TO:
Andrew Perniciaro
Fort Campbell, Kentucky
CID

Agent Perniciaro,

I am aware my publisher Randi L. Erickson contacted you regarding matters that included the criminal activity of former Navy SEAL Craig Randall (Sawman) Sawyer.

Attached you will find threats of kidnap, torture, rape, and murder sent to me by Craig Sawyer and members of Veterans For Child Rescue Inc. You will see he made threats where he brazenly talks about criminal activity and murder at Fort Campbell. ATTACHED

I am also writing to inform you that someone calling themselves Deep State Dave on GAB social recently bragged as they implied they were responsible for the diver that recently died at Fort Campbell. SEE ATTACHED.

I also have screenshots from Deep State Dave wherein he threatens to plant my DNA on a murder victim and/or at a murder scene; claims to have kidnapped my grandchild; warns that I am going to prison if I don't take money and/or a job from 'them'; etc. etc. etc. etc.

The following link is to a story that includes references to Fort Campbell. "Tennessee Bureau of Investigation alerted to organized kidnapping in Summer Wells case"

I am requesting your assistance (U.S. Army) in obtaining a PROTECTION ORDER to protect me and my children and Publisher (Randi Erickson) from Craig R. Sawyer, Vice Admiral Charles W. Moore, Bob Hamer, James Hill, and any other agent of Craig Sawyer and/or Veterans For Child Rescue Inc. and/or Tactical Insider Inc.

Very respectfully yours,
Timothy Charles Holmseth

@TASK_FORCE By the way, people who go diving in our holes without our permission, will... meet an untimely end. You thought your letter to Ft. Campbell would enable them to find things out. #blackhistorymatters
