Hello,

I have been trying to confirm if Mrs. Neely Petrie-Blanchard received the Report I sent to the States Attorney office June 17, 2023, filed as "Nefarious Network Report". This report was filed into court August 15, 2023. Today is October 13, 2023. I have contacted and am in contact with Mrs. Blanchard and she had not heard of what the State Attorney categorized as "Tangible Evidence" up to today's date as I write this document.

I prepared a package for Mrs. Blanchard and sent it via Fed Ex and she should receive the information today October 13, 2023. Mr. Jack Maro's office confirmed they received my emails but had not confirmed they had or had not made Blanchard aware of the Report. Given the nature of the report I find it concerning that it has not been shared and presented to Mrs. Blanchard in totality.

In the package I prepared and shipped to Mrs. Blanchard I also included a 26-part report published by Timothy Charles Holmseth© Reports entitled Arrested Suddenly.

I added three case overviews that are relevant to Neely Blanchard and the Nefarious Network I write and research about. Those cases are as follows:

HOLMSETH Report

Is there any reason why a Glock might be an important make and model of handgun for President Trump to focus on?

The Police officer brothers from different states...

Officer Ryan Willis took a picture of Blanchard in cuffs, and it appears the officer text the image of Blanchard in cuffs to someone. The officer is wearing an Axon

body cam and I am not sure this is appropriate but more importantly, who is the officer texting Blanchard in cuffs to?

Not sent to Mrs. Blanchard via Fed Ex

Above is officer Ryan Willis (Lowndes County, Georgia) calling someone who said something like “you got my murderer”?

It also appears possible the officer is texting with four separate people that early in the morning and during his shift. I am not sure if police communications are permitted in personal mobile devices. If I were Blanchard’s defense, I would subpoena all the officers phone records along with his brother’s phone records, namely Deputy Robert Willis (MCSO).

The Deaths

Since sending my initial report to the State 06.17.23 there has been at least one fatality. Micheal Prozman aka Neg 48 or Negative 48 died in what they call a motorbike accident. <https://nypost.com/2023/07/06/qanon-leader-michael-protzman-dies-in-motocross-accident/>

I believed Neg 48 (Prozman) was involved in and connected to CIA Psychological Operations being conducted on the North American public and beyond.

The Nefarious Network

Ringleader, Kim Lowry Picazio came out this week and announced the death of a man they purport to be the creator behind a propaganda, gang-stalking producing account called Glow and many names starting with Glow using several accounts. It is suspected this fake death announcement is just that, fake... I do not believe the Glow account to be a man named Dave from a small town in the UK and I would absolutely subpoena any records that can be obtained with IP Addresses for the Glow disinformation franchise and all its contents (deleted included) connected to Kim Lowry Picazio and her Network of Operators.

The Total Elimination Of My You Tube Channel

As noted in my 06.17.23 Report. This Network is notorious for deleting evidence and they have done it again by the total deletion of my oldest YouTube channel. I received no warning nor notification from YouTube. I can only assume Mr. Maro and or his team haven't reviewed the document yet because nobody has asked me what was in the broken links. Is it safe to assume Mr. Hunt did review the links? The following are the broken links:

They can be watched from a Google drive folder: (Of which I've also had drive folders destroyed in the past so it's a good idea to make copies before they are destroyed)

Marion County Facebook Post Link Gone?

These links have been posted and working since November of 2020 and only after I included it in the 06.17.23 report is the link broken or information removed? Who tampered with this? This should be subpoenaed and retrieved, and someone should find out who dismantled this specific link.

William Kevin Murtaugh & Alexandria Goddard

Reportedly, Murtaugh received my Nefarious Network Report from the SOA's office and published it along with Alexandria Goddard and on September 18, 2023, Murtaugh and Goddard did a "Monday Murtathon" in Murtaugh's Murtwitnessone YouTube channel, where Murtaugh read mini select excerpts of my Report to his operative base and basically Goddard and Murtaugh hurled a litany of insults and threats at me and others using YouTube because of what I wrote for the States Attorney's office. E.g.

"you are not protected"

"I am going to destroy you"

"I am going to destroy you and that is a fact"

"You are going to be wearing burlap sacks"

"Alexandra you are fu*king done"

"Murt as God as my witness they are going to pay for this"

"Alexandra Your going to be wearing a fu*king barrell"

"And Tomothy your going to fu*king jail"

"I'm fu*king done with these assholes"

"I think I've proven myself that I'm not fu*king around with them. I have warrants now against Randi and Tim, they didn't come to court. I have warrants against Timothy because I have a restraining order because he didn't come to court, why don't you come to court, explain yourself."

"If you wanna run your mouth come to court"

"Craig Sawyer has nothing to do with the Hallett case"

"Alexandra just because you live in Canada does not mean you can't be sued & Tim Holmseth is going to be sued in the State of Ohio, Randi is going to be sued in the State"

"This bitch needs medication"

"And I'm done"

"So Tim your gonna be sued in Ohio"

"Randi your gonna be sued"

"Alexandria your done, just because you live in Canada does not protect you, your done bitch, and I know your listening"

"You guys are done, I'm done"

"I think I've proven, Fuck Around and find out, you have warrants in Ohio and I can make em elsewhere."

"Alexandra, I can drag your ass to Ohio to sue you and that is going to fucking happen"

“Neely Blanchard is Cooperating”

<https://timothycharlesholmseth.com/retired-truck-driver-in-florida-claims-to-be-fbi-investigator-says-he-predicted-hallett-murder-announces-from-his-trailer-home-neely-blanchard-is-cooperating/>

Anyone want to know who Murtaugh is saying Mrs. Blanchard is cooperating with?

Apparently, Alexandria Goddard contacted and communicated with Savannah, Neely Blanchard’s sister, this after the Hallett murder.

Why is Picazio’s Network so invested in Mrs. Blanchard and her family?

Please see the Zip folder in the body of the email for Arrested Suddenly and other material provided to Mrs. Blanchard as mentioned.

I swear that I am speaking truthfully and to the best of my knowledge and ability in trying to explain this complex, pervasive and evolving Nefarious Network.

Sincerely,

Alexandra Koukounakis
