanchard was receiving CONFLICTING messages regarding the whereabouts of her children. Blanchard was so worried about her children she expressed they might be “dead”.

We are investigating the possibility that somebody impersonated Christopher Hallett via electronic communication and lied to Neely Blanchard about matters that involved the welfare status of her children.

If impersonation occurred, it would prove ORGANIZATION by bad actors.

Preliminary investigative research indicates an organized group may have been conspiring to STOP Hallett's exposure of a Satanic child sex trafficking operation that was being aided by a computer coding system used by FAMILY COURTS to manipulate court cases and judicially traffic children.

You can see and hear Hallett describe the FAMILY COURT computer system in this [video](#).

This is the twenty-first installment of ARRESTED SUDDENLY.

In [Part 13 of ARRESTED SUDDENLY](#) we reported that Randi Lyn Erickson telephoned the Office of the State Attorney in Marion County, Florida and reported to the Prosecutor’s office that a man named William Kevin Murtaugh was dressing in “FBI garb” and publishing the 911 call from the Neely Blanchard murder trial.

Erickson also advised the Prosecutor that she had telephoned the Defense in the case to advise she possesses information held in escrow regarding Neely Petrie Blanchard, Christopher Edward Hallett, and Timothy Charles Holmseth.

Here’s a segment from Part 13.

~begin segment~

Randi Erickson provided the name of the You Tube channel being used by the FBI man which is From The Desk of Murtwitnessonlive on You Tube.

“The reason for my call is there is a gentleman, his name is Murtwitnessone, it’s William K. Murtaugh, and he is sitting on a You Tube channel talking about the murder of Christopher Hallett, and Neely Petrie Blanchard. And what he’s doing is he’s got the 911 call out there – and he’s going into details you know, with his FBI garb on that he’s wearing, and he’s telling this story, about the murder of [Christopher Hallett] [allegedly committed by] Neely, and he also lives in Apopka, Florida, and I’m worried that he’s polluting a jury trial, or a jury that could possibly be hearing this,” Erickson said, in part.

~end segment~

William Murtaugh, a media agent of the FBI, who appears to be the man in the FBI sketch of James ‘Whitey’ Bulger, then continued to publish audios and videos from the Blanchard murder case which he said he obtained from the Court. Murtaugh said he paid four hundred dollars for the files.

Murtaugh wore an FBI shirt and publicly declared Blanchard is guilty.

audio recordings that a group of people – there basically plastering it all over the internet in many different social media applications and they're calling it 'The Neely Blanchard Murder Confession'. And it's like this recording that has been all spliced up and its basically trying to make the inference that she's confessing that she committed murderer whatever. But the concern I guess for me is this group is saying that they got this recording from the Court," the caller said.

The caller asked the Clerk if the recordings came from the Clerk of Court. **“No. No ma’am. Definitely not. They wouldn’t have gotten it from us,”** the Clerk said.

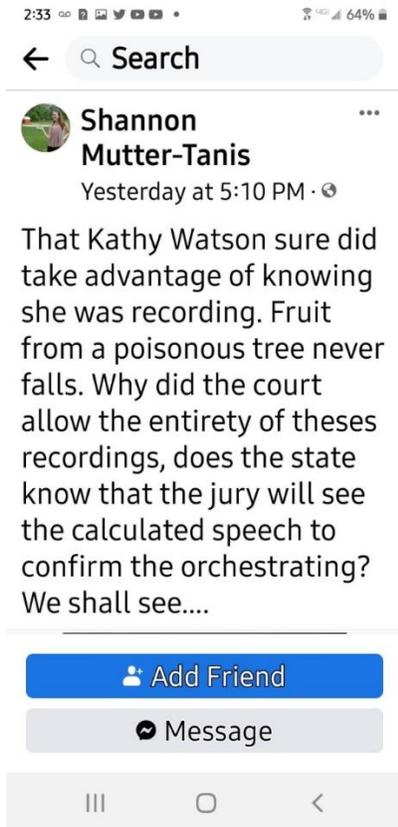

“Is it really her talking?” the Clerk asked.

The Clerk said, “no ma’am – that’s evidence” and would never be released to the public before a murder trial.

Shannon Mutter Tanis was at the scene of the Hallett murder on November 15, 2020. Tanis has commented on social media about the audios that are surfacing on the Web. It appears Tanis is suggesting the audios are orchestrated.

This is the twenty-second installment of ARRESTED SUDDENLY.

There is an audio recording that has been published that contains an alleged murder “confession” that, according to FBI media agent William Kevin Murtaugh, was made by Neely Petrie Blanchard and has been entered into evidence in the murder trial of STATE OF FLORIDA v. NEELY PETRIE BLANCHARD.

And according to FBI Murtaugh – the recording released for publication on Murtaugh’s You Tube channel, was given to Murtaugh by the Marion County State Attorney’s Office. Murtaugh claimed he paid “\$400.00” for the files.

William Murtaugh appears to be the man shown in the FBI sketch of the notorious FBI informant and psychotic mobster-pedophile James ‘Whitey’ Bulger that was published by the U.S. Marshals.

Timothy Charles Holmseth posted the following today on Truth Social.

And now – there is **STRONG** evidence the recording may be comprised of various audio samples of Neely Blanchard that were deceptively strung together to create the illusion that Blanchard confessed to murdering Christopher Hallett on November 15, 2020.

Hallett was a congressional defense contractor who was assisting Blanchard. Hallett was exposing a computer and coding system used by Family Courts and the BAR Association to manipulate data and rig every conceivable matter of court cases in advance of international child/human trafficking. [WATCH HALLETT](#) expose the system in this [video](#).

<https://www.bitchute.com/video/NqgN6yZCakRA/>

The private membership club called the BAR Association has been presented to We The People as actual government but is actually a foreign entity called the British Accreditation Registry, is private, and self-regulated.

The entity to most benefit from the murder of Christopher Hallett was the BAR Association.

The so-called ‘Confession of Neely Blanchard’ was originally published by FBI Murtaugh on April 25, 2023, in a video he called “The Spy Pen” which is part of a series he is producing and publishing called “Prelude To Murder”.

On April 26, 2023, we reported the Marion County Clerk of Courts for the Criminal Division made it very clear that the Clerk did not release the alleged evidence to anybody.

~begin segment from Pt. 21~

MARION COUNTY CLERK OF COURT SAYS THEY DID NOT RELEASE THE SO-CALLED EVIDENCE

On April 26, 2023, an audio of a telephone call to the Marion County Clerk of Courts Criminal Division appeared online from someone inquiring about the audios and videos online.

“Reportedly there is a video audio recording that has been spliced of like multiple different audio recordings that a group of people – there basically plastering it all over the internet in many different social media applications and they’re calling it ‘The Neely Blanchard Murder Confession’. And it’s like this recording that has been all spliced up and its basically trying to make the inference that she’s confessing that she committed murderer whatever. The caller asked the Clerk if the recordings came from the Clerk of Court. **“No. No ma’am. Definitely not. They wouldn’t have gotten it from us,”** the Clerk said.

“Is it really her talking?” the Clerk asked.

The Clerk said, “no ma’am – that’s evidence” and would never be released to the public before a murder trial.

After it was reported by TIMOTHY CHARLES HOLMSETH REPORTS that the Clerk of Court stated they did not release the files, Murtaugh quickly logged into Twitter and announced he received the evidence from the State Attorney.

On April 27, 2023, a Pre Trial conference hearing was scheduled for the Blanchard case in Marion County, Florida. According to Murtaugh, who attended, the hearing was continued because somebody didn’t “do their homework” and somebody didn’t show up.

They key witness in the State's case against Blanchard, Shannon Mutter Tanis, commented on social media that the so-called confession is suspicious and said the jury is going to easily see it was orchestrated.

During what Murtaugh called a 'Mobilethon' on April 27, 2023, he expressed his dismay at the recent turn of events. Murtaugh announced he discussed Timothy Charles Holmseth with the "Court".

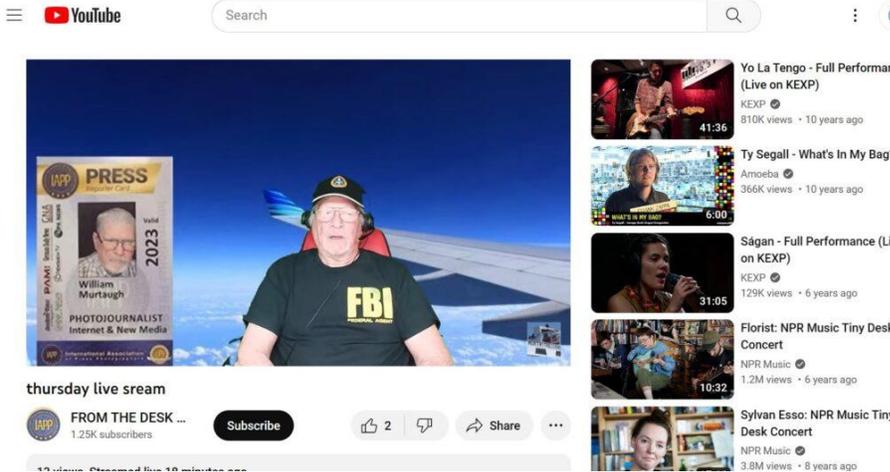

"But it looks like Timmy's going to be able to do his conspiracy theories for another month because it's going to take that much longer for these things to filter through the court and so it's going to take that much longer for the truth to come out. You know he is not understanding that when it comes time for this thing to go to trial all the truth is going to come out. And he's going to find out quickly that you do not lie on the internet it has a habit of catching up with you. I discussed the latest post by Tim Holmseth with the Court. And, Tim Holmseth lied once again," Murtaugh said.

Murtaugh commented on the files he obtained from the State Attorney.

"THE COURT GAVE IT TO ME"

"There is – you know – the information I have is perfectly legal the Court gave it to me the only problem with Timmy is he doesn't know how to check these things or whoever the idiot was because if that were the case then Tim Holmseth might want to start deleting shit off of his media because if I'm not supposed to have the content as he claims then neither is he and so he needs to delete it all. Of course he lied I am entitled to put that up I had the permission of a State Attorney's office to put it up if I so wish. There is no jury to poison because the jury hasn't been selected yet. And the representative I talked to thought it was kind of funny that he would even claim such a thing. But this is Timmy we're talking about. And so you know this is kind of nonsense we have to put up with. So what's basically going to happen is were going to go through another few weeks of this nonsense – I really probably should have waited to start everything until after they had decided okay let's go ahead but instead the judge granted them the continuance and were going have to wait and see what happens next," Murtaugh said.

Murtaugh appeared on his You Tube channel on April 27, 2023, to report his FBI activities in Marion County on Thursday wearing his FBI shirt.

VERY SIGNIFICANT CONCERNS ABOUT THE BLANCHARD MURDER TRIAL

There are very significant concerns that audio clips and files were given to FBI-CIA operatives by a State Attorney in a murder prosecution in Florida, whereupon the files were used to fabricate a “confession” by the accused (Neely Petrie Blanchard), and then the “confession” was entered into the official Court record by BAR Attorneys, who were then relying on the “confession” to bolster a “guilty by insanity” defense.

ASSISTANT STATE ATTORNEY AMY BERNDT – MEMBER OF THE BAR ASSOCIATION

FBI Murtaugh has categorically stated he received the files from the State Attorney.

The State Attorney on the Blanchard case is Amy Berndt.

Amy Beth Berndt is registered with the Florida BAR Association as a State Attorney in Ocala, Florida.

Our preliminary research on ASA Bernt says, “Amy Berndt B in 2021 was employed at Justice Administrative Commission and had an annual salary of \$111,300 according to public records. This salary is 104 percent higher than average and 116 percent higher than median salary in Justice Administrative Commission”.

The bio states Berndt is employed by the **Justice Administrative Commission**.

We are not familiar with Berndt’s employer in 2021, the [Justice Administrative Commission](#), and we are investigating. We will be attempting to identify ASA Berndt’s present employer.

PRISONER OF WAR

In this, our twenty-third installment, we will begin with a quote from the attorney of Richard Allen as published on FOX NEWS.

"The conditions under which Mr. Allen has been forced to endure are akin to that of a prisoner of war," his attorneys wrote in the motion obtained by FOX 59 Indianapolis, which is now confidential, according to the clerk's office.

"They say that Allen, who has a hearing in June, is living in a 6-foot by 10-foot cell "no larger than that of a dog kennel," and sleeping on a pad on a concrete floor," FOX NEWS reported.

"When Allen's attorneys visited him on Monday, he was "delusional" and showed signs of "schizophrenia," the motion reads," FOX NEWS reported.

On March 5, 2023, we published "[ARRESTED SUDDENLY – AN INDEPENDENT INVESTIGATION OF TWO FIRST-DEGREE MURDER TRIALS UNDERWAY IN FLORIDA AND DELPHI, INDIANA \(Pt. 1\)](#)".

Our series features the cases of two people, Neely Petrie Blanchard, and Richard Allen, who were arrested suddenly for first degree murder. Blanchard was arrested for the murder of Christopher Edward Hallett in Ocala, Florida, and Allen was arrested for the murder of two young girls in Delphi, Indiana.

The reason Richard Allen's attorney used the term Prisoner of War is because that is what Allen is – as is Neely Blanchard.

NEELY BLANCHARD AND RICHARD ALLEN STUMBLED INTO ORGANIZED CPS CHILD SEX TRAFFICKING AND SATANIC SACRIFICE

In October 2019 Timothy Charles Holmseth reported for the Pentagon Pedophile Task Force that 2,100 children had been removed from their confinement in cages in an underground location in

California by U.S. Marines. Holmseth's source for the story was David Lester Straight who told Holmseth he served on three Presidential Commissions under President Trump (i.e., Human Trafficking, Judicial Corruption, and Space Force), and held U.S. Secret Service credentials because he protected a U.S. President (Bush). Straight said most of the children transferred from their cages had originally been kidnapped by Child Protective Services (CPS). Straight later updated Holmseth that 300 of the children died. In 2021 CBS reported DHS Secretary Alejandro Mayorkas confirmed the 2,100 kids were missing – but deceptively blamed the situation on President Donald Trump.

The case of the missing 2,100 kids is connected to the prosecutions of Neely Petrie Blanchard and Richard Allen. Blanchard and Allen accidentally stumbled into their respective involvement with members of the organized criminal enterprise that has been harvesting children at the industrial level.

UNITED STATES ARMY

Randi Lynn Erickson, a former taxation judge from Minnesota, escrowed some of the evidence of child trafficking and crimes against humanity that has been reported on by the Pentagon Pedophile Task Force. Erickson turned over evidence to the U.S. Army comprised of sworn affidavits from cannibalism witness Jessie Marie Czebotar. Czebotar swears under oath she witnessed U.S. Presidents torturing, murdering, and eating children. Czebotar's story is credible as she admits she was selected as a young child to be the Queen Mother of Darkness. Czebotar's affidavits set forth the locations and smallest details regarding military torture and programming of children at facilities in the United States and abroad. Czebotar received enough public support to qualify for an application to testify before U.S. Congress. Czebotar is presently pleading to testify before the Weaponization of the Federal Government subcommittee headed by Rep. Jim Jordan.

In October 2021 Erickson communicated with her U.S. Army contact Andrew Perniciaro at Fort Campbell.

“...most of our work (PPTF aka Pentagon Pedophile Task Force) was filed by Christopher Hallett, on many of these people.. those filings included the arrest warrants .. I know this, because Chris told me so, before his murder (receipt attached and messages attached).. this is years of our joint work and audits...,” Erickson said.

Erickson provided the U.S. Army extensive information about an international child trafficking enterprise.

“Other cases that include this info is on a Neely Blanchard.. (She too sent me her evidence of her innocence) and proof of the “Covid codes” that Chris was tracking to international undisclosed “funds” held off shore. (another case coming your way) but also tied to this receipt..,” Erickson said.

The receipt referred to by Erickson referenced a U.S. Court filing made by Congressional Defense Contractor Christopher Hallett on November 2, 2020 (Hallett was gunned down on

November 15, 2020). Hallett sent the receipt to Erickson. The receipt subsequently VANISHED from all existence from the federal court files.

The receipt was subsequently published on TIMOTHY CHARLES HOLMSETH REPORTS.

After the receipt was published, FBI media agent and operative William Kevin Murtaugh, Apopka, Florida, who often wears his FBI (Federal Agent) shirt while he reports news, announced that he spoke to the Clerk of the U.S. Court about the receipt. Murtaugh reported he was told by the Clerk that the receipt was a forgery. Years later, Murtaugh went back on his news show and announced he had been given a copy of the documents that Hallett filed in connection with the receipt. **Therefore – FBI Murtaugh told two completely different stories about the U.S. Court receipt and the documents attached to that filing by Hallett.**

In September 2020, after promoting what he called “OPERATION CHAOS” – FBI Murtaugh traveled from Florida to Minnesota and met with FBI agents in Brooklyn Center for “four hours”. Murtaugh published video of himself leaving the FBI headquarters and announced Hallett’s days were numbered.

It’s been widely observed that Murtaugh appears to be face shown in the FBI composite sketch of FBI informant, pedophile, and serial killer, fugitive James ‘Whitey’ Bulger that was published by the U.S. Marshals.

Murtaugh's FBI news program on You Tube is moderated by a man from Duffield, Virginia named John Taylor (firemanjohn628).

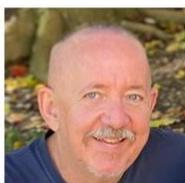

Taylor publicly stated he spoke with **Neely Blanchard** and tried to help get her an attorney.

Taylor's face is strikingly similar to the face of Richard Allen.

MARION COUNTY STATES ATTORNEY OFFICE AND CLERK OF COURTS IN FLORIDA ARE AT ODDS WITH EACH OTHER REGARDING WHO RELEASED FILES TO FBI MURTAUGH

FBI William Murtaugh recently wore his FBI (Federal Agent) shirt and announced Neely Blanchard is guilty. Murtaugh has also spoken extensively about Richard Allen – labeling Allen a pedophile despite Allen having no such record. Murtaugh has repeatedly denounced various people for “praying” for Richard Allen.

Chat logs suggest Murtaugh may be a serial killer.

The Caretaker Letter

Murt thought it would be hysterical to write a caretaker letter for the person who had abducted Trenton Duckett. He spent weeks on the true crime forums posting countdown dates until January 12, which he stated was the date that Trenton would be returned to his loved ones. How does one even begin to explain the unnecessary trauma and heartache that was caused by William Murtaugh to this family? Why would anyone lie to the family of a missing child or to those who were following the case using false hopes all because this madman wanted to get attention for himself.

Below is the Caretaker Letter that Murt posted and what eventually resulted in Mike DeForest coming to his home to interview and ask him what inside information he had. To which Murt exclaimed that he had no inside information and was only posting it because he thought it would draw out the abductor. It was "ill advised" and Murt will use this excuse years later after his involvement in the Caylee Anthony case.

*The Caretaker Letter
To Trenton's caretaker
Hello my friend:I now know why Melinda trusted you to take care of Trenton.
I know that you are monitering the discussion forums.
You know time is running out.
Listen to your soul mate. Things are going to work out.
It is time to return Trenton to his family.
Take Trenton to the larger hospital or take Trenton to the fire station on the main road near
your place.
Do it now.
Do it while you still can.
If you need help, contact me. You know how.
MURT*

Murtaugh recently stated he obtained files and records from the Blanchard murder case after, he said, he paid \$400.00 for the files.

Murtaugh then published audio on a [video he called "The Spy Pen"](#).

<https://www.youtube.com/watch?v=-v2ocOOYiek>

The audio, he said, contained the “confession” of Neely Blanchard. Researchers and independent investigators almost invariably agree that the audios sound like spliced sound clips deceptively strung together to present a misleading message. Murtaugh’s network then distributed the deceptive recordings all over the Web.

An independent investigation into the release of the ‘spliced’ files revealed the Clerk of Court in Marion County, Florida adamantly denied releasing the files which, the Clerk said, they would never do because it’s evidence. After the news broke that the Clerk of Court in the Criminal Division did not release the files, Murtaugh backtracked and said he obtained the files from the State Attorney.

MARION COUNTY STATE ATTORNEYS TOBY HUNT AND AMY BERNDT

Further journalistic investigation led to Attorney Toby Hunt and Amy Berndt at the States Attorney’s Office in Marion County. Statements by Hunt indicate Hunt has been in email communication with Murtaugh.

The burgeoning scandal involving Hunt, and files being turned over to Murtaugh, is exasperated by the fact Murtaugh published a police interview in an entirely separate case, that is presently active in the courts, involving a healthcare provider accused of sexual misconduct against a child. Murtaugh showed the police interview in the middle of a presentation he was doing about the Blanchard case. Although the police interview was clearly not associated to Blanchard, Murtaugh let the entire interview play.

It gets weirder.

Murtaugh said he received the files from the Marion County State Attorney **despite the fact that the sexual misconduct case is not in Marion County**. This is creating questions about Hunt and Marion County’s involvement with ‘files’ and where they are actually being obtained because Murtaugh appears to have access to files from different jurisdictions.

Adding to the utterly bizarre environment being created by FBI Murtaugh and States Attorney Hunt, Murtaugh then began covering the sex case of the healthcare provider and said he was going to be attending court hearings.

Murtaugh recently filmed himself in front of the justice center in Marion County where a pre-trial hearing for Blanchard was being held. Murtaugh stated in a video that he had spoken with the Marion County Sheriff and made sure that if Timothy Charles Holmseth and/or Randi Lynn Erickson attend the Blanchard hearing they will be arrested.

There is presently an investigation underway into the U.S. Court filing made by murder victim Christopher Hallett shortly before he was gunned down in Marion County. The federal court filing VANISHED (but may now have magically re-appeared under Hunt’s watch – possibly fabricated and faked).

FBI Murtaugh released video interviews he obtained from the Marion County State Attorney that showed Neely Blanchard being interviewed by two FBI agents shortly after her arrest. An FBI agent told Neely Blanchard that Christopher Hallett never filed anything in the Florida federal court. Blanchard appeared stunned, sad, and in dismay at what the FBI agent said. However, evidence shows that what the FBI agent said was not true because Hallett did file into the Florida federal court as evidenced by the receipt.

The FBI agent's statement to Blanchard that Hallett never filed anything, combined with Blanchard's sad confusion to what the agent said (Blanchard actually debated the agent and said she saw a court file number), **COMPLETELY CONFLICTS** with the so-called Neely Petrie Blanchard 'Confession' that according to FBI Murtaugh and the State Attorney, was made by Blanchard shortly after the murder wherein she expressed her raging anger at Hallett – thus explaining why she would murder him.

Nothing in this installment of ARRESTED SUDDENLY shall be construed to be accusations of wrongdoing against the Marion County State Attorney or Marion County Sheriff.

However, an abundance of evidence clearly shows something is amiss in Marion County, Florida and may be connected to existing claims already filed in federal court setting forth violations of the Racketeering Influenced and Corrupt Organizations Act (RICO).

On March 5, 2023, we published the first installment of our investigative series called **ARRESTED SUDDENLY** which focuses on two First Degree Murder cases underway in the United States. The two cases are State of Florida vs. Neely Petrie Blanchard, and State of Indiana vs. Richard Allen. Blanchard is accused of murdering Christopher Edward Hallett on November 15, 2020, and Allen is accused of murdering two little girls, Abigail Williams and Liberty German in Delphi, Indiana on February 13, 2017.

Evidence, facts, and circumstances show Blanchard and Allen, despite Blanchard and Allen not knowing each other, and both living in separate States on opposite sides of the country, were surrounded by the same people, whose names continuously come up in cases involving murder, missing children, CPS, child pornography, and are proven through actual video to be directly connected to the FBI, CIA, and Attorneys with the BAR Association.

In this, our twenty-fourth installment, we are going to reveal to you WHO Christopher Edward Hallett really was; WHAT Hallett was doing when he was assassinated; and show WHY his murder benefited an international human harvesting cartel.

The mainstream media bent over backwards to push the narrative that Hallett was crazy... which was, as President Trump would say, “Bullshit”.

Spoiler Alert: Christopher Hallett had a MANDATE from a Judge and was working with U.S. Congress.

BACKGROUND

On November 15, 2020, Christopher Edward Hallett was gunned down in his Ocala, Florida home. Hallett’s longtime friend and colleague, Neely Petrie Blanchard was immediately accused of the murder and was arrested the next day in Georgia. The murder hit the mainstream media news like a bomb with headlines flying in every direction like shrapnel – besmirching Hallett as a “sovereign citizen” and calling Blanchard the “QAnon Mom”.

“An anti-government ideologue in Florida who professed to be a “sovereign citizen” was allegedly gunned down by a woman on Monday who was also a member of the movement,” the New York Post said.

As President Trump would say, “Fake News”.

The mainstream news was wholly deceiving the public about Hallett.

Hallett was a loss-prevention specialist performing audits for the United States Government and discovered a complex internal coding system being used by members of the BAR Association, in conjunction with a vast network of human traffickers that were operating the largest trafficking cartel in the history of mankind.

On October 25, 2019, Hallett communicated with investigative journalist and war correspondent Timothy Charles Holmseth regarding joint interests that existed between Holmseth and Hallett.

Hallett was introduced to Holmseth by a former truth and taxation judge from Minnesota, Randi Lynn Erickson, who realized Holmseth, a news reporter, had been kidnapped under Color of Law in Minnesota and desperately needed help.

In 2010, Holmseth was interviewed by the FBI regarding an FBI agent named “John Regan” who was working with a vast network of child traffickers connected to Jeffrey Epstein and was holding babies until they could be moved through the Ukrainian Embassy in Washington DC using fake medical records and church dossiers.

Hallett and Holmseth were both victims and adversaries of the Florida BAR Association.

In October 2019, Hallett and his company E~Clause LLC possessed Power of Attorney for Holmseth. In October 2019, Holmseth reported David Lester Straight, who claimed he was in regular contact with Melania Trump, was with U.S. Secret Service, and serving President Trump on several commissions, told Holmseth he (Straight) had recently assisted U.S. Marines with the transfer of 2,100 children from their confinement underground in cages in California. Straight later told Holmseth the 2,100 kids were moved throughout Johnson County, Texas. Straight said the children had been abducted by CPS and 300 of them died.

Hallett’s company E~Clause was battling on multiple fronts which included exposing CPS and Weaponized Family Courts which Hallett proved was Sharia law. On October 25, 2019, Holmseth and Hallett were talking. “I’ve done this so many time & been granted Standing against the BAR here in Florida, Texas, and Ohio just to name 3 off the top of my head. Obviously useful idiots will attack what they don’t understand, but the process outlined in the Congressional Manual I follow speaks for itself. I’ve included the pages I used to get this attached Standing Mandate. The simple fact is I follow Due Process of Law as it is written in the book. Not some BAR shit made up to fit their agenda as they want it to,” Hallett said.

Hallett was right and all of his detractors were wrong.

Hallett received a MANDATE from Judge Jay P. Cohen, Florida Fifth District Court of Appeal.

As the American public now begins to realize how the media was utilized with military precision by a foreign enemy to push false narratives against President Donald J. Trump, run psychological operations on Americans, cause death and mayhem including the publication of propaganda regarding a bioweapon called COVID-19, the world is now prepared to understand why the mainstream media instantly attempted to discredit Christopher Edward Hallett after his assassination.

In future installments of ARRESTED SUDDENLY we will be revealing documents that PROVE Hallett was nothing short of genius who untangled the solidly engrained knots that comprised the most sadistic, psychopathic, and evil network of demons to ever walk the earth.

BREAKING NEWS ABOUT FIELD MCCONNELL

There are also breaking developments in the case of Field McConnell, who was ARRESTED SUDDENLY in November 2019, while he was being assisted by Christopher Edward Hallett. McConnell was working with Hallett’s company E~Clause and was preparing to air interviews of CPS victims on his You Tube program The Field Report, in coordination with the Pentagon Pedophile Task Force.

The State of Florida managed to STOP the interviews with the CPS victims from being aired in 2019.

We recently reported in a series entitled “OPERATION MORSE CODE” (T-O-R-T-U-R-E) that McConnell was the target of an FBI operation called “OPERATION CHAOS” involving William Kevin Murtaugh Apopka, Florida, and his (McConnell’s) life was in danger.

The Pierce County Sheriff's Office in Wisconsin was alerted to concerns about McConnell's situation that involved a woman from Canada using the name Paula C. Blades, and what appeared to be a Witch coven connected to Florida and Ohio, that had overrun his home and life. McConnell said people from Florida and Ohio were coming to his Wisconsin home. The public became involved, and reports were made requesting welfare checks be made on McConnell.

Intel sources familiar with tactics of what is called the System, tell us they believe McConnell was being water-boarded.

It turns out our sources may have been correct.

Breaking news this week reveals McConnell [announced](https://www.bitchute.com/video/LlryMfyJbGdQ/) he finally went to the doctor and ended up at a Mayo health facility. <https://www.bitchute.com/video/LlryMfyJbGdQ/>

McConnell stated, "they did a CAT scan on my head to make sure I didn't have any bleeding". McConnell said his ribs were broken twice (both sides), he had a blood clot in his lungs, he'd lost nearly 90 lbs., and at times he simply wanted to die.

"I'm very **happy** here," McConnell said.

The Pierce County Sheriff's Office had been duly notified of McConnell's condition, including a very public announcement by Stephen Tenner that there was a "crazy person" running around McConnell's home naked and Tenner feared for McConnell's safety.

While it is known deputies visited McConnell, it's not quite clear how McConnell's physical deterioration was seen or perceived by the Sheriff's Office.

There was a video published called [\[IF I DIE TONIGHT\] EVIDENCE FBI-CIA PLANS TO ASSASSINATE FIELD MCCONNELL IN PIERCE COUNTY WISCONSIN](https://www.bitchute.com/video/9Qld7LvLI0tQ/) that was published on the Web, that actually showed McConnell bleeding and speculating he may be about to die. <https://www.bitchute.com/video/9Qld7LvLI0tQ/>

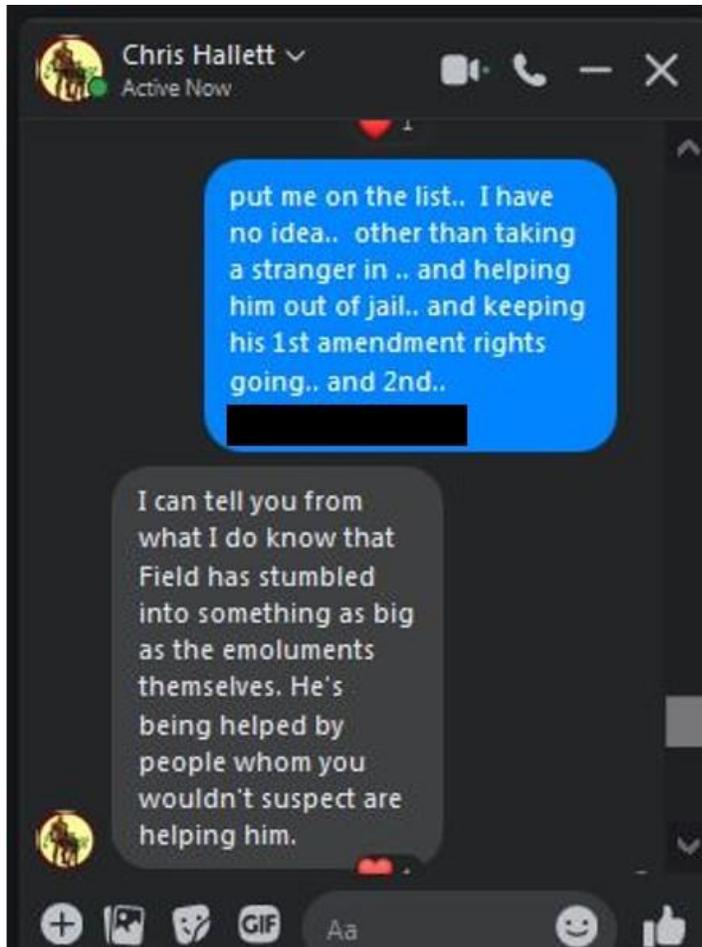

Regardless... the public began to notice.

McConnell revealed ambulances had been dispatched to his home because town folk in Plum City, Wisconsin was so concerned about his appearance at the store that some people called 9-11.

The fact that McConnell has been targeted by the State of Florida, which kidnapped him in 2019 with the help of agents, is no secret, as has been revealed by the absolute embarrassing spectacle that began that day and continues.

Alexandra Koukounakis, Canada, who made the initial call to the Pierce County Sheriff's Office regarding McConnell's safety and physical condition is calling for an "Attempted Murder" investigation.

McConnell's situation was known by Hallett who told Erickson in a message what was going on. "I can tell you from what I do know that Field has stumbled into something as big as the emoluments themselves. He's being helped by people whom you wouldn't suspect are helping him," Hallett told Erickson.

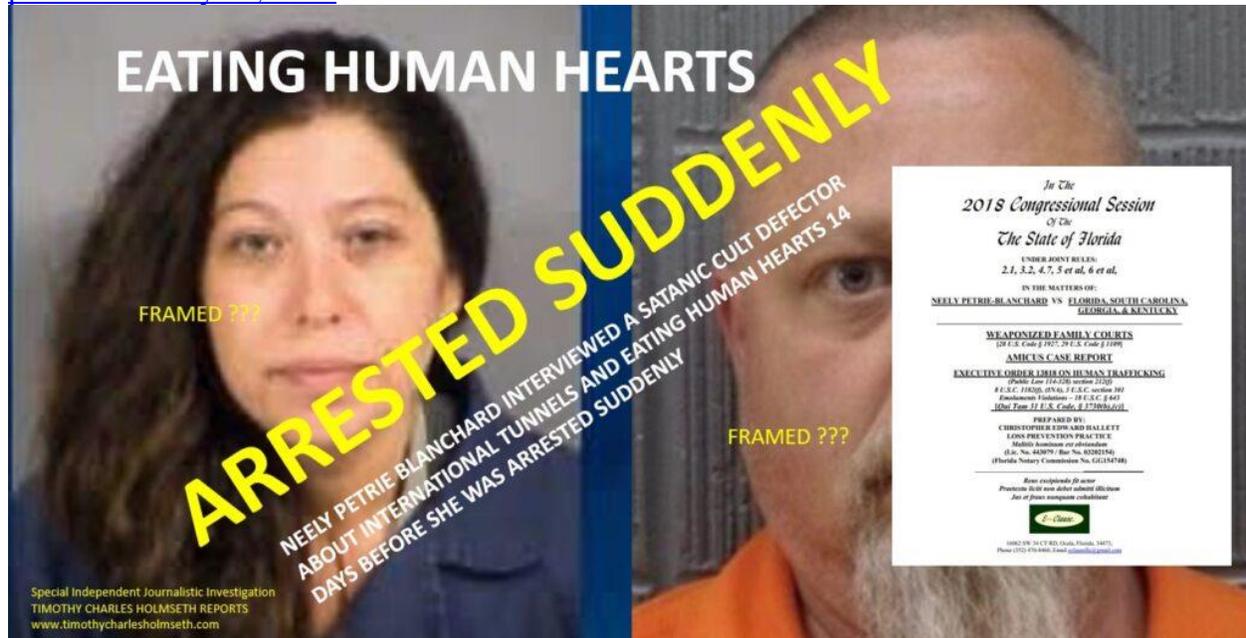

Our investigation into the McConnell situation continues.

In this our twenty-sixth installment we are going to show that 14 days before she was ARRESTED SUDDENLY, Neely Petrie Blanchard conducted an interview with a human trafficking survivor who defected from a Satanic cult and provided details, locations, and names of individuals that were operating a massive international network of underground tunnels to traffic children and adults through Canada.

On November 1, 2020, Neely Petrie Blanchard, an agent of E~Clause LLC, conducted an interview with a Satanic cult defector to turn over to law enforcement. On November 15, 2020, Christopher Edward Hallett, CEO, E~Clause LCC, was assassinated in his Ocala, Florida home. On November 16, 2020, Blanchard was ARRESTED SUDDENLY for the murder.

While Blanchard was in custody, she received a mysterious visit from two creepy FBI agents. Blanchard attempted to tell the FBI agents about things she learned regarding human trafficking, but instead, the agents intimidated her and lied to her about Christopher Edward Hallett. An FBI agent told Blanchard that Hallett never filed anything for her in the U.S. Court at their courthouse. However, a receipt Hallett sent to Randi Lynn Erickson, Minnesota, proved he did. The filing VANISHED. Then – over two years later a suspicious filing APPEARED SUDDENLY in the PACER system.

VERY STRANGE: BODY CAM OF MURDER ARREST OF "QANON MOM" INDICATES NEELY BLANCHARD DID NOT KNOW WHY SHE WAS BEING DETAINED

[pwsbuilder May 20, 2023](#)

by Pentagon Pedophile Task Force on May 20, 2023

Body cam of law enforcement that captures the very moments Neely Petrie Blanchard was **ARRESTED SUDDENLY** in Georgia on November 16, 2020, for the murder of Christopher Edward Hallett has been published onto the Web.

The video is appearing in various places online including a Bitchute channel where the public is being encouraged to provide feedback and give their first impressions about what they think they see happening.

<https://www.bitchute.com/video/S0QKbtmXZF0b/>

Blanchard was dubbed the “QANON MOM” for what is called the “E~Clause murder” that happened on November 15, 2020, when Hallett was gunned down in his home.

The body cam footage was obtained and first published by William Kevin Murtaugh, Apopka, Florida. Murtaugh wears “FBI” and “CIA” on his person and reports news, which he supports with press credentials on his You Tube channel From The Desk Of Murtwitnessonlive. Murtaugh has stated he met with the Minneapolis FBI in 2020 for “four hours” to discuss Christopher Hallett and “OPERATION CHAOS”. Murtaugh says he has an ongoing relationship with the FBI and, Murtaugh said, he was present when the FBI in Florida examined a suspicious photo of a ‘small’ vagina he had on his telephone. Murtaugh announced that the girl in the picture was identified as an adult; not a child; and the case was “closed”.

This was not the first video released by Murtaugh. Murtaugh also released a video called The Spy Pen which Murtaugh claims contains the “confession” of Blanchard. The Clerk of Court in Marion County, Florida emphatically stated they did not release the video because, they said, it would be evidence and not something they would do. After the issue began to be reported on, Murtaugh said he obtained the evidence from the Prosecutor’s office. That was later essentially confirmed because the State Attorney indicated they received an email from Murtaugh asking for the evidence.

Murtaugh announced he has met with the Marion County State Attorney’s Office in Ocala, Florida, where he is giving Prosecutors in the Neely Blanchard murder trial results of his investigations into case witnesses that, Murtaugh said, will likely lead to Perjury charges.

Murtaugh appears to be the same man depicted in an FBI sketch of James 'Whitey' Bulger that was published by the U.S. Marshals.

The States Attorney’s Office in Marion County, Florida has learned the TRICK behind how the BAR Association and Family Courts are human trafficking hundreds of thousands of people.

An unconstitutional Sharia law system that has been cleverly cloaked using the term “Family Court” has been exposed as a racketeering criminal organization instrumentality used by an international cartel to accomplish everything from child rape to international kidnapping, to crimes against humanity.

It came out during a sworn deposition in a murder trial underway.

The bombshell testimony appeared online yesterday, but actually occurred in February 2023 when Marion County Assistant State Attorney Amy Berndt, and Florida attorney Jack Maro, conducted a deposition of Kirk L. Pendergrass, Idaho. The deposition was taken in the Marion County, Florida case regarding the first-degree murder trial of Neely Petrie Blanchard.

On November 15, 2020, Christopher Edward Hallett, the CEO of a corporation called E~Clause LLC (Emoluments Clause) had a MANDATE from 5th District Court of Appeal Judge Jay P. Cohen when he (Hallett) was assassinated in his Ocala, Florida home.

Hallett was performing loss-prevention audits, which included audits of the Family Court system, and he had uncovered a massive network of coding fraud within the system networks used by courts. The elaborate system was used to accomplish almost any conceivable goal from human trafficking to money laundering.

After Hallett was gunned down on November 15, 2020, his agent and dear loving friend Neely Petrie Blanchard was quickly arrested in Georgia under very suspicious circumstances and charged with first degree murder.

OPERATION LEGEND

[According to Blanchard, she and Hallett were assisting the federal authorities with President Donald Trump's "Operation Legend".](#)

When Blanchard was arrested on November 16, 2020, she did not show any sign that she knew why she was being detained. She pleaded with officers to keep her safe in Georgia, and to protect her "human trafficking" "evidence" that was in her vehicle. [Media interviews that have been recently released](#)

reveal Blanchard uncovered an international human/child trafficking corridor between the United States and Canada that was being operated by a multi-level Satanic cult that required initiates to "eat" a "human heart".

THE PENDERGRASS DEPOSITION

In February 2023, Kirk L. Pendergrass, an agent of Hallett's corporation, testified under oath at a deposition. **"... what [Christopher Hallett] had told me was he did a full forensic audit on all four states for Neely, and found, what, 56, 57, something like that, different case numbers, and that he had cracked the billing code on the bonds on the back side of these cases,"** Pendergrass said.

You can watch Hallett explain what the “Weaponized Family Courts” did to Blanchard and see exactly what Hallett was helping her with.

The screenshot shows a YouTube video player displaying a PDF document. The document is titled "GEORGIA, & KENTUCKY" and "WEAPONIZED FAMILY COURTS [28 U.S. Code § 1927, 29 U.S. Code § 1109]". It is an "AMICUS CASE REPORT" regarding "EXECUTIVE ORDER 13868 HUMAN TRAFFICKING". The report is prepared by Christopher Edward Hallett of Loss Prevention Practice, with contact information for Florida. The video player interface includes a search bar, navigation tabs (WATCH, VISIBILITY, SETTINGS), and video controls (play, progress, volume, 44:52). Below the video, it shows 5028 views, 55 likes, and 9 dislikes. The video was first published at 03:40 UTC on April 23rd, 2023.

Pendergrass’ testimony blew the lid off the massive cover-up of a judicial cartel that is waging war against the U.S. Constitution and the American People.

Pendergrass used many names during his deposition, including the name “Timothy Charles Holmseth” who had given E~Clause LLC Power of Attorney in 2019 regarding a multi-State Sharia law scheme using Family Courts against Holmseth. Holmseth is an award-winning news reporter and credible FBI witness and was targeted after he started reporting evidence he obtained about Jeffrey Epstein, Ukraine, and international child trafficking. The MEMO Holmseth sent to AG Jeff Sessions warning President Trump about Mike Pence and an FBI agent named “John Regan” was tweeted to President Donald Trump by Attorney Lin Wood shortly before the events of January 6, 2021.

The Tweet storm by Wood has been deemed the most profound Tweet storm in the history of the world.

BLANCHARD'S TODDLER WAS RAPED

The true and real reason Hallett was assisting Blanchard has been diabolically distorted by the Fake News.

Blanchard's very small child had reported to her mother (Blanchard) that her daddy put his penis in her "noo-noo" and it was "sticky like glue". Florida DCF reportedly confirmed the abuse was happening. Blanchard took every measure to protect her child, but a judge in a different State (suspiciously) issued an Ex Parte Order that ordered the little girl back to her abuser.

According to Blanchard, she spent untold thousands upon thousands of dollars for BAR attorneys who ultimately could do nothing for her. Essentially – the Family Court abducted her child and there was nothing she could do about it.

Years went by as Blanchard fought for her children, but she appeared to be a target of a very well-connected system of individuals. At one point Blanchard made national news due to an AMBER ALERT that was put out under utterly ridiculous circumstances, which resulted in Blanchard being charged with a felony.

UNITED STATES SECRET SERVICE INVOLVED IN CUSTODY CASE

<https://timothycharlesholmseth.com/why-was-the-u-s-secret-service-involved-in-county-level-custody-matter-in-kentucky-and-why-did-only-one-news-outlet-report-it/> I will paste this article below and close out this compilation at this point.

Two reasonable people would never disagree that the U.S. Secret Service doesn't track down mothers who went camping with their kids.

Emerging evidence is revealing the woman the media called "QANON MOM" (Neely Petrie Blanchard) and painted as crazy, may go down in history as the biggest hero in world history who fought for children that were being tortured and raped.

Blanchard said her child was in the hands of freaks and pedophiles connected to Hillary Clinton and the Kardashians.

After Blanchard's arrest, she received a visit in the correctional facility from two super-creepy FBI agents who brow-beat Blanchard about Hallett, told her he was an awful father, and told her Hallett never filed anything in their federal courthouse. However, the FBI's assertion was patently false because Hallett sent a copy of the receipt to his colleague, Randi Lynn Erickson, Minnesota, that proved the filing was made. Blanchard told the FBI what was happening to her daughter and the agent told her the FBI could not help her because they cannot do anything about local hands-on crimes. The visit by the FBI to Blanchard looked more like the FBI tampering with a witness of "Operation Legend" than doing anything productive for the American people.

The deposition released yesterday is one of a long list of pieces of evidence from the Blanchard case that has been published by William Kevin Murtaugh, Apopka, Florida, on his show called From The Desk Of Murtwitnessonlive on You Tube. Murtaugh openly meets with the FBI and wears "FBI" and "CIA" on his person, as well as what appears to be a U.S. Marshal Badge.

During a recent airing Murtaugh said Timothy Holmseth "may have signed his death warrant".

FBI OPERATIONS

Murtaugh met with the Minneapolis FBI in September 2020 to discuss “Operation Chaos”. The Minnesota meeting was approximately one month after Trump announced, “Operation Legend”. Murtaugh openly stated he met with FBI agents for “four hours” and boasted the outfit in “Ocala” (Christopher Hallett) days were numbered.

Hallett was murdered two months later.

Murtaugh initially said he received the evidence from the Blanchard case through the Court. However, a concerned researcher telephoned the Clerk of Court in Marion County and the Clerk adamantly denied giving out such information. After Murtaugh’s first fib was exposed, he changed his story and said he obtained the files from the Marion County States Attorney Office. That was subsequently confirmed by SA Toby Hunt and SA Amy Berndt.

Murtaugh recently stated he is investigating evidence for the Marion County State Attorney. Murtaugh announced Pendergrass is likely going to be charged with “Perjury” (based upon his “four hour” meeting with the States Attorney).

There is evidence that causes people to believe Murtaugh is a serial killer of children and child rapist.

Murtaugh made the news in Florida when he purchased an old news van and followed detectives around town in the Casey Anthony trial. Murtaugh was described as creepy by Channel 6. Murtaugh was required to apologize after he publicly claimed to know the identity of the abductor of missing child Trenton Duckett.

There was recently a report filed (sealed by the U.S. Court) to the FBI that shows Murtaugh appears to look exactly like the man drawn by an FBI sketch artist of mobster James 'Whitey' Bulger that was published by the U.S. Marshals service.

JESSIE MARIE CZEBOTAR

Murtaugh has been appearing on his FBI show and railing against Jessie Marie Czebotar, the federal witness who provided sworn testimony she personally watched U.S. Presidents and world leaders torture and eat children alive. Czebotar presently has a Petition in front of Ohio Congressman Jim Jordan asking to tell her story to Weaponization of the Federal Government subcommittee.

The information obtained by Blanchard during her interviews for “Operation Legend” fall perfectly in line with Czebotar’s recollections of crimes against children connected to Satanic cults, Witch covens, and the Luciferian Brotherhood.

INTERNATIONAL CONSPIRACY AGAINST THE UNITED STATES

Evidence shows a woman from Vancouver, Canada, using the name Paula C. Blades is working with members of the international intelligence community (5-Eyes, NSA) and conspiring against officials of the United States Government.

Evidence shows Blades is working with 9-11 whistleblower Field McConnell, Plum City, Wisconsin. In 2019 McConnell said he was associated with high-level brass and Generals (as does Blades who says she is associated with Gen. Michael Flynn) and was very close with a character named Juan O'Savin who is part of a military Psychological Operation called "Q".

While it's believed Blades is using a fake name to conduct trafficking activities in the United States from her home location in Canada, there is evidence the Pierce County Sheriff's Office in Wisconsin knows her real name.

Devin Nunes, CEO, Truth Social, made the news this week when he said the entire judicial system is collapsing.

Timothy Charles Holmseth REPORTS

Why was the U.S. Secret Service involved in county level custody case in Kentucky? – And why did only one news outlet report it?

by Timothy Charles Holmseth on March 26, 2020 at 6:42 P.M.

Since when does the United States Secret Service get involved in a county level custody matter? And why does only one news outlet quote the County Sheriff regarding Secret Service involvement?

It's a question that will grow more intense until it is answered.

Early this morning an Amber Alert for two little girls in Kentucky was cancelled after they were found safe with their mother, Neely Blanchard.

Blanchard's license plates read ECLAUSE, which is a Florida LLC that does loss prevention for the United State government.

Blanchard was arrested for kidnapping.

On March 26, 2020, OJ Stapleton with the News-Democrat and Leader published an article entitled '**Secret Service helps sheriff's department find kidnapped twins**'.

Those who were reading intently and expecting to see the huge story that would certainly accompany that headline were horribly let down.

The widely covered Amber Alert story was regarding Neely Blanchard, who reportedly, went someplace with her two daughters while their grandmother, who has custody of the two minor girls, was running some errands.

That's about it.

However, there does not appear to be any news reporting that explains why an emergency existed or how the wheels of law enforcement started turning in the case. In fact, all news reporting on the matter seems very lackluster and offers precious little insight as to why the Amber Alert was issued in the first place. Mainstream news coverage does not even state who called the police?

Which leads to the ultra-bizarre fact that the **U.S. Secret Service got involved**.

“Twin girls have been returned to their home after a long day of hard work by law enforcement that ended with an Amber Alert being issued and help by the United States Secret Service,” OJ Stapleton reported.

The article quoted Logan County Sheriff Stephen Stratton.

“When the Amber Alert went out, we started getting tons of good information,” Stratton said. “We had a good idea where they were and then the Secret Service got involved and used their resources to track her through her phone and social media.”

Timothy Charles Holmseth REPORTS did a cursory Web search and only found one website, News-Democrat and Leader, that mentioned the Secret Service. They did not report who contacted the Secret Service.

Trained professional news reporters absolutely know the U.S. Secret Service dynamic to the story dominates all subject matter and would/should be in every headline and lead across the board.

It is very strange only one news outlet knew about the Secret Service, considering they quoted the County Sheriff.

There is much more to this case than is meeting the eye.

Chris Hallett, CEO, E-Clause, Florida, issued a formal response today after his client, Neely Blanchard, was arrested. According to Hallett, E-Clause does loss prevention for the United States government under direct consent of U.S. Congress.

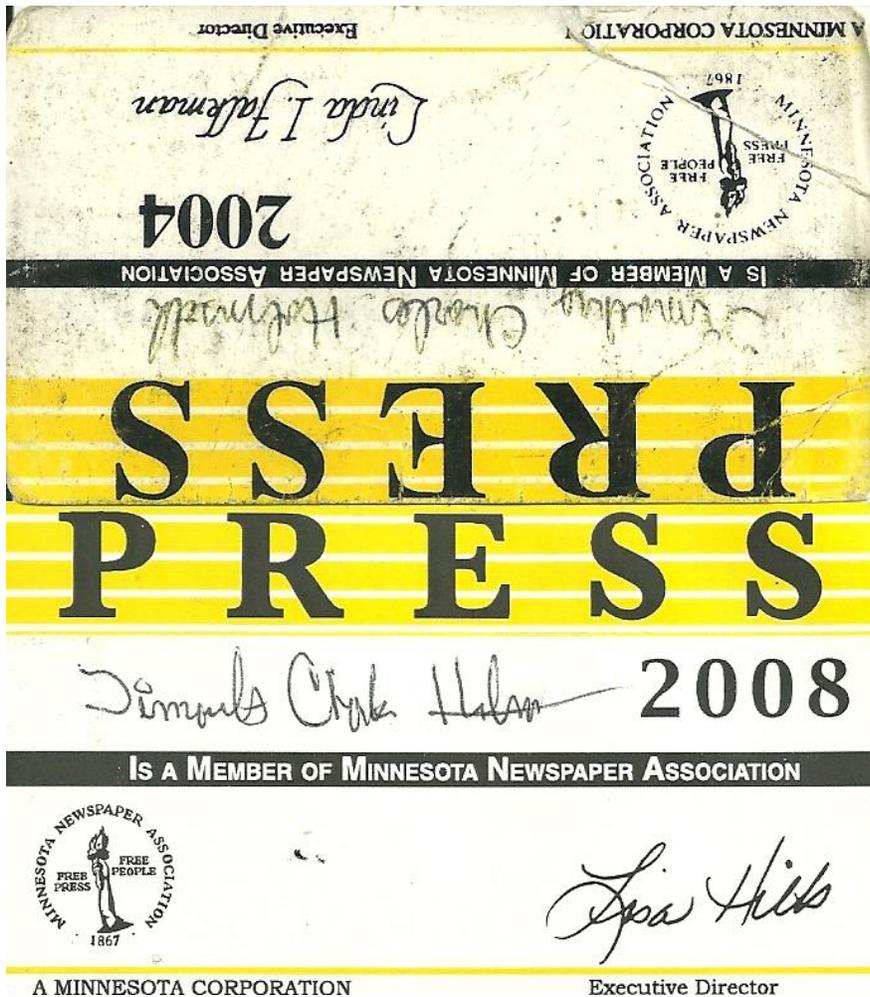

See video below for Hallett's statement.

About Timothy Holmseth

[TIMOTHY CHARLES HOLMSETH™ Reports](#)

INFILTRATED 'THE FINDERS' & EPSTEIN – JSOC – ONE MAN AWAY FROM PRESIDENT TRUMP

Timothy Charles Holmseth

Timothy Charles Holmseth, 55, Minnesota is an [award-winning government news reporter](#), investigative journalist, radio broadcaster, magazine writer, songwriter, author, and publisher.

Timothy Holmseth is a human trafficking victim of the State of Minnesota. Holmseth became a political prisoner after he was kidnapped by State of Minnesota four times. Holmseth was charged with publishing evidence and information about Jeffrey Epstein's child procurement operation and an FBI agent who was running a black-market baby sales operation through the Ukrainian Embassy in Washington DC. Holmseth was locked in a private for-profit detention center and tortured by his captors who were trying to coerce Holmseth into signing a confession (which Holmseth would not do).

THE CLINTON BODY COUNT

Timothy Holmseth is being actively hunted by CIA, Luciferian Brotherhood, and paramilitary operatives connected to Hillary Clinton.

The threats to kidnap, torture, and murder Holmseth and his loved ones are in the possession of the United States District Court – Minnesota, and the Criminal Investigative Division of Fort Campbell, Kentucky and other law enforcement.

In 2019, Timothy Holmseth became the news reporter for the Pentagon Pedophile Task Force, which was created through the Donald J. Trump White House, per Presidential Executive Order, and operates through United States Army Intelligence Support Activity to provide actionable intelligence of international crimes and crimes against humanity to the U.S. Military through special liaison to President Trump and Joint Special Operations Command.

NOTE: Holmseth's JSOC connection(s) may have been part of factions of the United States Military and federal agencies that were secretly working against President Trump (which Timothy uncovered and exposed).

In 2022, Timothy Holmseth revealed he had effectively infiltrated an international organized crime apparatus that was planning the overthrow of the U.S. Government.

In 2019, Holmseth, and a former Minnesota truth and taxation judge Randi Lynn Erickson (who escrowed Holmseth's human trafficking evidence and publications to secure them from unlawful seizure) were told very specific details of several child rescue operation conducted by U.S. Marines in California where thousands (2,500 total) of children were moved from their confinement in cages in underground tunnels [abandoned China Lake military base] to U.S. Military hospitals.

The details of the child transfers came from David Lester Straight, Bend, Oregon. Straight said he actively participated in the military operation. Straight told Holmseth (and Erickson) he was a former Navy SEAL, U.S. Secret Service, and had clearance which he (Straight) used to view

videos of Vice President Mike Pence raping a little boy. Straight said he was appointed to three Presidential Commissions by Donald J. Trump (Human Trafficking, Judicial Corruption, Space Force).

In 2020, Holmseth met with Straight in Oregon to investigate a human trafficking operation. Straight had a woman named Marcella Crandall with him. Straight told Holmseth, Judge Erickson, and others, that Crandall was “Mary Magdalene” from the Bible and carried the DNA strand of Jesus Christ. Straight said Crandall was going to have a baby that “saves the world”. Holmseth uncovered information that Crandall was trafficking child pornography. Holmseth confronted Straight with the evidence. Straight said God put Crandall in these positions because He has a huge role for her to play in the End Times.

Straight told people at his seminars there is a judge at GITMO by the last name of Crandall. Straight suggested Judge Crandall was connected to Marcella Crandall and said it was all prophetic. Straight also told his seminar students that John F. Kennedy Jr. is alive and serving as “Vice President” of the United States.

In 2020, Straight told Holmseth he was in a photograph with another one of Holmseth’s news sources named Lawrence Dean O’Bryan. Straight said he was on a “mission” with O’Bryan in South America in the 1980’s.

LAWRENCE DEAN O’BRYAN – PRESIDENT GEORGE BUSH’S HIT MAN

In 2018, O’Bryan told Holmseth he was a Special Operator who was trained through mind-control and Satanic Ritual Abuse. O’Bryan said he was duct taped to a chair and forced to watch U.S. Congressmen and others rip a living baby apart with their teeth while they snorted cocaine and played opera music. O’Bryan said he was at Waco. O’Bryan said the fire at Waco (Branch Davidians) was started with a U.S. Army flamethrower. O’Bryan said he was the actual shooter at Ruby Ridge (as opposed to the official story). O’Bryan said he was the favored hitman of President George Bush. O’Bryan said the “Bush ranch property” in Texas is a “mass graveyard”. Straight confirmed what O’Bryan said about the mass graveyard. Straight said they “cleaned it out”.

CHRISTOPHER E. HALLETT – THE E-CLAUSE MURDER

In 2019, simultaneous to his news reporting, Timothy Holmseth was being assisted by Christopher E. Hallett, E~Clause LLC, Florida (E~Clause stands for the “Emoluments Clause).

On November 2, 2020, (day before the Election) Christopher E. Hallett, CEO, E-Clause LLC, Florida, filed documents in Florida’s Middle District – U.S. Court.

Hallett was working under consent of U.S. Congress to perform loss prevention for the U.S. Government. The documents he filed contained evidence that involved NATIONAL SECURITY pertaining to international COVID-19 tracking codes and the largest human trafficking operation in the history of the world.

On November 15, 2020, Hallett was assassinated – shot in the head – in his Ocala, FL home. Then – ALL of Hallett’s court filings VANISHED! NO TRACE remained that the file ever even existed.

However, before his murder Hallett sent a copy of the receipt to Minnesota judge Randi Lynn Erickson. Erickson was working with Hallett, as well as David Lester Straight, on a task force called the Pentagon Pedophile Task Force.

Hallett’s friend and colleague Neely Petrie Blanchard is charged with first degree murder.

However, the fact the files VANISHED essentially proves Blanchard was not the person or entity that stood to benefit from Hallett’s murder. TROVES of evidence suggest something is amiss in the Blanchard case.

JANUARY 6, 2021

In the days leading up to January 6, 2021, Straight telephoned Holmseth and told Holmseth he was meeting with Attorney Lin Wood on January 6, 2021, in DC. Straight said he was going to give Wood a copy of Holmseth’s book. Straight said he was going to swear-in a crowd on January 6 in DC (which he subsequently said he did) to arrest Congress and VP Pence – try them – and “hang them”.

Wood and Straight were coordinating.

On January 4, 2021, Wood launched his famous Tweet storm wherein he accused world leaders of raping and murdering children. Wood said the murders are captured on film, and he declared he held the key pass code to the files. Holmseth believes the video Straight viewed of VP Pence raping a child was among the videos Wood possessed. Wood’s very first tweet was Holmseth’s MEMO to AG Jeff Session warning Trump about Pence and an FBI agent using the alias John Regan to traffic kids through the Ukrainian Embassy in Washinton DC.

In 2021, mainstream news reported about the 2,100 kids Straight had told Holmseth about in 2019. However, the fake news, now under Biden, was claiming the 2,100 children vanished under President Trump’s watch.

In 2021, following J6, Straight abruptly moved to Texas with a woman named Bonnie Thomas who he claims is his wife. Straight created a business card calling himself a “Colonel” with the Republic of Texas, Texas Rangers. Bonnie claims she is “Counsel General” of Republic of Texas. The Straight’s set up an “Embassy” connected to the United Nations. Straight took with him all the evidence of crimes against humanity that implicated world leaders in unspeakable torture, rape, and murder. Straight secured [stole] evidence [from an eyewitness] [under the guise

of being a federal agent] regarding the Clinton Foundation's Dark Web videos of infant rape, as well as a Bitcoin wallet worth untold millions of dollars.

U.S. PRESIDENTS ARE EATING CHILDREN – DROEL LAW FIRM – JESSIE MARIE CZEBOTAR

In 2022, Droel Law Firm (TX-MN) filed responsive documents to an Injunction filed by Randi Lynn Erickson who was being threatened (along with Holmseth) by former federal agents and Navy SEALs with kidnap, torture, rape, and murder.

On February 15, 2022, shortly before Donald J. Trump's RICO suit was filed – Droel Law, TX-MN, included my name "Timothy Charles Holmseth" in a U.S. Court filing in Minnesota. Droel named me and evidence I obtained regarding an FBI agent named "John Regan". Droel said, "sold kidnapped babies through the Ukrainian Embassy in Washington DC."

Droel said, "Jessie Marie Czebotar".

Droel Law said in a filing, "...as well as several murders by Hillary Rodham Clinton in Chicago in the early 1980s, which included the raping, torturing, and eating of children during satanic rituals".

Droel said, "...and other high-profile individuals, such as Ronald Reagan, Bill Clinton, Joe Biden, Newt Gingrich, Dick Cheney, Dan Quayle, Mike Pence, John Kerry, Muammar Gaddafi, Amy Coney Barrett, and Elon Musk to name a few, as being involved in some Satanic cult that tortures, rapes, murders, and eats children."

Ms. Erickson is apparently renewing her prior motion to appoint a special prosecutor for crimes against humanity. Her renewed request [ECF Doc No. 28], acknowledges the Court's denial, but again fails to cite any law, rule, or other authority in support of her request. Timothy Holmseth believes the evidence shows David Straight was on a “mission” with Special Operator Lawrence Dean O’Bryan in the 1980’s in South America because Straight is also an assassin who secretly works at the behest of Presidents. Straight brags during his seminars about such things. Straight told Holmseth and Erickson if someone crosses him, he will “kill them in their kitchen”.

Timothy Charles Holmseth, deemed a credible witness by the FBI, is the only news reporter authorized to report original unique content for the Pentagon Pedophile Task Force (PPTF). Timothy was brought onto the PPTF after his work-product was obtained by intelligence agents who delivered it to the Pentagon; it contributed to the arrest of **Jeffrey Epstein**.

Timothy became a heavily targeted witness after uncovering a world-wide child trafficking operation that involved rogue CIA/FBI black operators kidnapping and selling babies and kids through the Ukrainian Embassy in Washington DC. The trafficking operation is connected to **Hillary Clinton** and **Joe Biden**.

Timothy also reported extremely disturbing information regarding Vice President Mike Pence, which resulted in a high-level plot against Holmseth between VP Pence and Minnesota Deep State operatives to have Holmseth falsely imprisoned and murdered. Holmseth was protected by members of a task force and U.S. Marshal's attended a court hearing in Crookston, Minnesota to interfere with the plot.

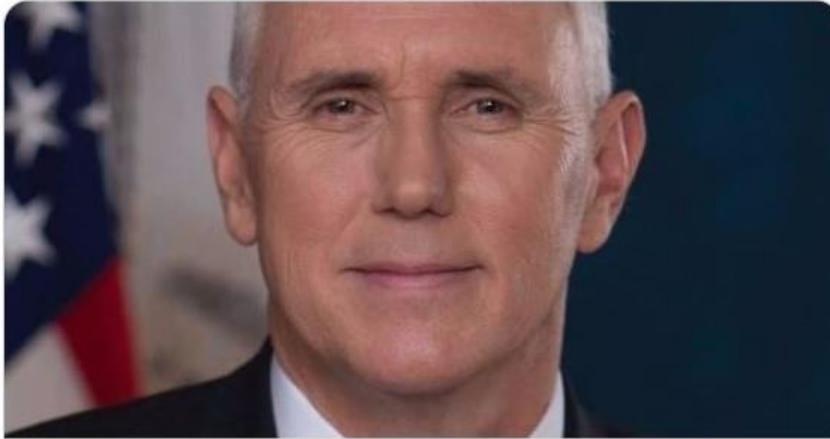

Shortly after the insurrection on November 3, 2020, when the election was hijacked and stolen by a foreign power, Attorney Lin Wood launched his famous Tweet storm wherein he exposed pedophiles and organized satanic crime in government. Wood's first tweet was a MEMO Timothy Holmseth warning President Trump about the international trafficking operation.
