In Re: Reporting **TREASON** against the United States of America

December 2, 2015

Judge Donovan Frank
United States Courthouse
316 North Robert Street
STE 100
St. Paul, Minnesota
55101-1460

Honorable Frank,

I have discovered evidence of treason against the United States of America and I am writing to you because you are an officer of the United States Court.

I have submitted the evidence to Special Agent Kimberly Milka, Denver FBI and she acknowledged receipt (see attached).

I am contacting a federal judge (you, Honorable Frank) because I have been targeted due to the fact I have discovered a "shadow government" that has targeted me, and I have no financial resources to obtain an attorney to address the violations of my Constitutional rights. There is no possible way I have the ability or legal know-how to file such a lawsuit and navigate the process properly.

The aforementioned "shadow government" has actually targeted 'America' and is actively terrorizing every single citizen through organized kidnappings, rape, torture, ritual killings, mass shootings, etc.

Attached you will find a 2,488 word Manifesto authored by Rev. Bob Enyart, Denver Bible Church, Colorado.

Robert Enyart came under investigation by the FBI after they (FBI) were contacted by Planned Parenthood in the fall of 2015 regarding concerns about Enyart's church. The Denver FBI then contacted Danielle Kekoa, Northglenn, Colorado, and asked to

interview her regarding things she witnessed at Denver Bible Church (she and her husband Curtis are former members).

I began interviewing and journalistically covering the horrendous plight of Curtis and Danielle Kekoa in the summer of 2015. I subsequently began chronicling the events surrounding the Kekoa's at my publication www.writeintoaction.com (see attached).

The FBI interviewed Danielle Kekoa on November 24, 2015. During the interview (I have a copy of the entire interview) Agent Milka told Danielle Kekoa the FBI was seeking to avert possible violence and didn't want another "Dr. Tiller" (murder of an abortion doctor) on their hands. Danielle Kekoa warned Agent Milka to "expect it" because Enyart had been exposed.

Only three days later, on November 27, 2015, Robert Lewis Dear went to the Planned Parenthood clinic in Colorado Springs and shot and killed several people including a police officer.

The FBI knew in advance a shooting was going to occur – that it was going to occur at Planned Parenthood – that it would be in Colorado - and they knew who was going to be behind it – that person was Rev. Bob Enyart.

I possess facts and evidence to support the assertion that members of Bob Enyart's "shadow government" has targeted me and my family since approximately 2009.

Below are paragraphs I extracted from Enyart's Manifesto and operating guide that demonstrates he is in violation of Unites State Code and has already committed treason against Our Country.

I would direct Your Honor's specific attention to the fact he is already operating a parallel government that involves "*your ability to weigh the evidence against the accused and to decide the right charge, verdict, and sentence*".

I believe that I, Timothy Charles Holmseth, have already been tried and found guilty and sentenced by the illegal "Shadow Government" Online Court because I obtained evidence that the "Shadow Government" members located in the State of Florida (and other States involving various crimes) were trafficking child pornography of the missing child HaLeigh Ann-Marie Cummings.

Likewise, the same illegal trial and sentencing was held for the Kekoa family after they realized Enyart was a satanic cult leader that was murdering and/or ordering the kidnapping and murders of people (including children) at an unimaginable scale.

Below are excerpts from Bob Enyart's Manifesto.

NOW WE ARE MOVING from teaching men to judge to actually appointing them as Judges! By training men to actually be judges, we are launching a startling plan. Here is how it works:

Through ShadowGov.com we are building a parallel government. This government is operating on the Internet. Initially we are training and appointing only judges. NEXT we will appoint mayors, governors and ambassadors. We are looking to God to help us create a fully functional government on the web. Our judges will decide real-life criminal and civil cases drawn from the existing court system. We will put their verdicts and sentences on the net for all to see.

The bad guys, just like the communist revolutionaries, have a tactical advantage because they fight with no rules. To overcome their upper hand without sinking to their level, we must be ready to outmaneuver and overwhelm them. With a functioning government in cyberspace, already in place, we will be able to outmaneuver them. With trained judges in America's top 100 cities and in every county in the country (one of our first goals), we will overwhelm the opposition. Be prepared.

ShadowGov.com works like fantasy football. But instead of coaching a team, you run a country. Instead of paying a sign-up-fee, you are taxed, yes taxed - \$20 dollars per month because it takes revenue to operate a government, even on the Internet. For your ongoing training as a judge, we will mail you materials regularly; audio and videotapes, literature, and you'll get a ShadowGov T-shirt. We test your ability to weigh the evidence against the accused and to decide the right charge, verdict, and sentence.

Robert Enyart is guilty of treason and other federal crimes.

I am requesting the **legitimate** United States District Court – District of Minnesota, refer me to the Federal Pro Se project for an attorney.

The reason I am making this request is because I do not know how to file an Original Complaint, properly. Enyart claims in his Manifesto that his shadow government will be set up in 100 cities across the United States. I am not a lawyer and do not know how to address this many jurisdictions.

Further, this is an issue of national security that has been going on since at least the 1990's. It is in the best interest of all 50 States for the U.S. Court to adapt this matter promptly.

I humbly request the Court consider my request for a reference.

Very respectfully yours,

Timothy Charles Holmseth

In Re: Plot to Overthrow United States Government

December 1, 2015

Special Agent Kimberly Milka
Denver FBI

Special Agent Milka,

Below you will find a Manifesto authored by Rev. Robert Enyart, Denver Bible Church.

Mr. Enyart has been posing as clergy for decades.

The Manifesto clearly outlines his plan to overthrow the U.S. Government and replace it with his own.

FBI and United States Court records will show I have reported activity against me, my family, and my business, that I believe was initiated and perpetuated by members of this 'shadow government' that

12/2/2015

violated my Constitutional rights.

When Enyart states they are building a "parallel government" consisting of "judges" and other government leaders it's in the literal sense. He is referring to real people holding those actual government positions across the United States.

Enyart and his co-conspirators have already built a "shadow government" that does not observe the laws of the United States.

Enyart and all of his co-conspirator have already committed treason and should be subject to immediate arrest by federal authorities.

Respectfully yours,
Timothy Charles Holmseth
Investigative Journalist

ShadowGov.com announces a dramatic plan underway to take America back. God has helped us devise brilliant strategy to battle the enemy. And as imprisonment in the Bible often led to victory, so the attack on my ministry will bring the Gospel, and our battle plan, to far more people than I've ever reached before. (For example, ABC's "Politically Incorrect" has booked me as a guest for June 15th 1999- possibly the 16th). It is now time to present the ShadowGov strategy to you. As you read, keep in mind that America's moral decline means hurt, calamity and even eternity in hell for millions. Our grandchildren will be among the wounded. Further, America preaches the Gospel to the world, and as America falls, billions may not hear the salvation message (Rom. 10:14 15). Also remember that many Christian leaders helped usher in this post-Christian era by their lack of Bible understanding. (Their absolute prohibition against judging exposes their shallow Bible knowledge.) Thus the Christian masses have traded godly wisdom for mindless cliches. So what can we do about this colossal disaster? What is needed? What can be done? Brace yourself. Rescuing a country, reviving the church, restoring the family, and redeeming souls all depend on one factor - rightly acting upon God's Word. Solomon said that when the righteous govern the people rejoice, but when the wicked rule the people mourn (Prov. 27:2) All but the fool should desire godly leaders [1 Tim 2:1-3]. But the wicked do rule. And evil spreads. What can we do? What we need is the unthinkable: the rebirth of America. Christians must rule America or be forced underground. For "when the wicked arise, men hide themselves" (Prov. 28:28).

Already:

Christian families hide their form of discipline, even from their neighbors. Some pastors are refusing to incorporate their churches.

Fear moves the most worried to refuse Social Security numbers for their kids.

Millions of kids are taught at home to protect them from government schools.

Thousands of home school parents will not even register with their school district.

Sodomites have come out of the closet and Christians are ducking for cover.

Where is this trend headed? Consider the move to silence anti-homosexual speech. Unless we reverse course, it will become a hate-crime to teach your child biblical morality. The media, universities, and the government support China's one-child policy with its forced abortion and infanticide. Where might that

lead at home? At the same time Christians feel politically defeated. What is needed? Our Christian leaders have hoped to tweak the system to slow our decline. Achieving such a goal still leads eventually to the end of religious freedom for Christians. Again, what is needed? Christians must rule America. If we don't win true freedom for all, then our way of life will be destroyed. But how do we win. How do we accomplish the "impossible?" With God? Yes. But that does not mean God will do it alone, but that we must do it "with God."

The Lord never attributed Israel's nation misery to his hopes and dreams for them, but to their foolishness and sinfulness. With David, God delivered the nation. But with Jereboem, He let her suffer. God chooses to use men. With courageous men not ashamed of Him, He can, and has changed the course of history. So what do we do, if we want God to use us to take over our nation? Do we just sit and pray? Or do we pray and prepare? Moses and David were trained, for years, to prepare for their roles, as were, in different ways, George Washington and David Ben-Gurion. Now, God has blessed our determined efforts to prepare for the rebirth of America. Our strategy is brilliant, encouraging, and manifestly workable.

From day one, a primary goal of our ministry has been to teach men to judge. Colorado's largest newspaper, reporting my recent incarceration, wrote that Enyart "arrived at the courthouse wearing a black T-shirt with his web page ShadowGov.com on the front and the words "Judge Rightly is not some guy's name" on the back. Hundreds of media outlets have reported those words, often by photos, to millions. Our office has distributed, and our web page has downloaded, ten thousand copies of the article by that name. A year ago we prayed our own Y2K prayer, that by the year 2,000, we would have exposed the fallacy that Christians should not judge. God is ahead of our schedule in answering this prayer as He has enlisted the media, in America and as far away as the BBC in London. Three times recently Rush Limbaugh and his callers have talked about our efforts.

God frequently commands us, as Jesus said, to "judge with righteous judgment" (John 7:24) and he praises those who judge rightly (Luke 7:43). On this rediscovered truth we have built our strategy to redeem America. In the Bible we have discovered the secret weapon that will give us great victory. I am not joking, or exaggerating, or getting mystical. I am dead serious.

NOW WE ARE MOVING from teaching men to judge to actually appointing them as Judges! By training men to actually be judges, we are launching a startling plan. Here is how it works:

Through ShadowGov.com we are building a parallel government. This government is operating on the Internet. Initially we are training and appointing only judges. NEXT we will appoint mayors, governors and ambassadors. We are looking to God to help us create a fully functional government on the web. Our judges will decide real-life criminal and civil cases drawn from the existing court system. We will put their verdicts and sentences on the net for all to see.

For the first time ever, a government will have daily competition. People will be able to compare those in robes to the Christians on the Internet. Throughout history, empires and nations have collapsed from the weight of their own wickedness. At that point, some other group fills the vacuum and begins governing. We pray that America never utterly falls, but we are not blind to her direction. "When the wicked are multiplied, transgression increases; but the righteous will see their fall" (Prov. 29:16) If America's government eventually destroys itself, as evil entities do, we Christians must be there, ready to pick up the pieces.

"When the wicked arise, men hide themselves; but when they perish, the righteous increase" (Prov. 28:28). In the political confusion that occurs at the fall of a nation, the most unlikely events become
