Re: *TERRIE HOLSCHER v. MATTHEW J. DEURMEIER, ET AL., Cause No. CV 20-67-BU-BMM-JTJ*

NOTICE OF CASE OPENING

Attached you will find a copy of the Court's docket sheet for your case. Please put the **cause number** and the **correct division** on all documents you submit to the Court regarding this case. For administrative reasons, the clerk and the Judge presiding in your case will generally send mail to you from Missoula. You should send mail to the division reflected on your case caption and in your case number. Your case is venued in BUTTE. Please address all of your mail to the 400 North Main, Butte, Montana 59701.

Form of Submitted Documents: All documents you submit to the Court should be in the form of a pleading, notice, motion, or brief. Letters to the presiding judge are not authorized by the governing rules and should not be sent. Any letters or documents addressed directly to the judge or other court staff other than the Clerk of Court are not part of the record and will not be considered for any purpose.

Privacy Protection: Federal Rule of Civil Procedure 5.2 prohibits litigants in non-habeas proceedings from submitting documents to the Court which contain certain personal information. We ask, but do not require, that habeas litigants follow these rules as well. To follow these rules,

- social security numbers, taxpayer identification numbers, and financial account numbers must include only the last four digits (e.g. xxx-xx-5271, xx-xxx5271, xxxxxxxx3567);
- birth dates must include only the year of birth (e.g. xx/xx/2001); and
- names of persons under the age of 18 must include only initials (e.g. L.K.).

If the Court is unable to make a legible electronic version of your document, you will be given an opportunity to correct the problem.

You will receive by mail from the Court a paper copy of any order that is issued in the case. You will receive by mail from other parties a paper copy of any document that party files with the Court. Alternatively, if you would like to be served with these documents via e-mail, you may sign and return the enclosed consent to electronic service.

Pursuant to Local Rule 83.8(c) you may also apply to have the clerk receive your filings via e-mail. In order to begin this process, you must sign and return the enclosed "Pro Se Request to File by E-mail per L.R. 83.8." The Clerk of Court will then consider your request and if it is granted, you will receive an "Agreement to Allow Pro Se Party to File by E-Mail." You may only e-mail documents for filing after you receive this agreement. Please refer to Local Rule 83.8 for more information on this process.

Some documents, including orders by judges, are created and filed directly in electronic form and do not need to be scanned. While you will receive a paper copy of any such documents, you should be aware that such documents may be signed with "/s/" followed by the printed name of the signer. That form of signature is a legal and valid signature that is fully recognized and accepted by the Court. Because your documents will be scanned, you should always sign your documents in the conventional manner.

- Although most documents are filed and stored electronically, in some instances voluminous filings provided to the court in hard copy are not converted to electronic form because it is not practical to do so. In those instances, the voluminous documents are maintained in hard copy in the clerk's office. Such documents are available for inspection for free at the clerk's office, and copies may be ordered at \$0.50 per page.

- Pro se filers in social security actions are not eligible to receive electronic service. Special restrictions apply to these cases.
